DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

1. WILLIE A. ALBA, of Box 452 Three Forks
   County of Gallatin State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: water for stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1931 - continuous since

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: none, just for stock

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1931

8. The depth of water table: 10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: not available

10. The estimated amount of groundwater withdrawn each year: 300,000 gallons

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not applicable

Signature of Owner: WILLIE A. ALBA

Date: December 16, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: Duplicate to the State Engineer: Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Town of (Three Forks) of Three Forks, Montana
   County of Gallatin State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   lawn, irrigation and public use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   October 15, 1963 daily

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 80 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   lawn watering only and public use

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Household water system located in airport building

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   October 15, 1963

8. The depth of water table:
   30

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Driven sand point with 21/2 pipe

10. The estimated amount of groundwater withdrawn each year: 900,000 gallons per year (approx.)

11. The log of formations encountered in the drilling of each well if available:
    None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    None

Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Joseph and Mary Kanta
Address: Three Forks, Montana
Driller: Potsch Drilling and Dev. Address: R.R. Section, Bozeman, Montana

Date of Notice of appropriation of groundwater:

Date well started: 10/21/68
Date completed: 10/22/68

Type of well: Drilled
Equipment used: (Drill, Driven, bored or drilled) (Churn drill, rotary or other)

Water use: Domestic ☐ Municipal ☐ Stock ☐ Irrigation ☐ Industrial ☐ Drainage ☐ Other ☐

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

---

Static Water Level for non-flowing well 8 feet.
Shut-in Pressure for Flowing Well
Pumping Water Level 12 feet at 45 gal. per minute.
Discharge in gal. per min. of flowing well

How Tested: Pumped
Length of Test: 1 hour.

Remarks: (Gravel packing, cementing, packers, type of shutoff)

---

N

Indicate location of well and place of use, if possible. Each small square represents 40 acres.

---

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

---

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, the same copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Not known but at least since 1943

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Not capable of estimation

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Unknown

   8. The depth of water table: Unknown

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Unknown

   10. The estimated amount of groundwater withdrawn each year: Not capable of estimation

   11. The log of formations encountered in the drilling of each well if available: Unknown

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: This well is directly underneath a three-bedroom dwelling and its sole use is for the domestic use therein.

   SIERRA TALC COMPANY, a corporation
   Signature of Owner: Charles C. Haxell
   Date: December 23, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

WATER WELL LOG

Owner: City of Three Forks  
Address: Three Forks, Mont.

Driller: Layne-Minnesota Co  
Address: Minneapolis 18, Minn.

Date Started: October 29, 1954  
Date Completed: February 2, 1955

Location: Lot 14, Block 5, Original Town of Three Forks, Gallatin County, Montana

Type of well: Drilled  
Equipment used: Rotary

Water use: Domestic [ ]  
Municipal [X]  
Stock [ ]  
Irrigation [ ]

Industrial [ ]  
Drainage [ ]  
Other: 

Casing: 0 ft. to 29 ft.  
Type: Steel  
Size: 20" - 1/8" Wall

Casing: 0 ft. to 107 ft.  
Type: Steel  
Size: 12" - 3/8" Wall  
(12" Pipe Pressure Grouted in 17' Hole)

Casing: 120 1/2 ft. to 148 ft.  
Type: Steel  
Size: 8" Std. Pipe

Perforated or Screened: Ft. 110 1/2 to ft. 120 1/2.  
Previous: 148 ft. to ft. 158.

Type of screen or perforations: Layne Stainless Steel Shutter Screen 55 Openings

Static Water level, for non-flowing well: 30 ft.

Shut-in pressure, for flowing well: 40 lb. sq. in. on: (date)

Pumping water level: 103 feet at 250 gal. per min.

How tested: Turbine Pump

Length of test: 15 Hours

Remarks: (Gravel packing, cementing, packers, type of shut-off, depth of shut-off)

WELL UNDERGROUND TO 46" D.I.C. FROM 108' TO 139'.

Gravel wall between 26" hole and 8" screen & casing - Gravel extends below 8" and 12" casing to the surface.

 Hole was electric resistivity logged.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **Ellen J. Horden**, of Three Forks
    
    County of ______________ State of Montana
    
    have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

    | N |
    | W |
    | E |
    | S |

    Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based: __________

3. Date or approximate date at which beneficial use was first continuous: __________

4. The amount of groundwater claimed (in miner's inches or gallons per minute): __________

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: __________

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: __________

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: __________

8. The depth of water table: __________

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: __________

10. The estimated amount of groundwater withdrawn each year: __________

11. The log of formations encountered in the drilling of each well if available: __________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: __________

Signature of Owner: **Ellen J. Horden**

Date: 12-20-1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Re: Water Well Log
Royal Turley
Three Forks, Mont.

Gentlemen:

When the above Log was filed on May 9, 1961, it contained a wrong location description. It has now been corrected, and should be:
Lot 2, Block 20, Original Townsite,
Three Forks, Montana.

EARL WALTON, Clerk & Recorder
