Static Water Level for non-flowing Well: 5.2 feet.
Shut-in Pressure for Flowing Well: non-flowing.
Pumping Water Level: 60 feet at 8 gal. per minute.
Discharge in gal. per min. of flowing well: non-flowing.
How Tested: Sable.
Length of Test: 2 hrs.
Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation).

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appraiser.

STATE OF MONTANA
COUNTY OF FLATHEAD SS.
Filed on the 15th day of April
A.D. 1972, at 10 o'clock A.M.

By: County Clerk and Recorder

Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1.นางดีและรุธ วิชิช แห่งวอเตอร์ เวลลี (Name of Appropriator) (Address) (Town)
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. 2,000 gph. stock & irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1945

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 2 gph

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1945

8. The depth of water table. 2 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications, of any other works for the withdrawal of groundwater. 20 feet

10. The estimated amount of groundwater withdrawn each year. 25,000 gal.

11. The log of formations encountered in the drilling of each well if available. not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. not known

Signature of Owner. W. E. W. Wesley. Ruth Wesley
Date. 12-4-1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MONTANA

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Known as "Blue Lake"
Spring Overflow Creek
is known as "Blue Spring Creek"

Date of Appropriation of Groundwater: June 12, 1956

Gordon Marie Brown
Address: Casampana

Contractor (if any): none

Address of Contractor: 

The following three dates to be inserted:
Date Started: July 16, 1953
Date Completed: Sept. 20, 1953

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Natural water spring almost constant in flow. Uncertainty and characterized springflow by concrete wells 5 x 5 and 8 x 8.

Quantity of water developed and used with explanation of means used to measure or estimate such amount. If use is intermittent, estimate approximate running time periods of use.

Volume of water fluctuates between 60 and 100 cubic feet per second. There have been measured and estimated by using lines and pumping from the lake. Handling and handling of water for agricultural purposes through pumping from existing wells.

Signature of Owner: Tom Brown
Date: July 24, 1970

2. The beneficial use on which the claim is based:
   Livestock & House

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1937 and continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1000 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   One general well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1937

8. The depth of water table:
   14 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other work for the withdrawal of groundwater:
   Drilled well - 35 feet

10. The estimated amount of groundwater withdrawn each year:
    1274.09 cubic feet

11. The log of formations encountered in the drilling of each well if available:
    Sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    Volume 1, page 6

Signature of Owner: Lena Badel Carman
Date: December 26, 1976

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Dec 31, 63

Owner: Roy A. Kahlweck
Address: Box 106, Conn, Mont

Contractor (if any)
Address of Contractor

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes." Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Roy A. Kahlweck
Date: Dec 31, 63

This form to be prepared by contractor; if any, otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(under Chapter 237, Montana Session Laws, 1961)

Highland Company, Inc.  
(Name of Appropriator)  
of 509 First Avenue North  
(Address)  
Great Falls  
(Town)  
Montana  
(State)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator: Highland Company, Inc.
   Address: 509 First Avenue North, Great Falls, Montana

2. The beneficial use on which the claim is based is incidental to domestic use, industrial use, irrigation and municipal use. *See reverse.

3. Date of earliest beneficial use and how continuous the use has been: Initial appropriation made on July 10, 1953; use continuous since that date.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) is 65 gallons per minute approximately.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Usages made of said water in the lands described on the reverse hereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Three wells, located as indicated in accompanying diagram.

7. The date of commencement and completion of the construction of the well(s) or other works for withdrawal of groundwater: Construction of initial wells completed in July of 1953; improvements, changes in detail, etc. done at intermittent dates since that time as necessary to achieve above water usage.

8. The depth of water table: Not precisely known, but not less than 3 feet nor more than 40 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: One well approximately 37 to 39 feet deep, with 8 inch casing. Remaining two wells concrete crib and gravel construction. Water from wells to point of utilization by gravity flow.

10. The estimated amount of groundwater withdrawn each year: 10 to 40 million gallons.

11. The log of formations encountered in the drilling of each well if available: None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No other remarks.

   Continuation of existing water rights, filed in Book 352 of Misc. at Page 291

   ATTEST:

   Highland Company, Inc.
   Signature of Owner:
   By: Robert M. Blackham, President
   Date: 8-10-53

   Bertha Allen, Secretary.

   Three copies to be filed by the owner with the County Clerk and Recorder of the County in which the well is located.

   Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
Robert F. English, is the President of the Highland Company, Inc., president of the appropriator, to the best of his knowledge and information and that he has executed this instrument on behalf of the said corporation, and acknowledged that such corporation executed the same.

Great Falls, Montana

July 63

3. Utilization of this water has been incidental to mercantile establishments, service stations, houses and living accommodations and motel owned by declarant. There has been irrigation as is incidental and necessary to any and all of the foregoing.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

WALTER J. RISSELL
(Name of Appropriator) of Route 1, Whitefish
(Address) (Town)
County of Flathead State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: For Home Use

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1931 Each Day

3. The amount of groundwater claimed (in miner's inches or gallons per minute): $00 ($00) Gal. Per Hour

4. If used for irrigation, give the acreage and description of the lands to which water has been applied, and name of the owner thereof: Not used for Irrigation

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Power Pump

6. The date of commencement and completion of the construction of the well, well or other works for withdrawal of groundwater: June 15, 1931

7. The depth of water table: 50 Fts.

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Power Pump - 8' x 5' and 12' deep with a line 30 feet down

9. The estimated amount of groundwater withdrawn each year: 100,000 gallons

10. The log of formations encountered in the drilling of each well if available: Record Burned in Town 1951

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No Record

Signature of Owner: Date: Dec. 27th, 1963
