STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Robert E. Brownell
(Wallace Neil Brownell) of Route 1, Belgrade

County of Gallatin
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use, and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information or a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner
Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

P.W. HESPEL
of BOX 28
BELGRADE

County of GALLATIN
State of MONTANA

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: GARDEN, HOUSEHOLD, STOCK AND FARM USE.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: WELL WAS DRILLED IN 1919 AND HAS BEEN USED CONTINUOUSLY SINCE.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: DRILLED IN APRIL 1933 AND COMPLETED MAY 1933.

8. The depth of water table: UNKNOWN.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 150,000 GALLONS.

11. The log of formations encountered in the drilling of each well if available: UNKNOWN.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I. Name of Appropriator: Isaac P. Green
Address: 1016 South 5th Bozeman, Montana

County of: Gallatin
State of: Montana

Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

3. The beneficial use on which the claim is based:
   - Live stock and domestic

4. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - Before 1900
   - Continuous use

5. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - 4 gallons per minute

6. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Law and garden adjacent

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - Before 1900

8. The depth of water table:
   - 4 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - Drilled with 5 inch casing, 25 feet deep

10. The estimated amount of groundwater withdrawn each year:
    - Not known

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Isaac P. Green
Date: December 20, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 227, Montana Session Laws, 1961)

1. Eunice L. Holman
   (Name of Appropriator)  
   304 N. Rose Blvd., Bozeman, Mont.
   (Address)  
   (Town)

   County of ____________ State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic, livestock, yard & garden irrigation

3. Date or approximate date of earliest beneficial use and how continuous the use has been: About 1956, continuous use to date.

4. The amount of groundwater claimed (in minor's inches or gallons per minute):  

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric jet pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  

8. The depth of water table: 17' (about)

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
   3" casing, 60' deep

10. The estimated amount of groundwater withdrawn each year: 300 gal. per day - estimate

11. The log of formations encountered in the drilling of each well if available: gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  

Signature of Owner: Eunice L. Holman
Date: ________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
