Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Jesse R. Groom
   104 South Fifth Bozeman, Montana
   (Name of Appropriator) (Address) (Town)

Date or approximate date of earliest beneficial use; and how continuous the use has been.

The amount of groundwater claimed (in miner's inches or gallons per minute)

If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

The depth of water table

So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

The estimated amount of groundwater withdrawn each year

The log of formations encountered in the drilling of each well if available.

Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

A. Shannon

1. Theodore H. Shannon and Louise, of Logan
   (Name of Appropriator) (Address) (Town)

County of Gallatin, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is irrigation of the West Half (W½) of Section 25, Township 3 North, Range 2 East.
   (describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner’s inches of ground water claim is 300.

4. The annual period (inclusive dates) of intended use is April 1 to October 1.

5. The probable or intended date of first beneficial use is April 15, 1965.

6. The probable or intended date of commencement and completion of the well* or wells* is April 15, 1965.

7. The location, type, size and depth of well or wells contemplated is a dragline hole
   30 feet in diameter and 30 feet deep.

8. The probable or estimated depth of the water table or artesian aquifer is ten feet.

9. Name, address and license number of the driller engaged is dragline

10. Give such other similar information as may be useful in carrying out the policy of this act.

As defined in the Code Sec. 1 (c) “Well” means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: duplicate to the State Engineer: Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Theodore Louise Shannon

(Name of Appropriator) (Address)

County of Gallatin State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been
   Prior to 1940

4. The amount of groundwater claimed (in miner’s inches or gallons per minute)
   Not Measure

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   100 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Jet pump in 20 feet

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Not known

8. The depth of water table
   20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Probably 20 feet

10. The estimated amount of groundwater withdrawn each year
   500,000 gallons

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date: 12/27/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declararion of Vested Groundwater Rights
(under Chapter 237, Montana Session Laws, 1961)

Theodore and Louise Hampton (Name of Appraiser)
300 Main Street (Address)
Helena, Montana (Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stock

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: unknown

4. The amount of groundwater claimed (in miner's inches or gallons per minute): unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: unknown

8. The depth of water table: unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: Home use and stock

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner, Theodore Hampton
Date: 7/31/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appraiser.

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: Jesse Green
Address: Baggton

Date of Notice of Appropriation of Groundwater: Nov 10, 1964

Type of well: Dug

Equipment Used: (dug, driven, bored or drilled)

Water Use: Domestic

Date well started: Nov 10, 1964

Date completed: Dec 19, 1964

Driller: Jesse Green

Address: Baggton

Static Water Level for non-flowing Well: 487.00 feet

Shut-in Pressure for Flowing Well: 100 psi

Pumping Water Level: 20.0 in

Discharge in gal. per min. of flowing well: 3 gal. per minute

How Tested: Pump

Length of Test: 1 hour

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation)

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Horace Morgan, of R. R. #2, Belgrade, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - Stock water
   - Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - Approx. 1900
   - Hasn't been used last 5 years. Land in oil bank.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - Well - 10 Gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Garden and house water.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - Approximately 1900

8. The depth of water table:
   - Approximately 16 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - Bore dug - 20 feet

10. The estimated amount of groundwater withdrawn each year:
    - None for last 5 years

11. The log of formations encountered in the drilling of each well if available:
    - Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Horace Morgan
Date: 12/3/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

**Name of Appropriator**: Joe J. Morgan  
**Address**: Belgrade  
**Town**: Gallatin  
**County**: Gallatin  
**State**: Montana

I, Joe J. Morgan, of the town of Belgrade, Gallatin County, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

| 1. | The beneficial use on which the claim is based: Consumer

| 2. | The date or approximate date of earliest beneficial use, and how continuous the use has been: November 15, 1917

| 3. | The amount of groundwater claimed (in miner's inches or gallons per minute): 10

| 4. | The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump

| 5. | If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 acres

| 6. | The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: November 15, 1917

| 7. | The depth of water table: 20

| 8. | The estimated amount of groundwater withdrawn each year: Unknown

| 9. | The type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

| 10. | The log of formations encountered in the drilling of each well if available: Not available

| 11. | Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
