Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: John Doe
Driller: Jane Smith
Address: 123 Main St, Anytown, MT

Date of Notice of Appropriation of Groundwater: May 3, 1965
Date well started: April 19, 1965
Date completed: April 25, 1965
Type of well: Drilled
Equipment Used: Drilling rig

Water Use: Domestic

Water Use: Municipal

Water Use: Other

Water Use: Irrigation

Water Use: Industrial

Water Use: Drainage

Water Use: Stock

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing well: 12 feet

Shut-in Pressure for Flowing Well:...

Pumping Water Level: 16.5 feet at 16.5 gpm per minute.

Discharge in gal per min. of flowing well:...

How Tested:...

Length of Test:...

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appraiser.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Luther L. Luhm
(Name of Appropriator)

of 904 Selburg Dr., Kalispell, Mont.
(Address)

County of Flathead
(State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: House hold use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1949 - daily use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6000 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 200' x 200 = 41,400 sq. ft.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1949.

8. The depth of water table: 14'.

9. So far as it may be available, the type, size, and depth of each well or other means of withdrawal: 125 ft. drilled well.

10. The estimated amount of groundwater withdrawn each year: 5,180,000 gallons.

11. The log of formations encountered in the drilling of each well if available:

12. Other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Name known.

Signature of Appropriator: Luther L. Luhm
Date: 12/27/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located to answer all questions. If not applicable, so state, otherwise the form will be returned.

Duplicate to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Larry A. Luloff of 242 Edgewood, Billings
   County of Yellowstone, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Drinking Water

   3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1949, Continuously

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 2 C. Gals per min.

   5. If used for irrigation, give the acreage and description of the land to which water has been applied, and name of the owner thereof: 1 A., Field 2, Block 3, Section 24, T. 29 N. 21 W. 6 E.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Submersible Pump, Well #1.

   7. The date of commencement and completion of the obstruction of the well or other works for withdrawal of groundwater: 1963.

   8. The depth of water table: 80 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Wells drilled with 2.5 in. steel pipe, driven in clay, and 2 in. deep. Each well

   10. The estimated amount of groundwater withdrawn each year: 500,000 gallons

   11. The log of formations encountered in the drilling of each well if available: gravel, sand

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Larry A. Luloff
   Date: 7/31/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

Jack Willard Lyebeck
(Name of Appropriator)
Flathead
(Town)

County of Flathead
(State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Livestock - Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: April 15, 1948

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1000 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table: 12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 15 Million Gallons

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner

Date: Dec. 31, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

This form is to be filed with the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Lloyd B. & Sather W. Messner
(Name of Appropriator) (Address) (Town)

County of harmony State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based. Household
   and garden irrigation

2. The date or approximate date of earliest beneficial use; and how continuous the use has been for the summer months
   and household use.

3. The amount of groundwater claimed (in miner's inches or gallons per minute).
   Approx. 15 gal. per min.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   1/10 acre garden plot.
   Lloyd B. Messner

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   One gasoline driven piston pump (irrigating)
   One electric driven piston pump (house)

6. The depth of water table.
   Approx. 12 feet.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   Date of house well unknown
   May, 1956 irrigating well was driven

8. The estimated amount of groundwater withdrawn each year.
   19,000 gals.

9. The log of formations encountered in the drilling of each well; if available.
   Unknown

10. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
    None

Signature of Owner:

Date: December 18, 1963

County Clerk and Recorder:

By
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Lyle Purpart & Lorraine M. Purpart
(Name of Appropriator) (Address)

County of Flathead State of Montana

T 29 R 21

Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based - household, garden and lawn, shrubs and shelterbelt irrigation, etc.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. October 3, 1960 - constant.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Approximately one acre

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. by electric pump located in west 1/3 of 1 acre tract.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Demolished drilling of well approximately 2-27-60 and completed in constant use since that time.

8. The depth of water table. 22 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Steel well casing diameter approx. 6 in.

10. The estimated amount of groundwater withdrawn each year. 24 million gallons per year.

11. The log of formations encountered in the drilling of each well if available. 10' clay and water and gravel encountered at this level. 12' clay - water and gravel at 22 ft. depth.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

Joe Frank Wilhelms

County of Flathead State of Montana
1. (Name of Appropriator) (Address) (Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

   Domestic and garden use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

   Approximately 1951

4. The amount of groundwater claimed (in miner’s inches or gallons per minute).

   10,000 gallons per month

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

   Pipe and Elec. pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   Completed approximately 1951

8. The depth of water table

   Thirty feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

   120,000 gallons per year

11. The log of formations encountered in the drilling of each well if available

   gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: December 31, 1963

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1981)

Date of Appropriation of Groundwater

Owner: H. Keller
Address: Kalispel

Contractor (if any):
Address of Contractor:

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable:

Water flows continuously from under ground opening

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:

Continuous for stock with hay use in summer for irrigation

Signature of Owner: H. Keller
Date: Dec. 18, 1981

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Apprriator.

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: [Signature]
Date: [Dec 19, 1963]

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Ray Lybeck of Reule 1 Kalispell
   (Name of Appropriator) (Address) (Town)
   County of Flathead State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. House hold
   Livestock Sprinkler Irrigation

3. Date or approximate date of earliest beneficial use and how continuous the use has been. October 28, 1957

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1800 gallons per month

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. 156 acres Ray Lybeck

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric Sub Motor Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. House well June 1950. Irrigation well May 1959

8. The depth of water table. 10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. House well 1 1/2 inch diameter. Irrigation well 1 1/2 inch diameter. Deep point for irrigation well

10. The estimated amount of groundwater withdrawn each year. 10 million gallons

11. The log of formations encountered in the drilling of each well if available. Enter here

12. Such other information as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner Ray Lybeck
Date Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. 
   (Name of Appropriator) 
   (Address) 
   County of 
   (Town) 
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: 
Date: 

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder, duplicate to the State Engineer. Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

(Name of Appropriator) (Address) (Town)
County of Flathead State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. HOUSING AND Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. August 1952

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 25 gallon per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Acreage, Plenty, Dador

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Centrifugal electric motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. August 1952

8. The depth of water table. 36 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Borehole, Screen, Size, Length, Depth

10. The estimated amount of groundwater withdrawn each year. 100,000 gallons per year

11. The log of formations encountered in the drilling of each well if available. Sand and gravel, sand and mud, then gravel and loam

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. See, Sec 3, Tp 26, R 47

Signature of Owner. Frank Fisher
Date: Dec 24, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

1. Elmer B. Mauro  
   (Name of Appropriator)  
   De Lancey  
   (Address)  
   (Town)  
   County of-themed De Lancey  
   State of Montana  
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:  
   
   2. The beneficial use on which the claim is based:  
      
   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:  
      June 10, 1959  
   4. The amount of groundwater claimed (in miner's inches or gallons per minute):  
      3 gal.  
   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:  
      10 acres  
   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
      
   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  
      June 10, 1959  
   8. The depth of water table:  
      10 ft.  
   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
      Sand & gravel  
   10. The estimated amount of groundwater withdrawn each year:  
      2,000,000 gal.  
   11. The log of formations encountered in the drilling of each well if available:  
      Sand  
   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Declaration of Vested Groundwater Rights
(With Chapter 237, Montana Session Laws, 1961)

1. Erwin V. and Jayne G. Klasek
   (Name of Appropriator)
   (Address) (Town)
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1, 1952 and continuous since that date

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the average and description of the land to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump system - located in basement of home

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 1, 1952

8. The depth of water table: 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Shallow well - sand and gravel with 12 feet of water - 5-inch casing to water table - 1/2-inch sandpoint and pipe

10. The estimated amount of groundwater withdrawn each year: Approximately 2 million

11. The log of formations encountered in the drilling of each well if available: Sand and fine gravel with solid clay near bottom

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chap. 237 Mont. Session Laws, 1961)

1. County of ___________, State of ___________

Country of ___________, State of ___________

have appropriated groundwater according to Montana laws in effect prior to Jan. 1, 1962
as follows:

2. The beneficial use on which the claim is based

[Diagram of grid indicating point of appropriation & place of use. Each square indicates 10 Acres.]

indicate point of appropriation & place of use. Each square indicates 10 Acres.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since then.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) -- gal. per minute.

5. If used for irrigation, give acreage and description of the lands to which water has been applied and name of the owner thereof -- acres or present use.

6. The means of withdrawing such water from the ground and location of each well or other means of withdrawal

7. Date of commencement & completion of construction of well, wells, or other works for withdrawal of groundwater since Jan. 1, 1962.

8. Depth of Water Table 10 ft.

9. As it may be available, type, size, depth of each well or general specification of any other works for withdrawal of groundwater

10. Estimated amount of groundwater withdrawn each year -- acre-feet.

11. The log of formations encountered in drilling each well (if available)

12. Other information useful in carrying out policy of this act, including book & page of any county record
