STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT
and
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237 Montana Session Laws, 1961)

1. Gladys L. Kreider
   (Name of Appropriator)

   Sand Springs
   (Address)

   County Garfield
   State of Montana

   have appropriated groundwater according to the Montana Laws in effect prior to
   January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Stock water

   3. Date of approximate date of earliest beneficial
      use; and how continuous the use has been
      since 1912

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      twelve (12) gallons per minute

   5. If used for irrigation, give the acreage and
      description of the land to which water has been
      applied and the name of the owner thereof
      none

   6. The means of withdrawing such water from the ground
      without a well and the location of each means of
      withdrawal
      none

   7. The date of commencement and completion of the development works
      for withdrawal of
      groundwater: Cleaned several times, last time in 1960

   8. Quantity of water developed and used with explanation of method used to measure
      or estimate such amount. If use is intermittent, estimate approximate lengths of period
      of use: about seven (7) months through summer. No measurements taken.

   9. So far as it may be available, the type, size and depth and general specifications
      of any works for the withdrawal of groundwater
      none

   10. The estimated amount of groundwater withdrawn each year
       150,000 gallons per year

   11. Such other information of a similar nature as may be useful in carrying out the
       policy of this act, including reference to book and page of any county record
       none

1. Gladys L. Kreider
   (Name of Appropriator)
   Sand Springs
   (Address)
   (Town)

   County of Garfield
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Stock Water;

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      November 1959 (continuously)

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      20 gallons per minute;

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      Propane Engine Pump;

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      Commenced July 22, 1959, finished July 25, 1959. Well was drilled by McConnell Bros. of Roundup, Montana

   8. The depth of water table
      Well depth is 120 feet - water rises to within 20 feet of top;

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Well depth, 120 feet;
      10" - 6" casing; 2" pipes;

   10. The estimated amount of groundwater withdrawn each year
      800,000 gallons;

   11. The log of formations encountered in the drilling of each well if available
      30' blue shale with streak of coal at 80' feet - water 112 feet, shale bottom at 120 feet;

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
      Belonged to John Rich when drilled, but was
      under lease to undersigned with option to purchase any option has not been exercised.

   Signature of Owner: Gladys L. Kreider
   Date: 10-9-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Hailett, Incorporated of Jordan, Montana
   (Name of Appropriator) (Address) (Town)

   County of Garfield State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1932, as follows:

   2. The beneficial use on which the claim is based. Stock water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1930

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 15 gallon per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof none

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Pump and electric motor

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1930

   8. The depth of water table 35 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater well is 45 feet deep

   10. The estimated amount of groundwater withdrawn each year 50,000 gal.

   11. The log of formations encountered in the drilling of each well if available not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record no

   Signature of Owner
   [Signature] Date Dec. 19, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
