RECEIVED
DEC 30 1963

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Charley A. Robinson of Harold
(Name of Appropriator) (Address) (Town)

County of Gallatin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. 35 T. 3N R. 7E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1870 continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) A-50" B-15" C-15"

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal gravity flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater none

8. The depth of water table unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater none

10. The estimated amount of groundwater withdrawn each year unknown

11. The log of formations encountered in the drilling of each well if available none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record none

Signature of Owner Charley A. Robinson

Date Sept 19 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, J. S. Brown, of Route 1, Three Forks,
(Name of Appropriator) (Address) (Town)
County of Gallatin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based house and well and irrigation and stock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been Since 1855

4. The amount of groundwater claimed (in miner's inches or gallons per minute) about 10 acres
shallow water driven pumps

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
about 10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pumps
No. 1, lot 1 block 31, Hill Town
No. 2, lot 16 block 31, Hill Town
see 1953 24 3

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table 6 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater driven well 1 1/4 inch pipe with sand point
about 20 ft deep

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner J. S. Brown

Date Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

JAN 15 1964

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Earl S. McLees, of Three Forks, Mont.
(Name of Appropriator) (Address) (Town)

County of Gallatin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 Sec 25 T2N R1E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based irrigation & commercial

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1952 - continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 100 gpm per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NE 1/4 & NW 1/4 Sec 25 T 2N R 1E - Same

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal by pump - 2 wells - SE portion of described property

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1952

8. The depth of water table 8'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 2' depth 2" casing

10. The estimated amount of groundwater withdrawn each year 1,000,000 gal per yr.

11. The log of formations encountered in the drilling of each well if available None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Tests of wells as recorded by state board of health

Signature of Owner Earl S. McLees

Date 12-30-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, WILLIAM B. PETERSON, of THREE FORKS (Address) (Town)

County of GALLATIN State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 8, Block 13, Buttelman Addition
to Three Forks, Mont.
Sec. 26, T. 2N, R. 1E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres

- The beneficial use on which the claim is based household & domestic use and irrigating lawn
- Date or approximate date of earliest beneficial use; and how continuous the use has been November, 1961; daily use ever since November, 1961, and such use now continues
- The amount of groundwater claimed (in miner's inches or gallons per minute) approximately 300 gallons per day
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Used for irrigation of lawn on Lot 8 in Block 13, Buttelman Addition to Three Forks, Montana; William B. Peterson, owner.
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Driven pipe well; piped into water system in house, and outside faucet; electric pump
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater November, 1961;
- The depth of water table approximately 6 feet
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Driven pipe well 22 feet deep; 2 inch pipe in ground; pipe "sharpened" by pounding bottom end together, and holes drilled in pipe, and pipe driven 16 feet down into water after excavation of six feet of surface material, making 22 feet depth from surface of ground; said pipe well was driven in basement of house situated on said Lot 8, Block 13, of said Buttelman Addition; electric pump; water piped into water system in house, and outside faucet.
- The estimated amount of groundwater withdrawn each year 109,500 gallons
- The log of formations encountered in the drilling of each well if available sand and gravel
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record unknown.

Signature of Owner William B. Peterson

Date December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

1 Edward E. Thate and Hazel I. Thate of Three Forks,
(Name of Appropriator) (Address) (Town)
County of Gallatin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. 26 T2N R1E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based. Well #1 - Irrigation of garden, lawn, trees, bushes, flowers
Well #2 - Garden and domestic use.
- Date or approximate date of earliest beneficial use; and how continuous the use has been. Well #1 - 1938 - continuous 10 hours daily in summer for 50 days; weekly in fall for lawn, trees, bushes.
Well #2 - 1938 - occasional use for garden and domestic use.
- The amount of groundwater claimed (in miner's inches or gallons per minute). Well #1 - 16 gallons per minute;
Well #2 1 1/2 gallons per minute.
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. 1/2 city block 3 of Buttelman Addition, Three Forks, Gallatin County, Montana - Lots 1 & 2 - Hazel I. Thate; Lots 3, 4, and 5 Edward E. Thate; Lot 6, Opal E. Knowles.
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Well #1 situated on Lot 4, said block 3 - well and electric pressure pump, wooden casing well; Well #2 situated on Lot 3 said block 3 - well steel pipe casing 5" hand pump.
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. unknown except said wells were in use in 1938
- The depth of water table. Well #1, approximate 8 feet; Well #2 approximately unknown
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well #1, 10 feet deep, wooden casing 4 feet square originally - recased with wood in 1959 4 1/2 inches square, electric pressure pump 16 gallons per minute; Well #2, 9 feet deep, 5" steel pipe casing, hand pump 1 1/2 gallons per minute.
- The estimated amount of groundwater withdrawn each year. Well #1 - 300,000 gallons;
Well #2 - occasional use.
- The log of formations encountered in the drilling of each well if available. gravel
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. unknown
