STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Superior Buildings Company
   (Name of Appropriated)
   of
   (Address)

   County of Flathead
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Manufacturing operation and fire protection

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: October 1953 for every day usage

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Approximately 250 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

      electric pump

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: December 1952 to October 1953

   8. The depth of water table: 25 feet, approximately

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

      305 feet deep, 20 HP submersible, 10 inch casing

   10. The estimated amount of groundwater withdrawn each year: 131,400,000 gallons

   11. The log of formations encountered in the drilling of each well if available:

      at 54' loose gravel, at 165' silt and running sand, at 255' dark hardpan and clay, at 305' brownish hardpan and clay

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: no

   Signature of Owner

   Vice Pres.

   Date: 9/13/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: duplicate to the State Engineer: triplicate to the Montana Bureau of Mines and Geology: and quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

JAN 6 1945

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

(File No, sw* 70 R 70 W)

County Flathead

1. Louis Feigenstein of Star Pt. Columbus Falls

County of Flathead, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

Household and Some Yard

3. Date or approximate date of earliest beneficial use: and how continuous the use has been

1945

Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

650 gallons per hour

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

Partial Yard

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Electric Pump, Pressure

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

February 1945

8. The depth of water table

17 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

Drill well with cement casing, curbing

10. The estimated amount of groundwater withdrawn each year

150,000 gallons

11. The log of formations encountered in the drilling of each well if available

Sand and gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: duplicate to the State Engineer: Triplicate to the Montana Bureau of Mines and Geology: Unadjudicate for the Appropriator.

STATE ENGINEER

1. Louis Feinstein
   (Name of Approptrator)
   of Star-St. Columbia Falls
   (Address)
   (Town)
   County of Flathead
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Yard & Garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 1955
   From: 3rd. 1st to October

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1,000 gallons per hour

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Irrigation of yard and garden

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1955

8. The depth of water table: Under ground spring

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: By electric pump and 1-inch pipe

10. The estimated amount of groundwater withdrawn each year: 500,000 gallons

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Louis Feinstein
Date: Jan. 11, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Approptrator.

STATE ENGINEER

1. Joseph Seranton
   Address: Columbia Falls
   Town: (Address)
   State: (Town)
   County: (Name of Appropriator)

2. The beneficial use on which the claim is based: Irrigation Garden Lawn
3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 8-15-46, every summer and fall
4. The amount of groundwater claimed (in miner's inches or gallons per minute): 60 gal.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 20 acres S.W. 1/4 SE. 1/4, Sec. 10, T.50 R.20, Joe Seranton
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Centrifugal pump and electric
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: started 5-15-46, completed 8-15-46
8. The depth of water table: unknown
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: well, 8 ft. deep, hanging pump
10. The estimated amount of groundwater withdrawn each year: 400,000 gal.
11. The log of formations encountered in the drilling of each well if available: 3 ft. gravelly sand
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Joseph Seranton
Date: 12-2-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and Quadratec for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Arthur Flowers, Columbia Falls
(Name of Appropriator)

Flathead County, State of Montana
(County of Appropriate, State)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   House

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1948
   Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   8 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Electric Pump - In Basement

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   About 1948

8. The depth of water table
   25 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Bailey 1 HP Pump
   30 in Casing 30 ft

10. The estimated amount of groundwater withdrawn each year
   380,000

11. The log of formations encountered in the drilling of each well if available
   Available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
   Page 304, Line 3

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Martin S. Stringfellow
   (Name of Appropriator)
   717
   (Address)
   Columbia Falls
   (Town)

   Flathead
   (County)
   Montana
   (State)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic water supply.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been from 1949 to the present time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Five to ten gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Lawn and garden irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Electric centrifugal pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1949.

8. The depth of water table: 12' to 14' below ground level at site.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Hand excavation with pre-cast concrete lining.

10. The estimated amount of groundwater withdrawn each year: 182,500 gallons.

11. The log of formations encountered in the drilling of each well if available: None.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   No county record of this well prior to this claim.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

1. Earl E. Jackson of 97-H Columbia Falls (Name of Appropriator)
   Flathead, Montana (Address) (Town)
   County of Flathead, State of Montana (County, State)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Domestic and Agriculture

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Driven 1955 in continuous use since.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 Gal. Per. Min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Driven 1955.

   8. The depth of water table: 77 Ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 7-In. casing 89 Ft. deep.

   10. The estimated amount of groundwater withdrawn each year: 120,000 Gal. Per. Year.

   11. The log of formations encountered in the drilling of each well if available: Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Intended Future Irrigation of eight acres.

   Signature of Owner: Earl E. Jackson
   Date: 1-1-64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
