STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriate: Helen Nelson
   (Address): Collegen
   County of: Fairfield
   State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Dec. 31, 1943

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1.6 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 120

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Aug. 11-13-63 finished 10-1-63

8. The depth of water table: 50

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 190 ft.

10. The estimated amount of groundwater withdrawn each year: 864,000 gal.

11. The log of formations encountered in the drilling of each well if available: 1.75 to 180 ft. sand; 180 to 192 ft. sand, clay

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: That available

Signature of Owner: Helen Nelson
   Date: Dec. 28, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Spell & Sons, Inc., of Jordan
   (Name of Appropriator) (Address)
   County of Garfield State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based. Hanauer
      Consumption & Stock water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Wells have been used

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). Each well pumps at an average
      8 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      Not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electrically
      operated pumps: Spell & Sons Inc. T61R39E

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
      Wells Started June 1958 Completion June 1958

   8. The depth of water table. Well #1-20' #2-225' #3-20'

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
      All wells are Tubular Construction. Spelled with Four Casings. Well #1-120' Deep
      #2-140' Deep #3-60' Deep

   10. The estimated amount of groundwater withdrawn each year 250,000 gallons

   11. The log of formations encountered in the drilling of each well if available. Not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
      reference to book and page of any county record

   Signature of Owner: Spell & Sons

   (1) 60; (2) 9; (3) 210

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Neil A. Nelson

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   wells

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   (1) 1927; (2) 1942; (3) 1959

8. The depth of water table:
   (1) 60'; (2) 9'; (3) 210'

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   well No. 1: 15 ft., double, 9'
   well No. 2: 15 ft., single, 6'
   well No. 3: 210 ft., double, 9'

10. The estimated amount of groundwater withdrawn each year:
    1,590,000 gal.

11. The log of formations encountered in the drilling of each well if available:
    not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    not recorded

Signature of Owner:

1. John J. Barnes, of Pte. "I", Colahan
   (Name of Appropriator) (Address) (Town)
   County of Garfield State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the appropriation is based is for Home Use at Headquarters.

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 11-24-1948, and thereafter.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Five (5) GPM.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   N. J. A. K. M. S. E. W.

   SW 1/4, Sec. 2, T. 16 N., R. 41 E.

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Electric Pump

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 10-1-1948, Sept. 11-24-1948.

   8. The depth of water table: 6.5 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled, 40', 130'.

   10. The estimated amount of groundwater withdrawn each year: 10,000 G.

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

(Under Chapter 237, Montana Session Laws, 1961)

1. Robert H. Osgood of Coe, Montana
   County of Deerfield, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   Date or approximate date of earliest beneficial use: June 2, 1941
   The beneficial use on which the claim is based: stock watering
   Date or approximate date of earliest beneficial use: June 19, 1961
   The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gal. per minute

   2. The beneficial use on which the claim is based: stock watering

   3. Date or approximate date of earliest beneficial use: June 19, 1961
   The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gal. per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1, 1958

   8. The depth of water table: about 15 ft. below

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   10. The estimated amount of groundwater withdrawn each year: N.D.

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. John J. Barnes, of Cohagen

(Name of Appropriator) (Address)

County of Garfield State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1915 - Seasonal

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8.6 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Stand Pump - Gas Engine

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 1915 - Aug 1915

8. The depth of water table: 70'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled, 6", 110'

10. The estimated amount of groundwater withdrawn each year: 50,000 G

11. The log of formations encountered in the drilling of each well if available: O - 10. Soil, 10 - 35. Blue Sand, 35 - 50. Sand Rock, 50 - 100. Blue Shale, 100 - 110. Sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Make App.

Declaration of Vested Groundwater Rights

(State of Montana) Office of State Engineer

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. 

Name of Appropriator: Phillip Fisher

Address: 123 Main Street

Town: Helena

County: Garfield

State: Montana

County of Garfield, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Well 1: Domestic use. Well 3: Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Well 1: 1916, in continuous use since 1916. Well 2: Drilled in 1948, in continuous use since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Well 1: 7 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: None

8. The type of formation encountered in the drilling of each well: Well 1: 114 inch casing. 1½ inch pipe on pump. Well 2: 1 inch casing and 1 inch pipe on pump. Well 3: 1 inch casing and 1 inch pipe on pump.

9. The estimated amount of groundwater withdrawn each year: Well 1: Depends on conditions. Well 2: Depends on conditions. Well 3: Depends on conditions.

10. The log of formations encountered in the drilling of each well: None

11. Such other information of a similar nature as may be useful in carrying out the policy of this act: None

Signature of Owner:

Date: January 3, 1962

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATION OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. LEONARD C. PLUMER
   (Name of Appropiatr) (Address) (Town)
   County of Garfield State of Montana
   Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Well #1 & 2
   Skook Water.

3. Date or approximate date of earliest beneficial use; and how continues the use has been:
   #1 = 1948; Summer & Fall
   #2 = 1930; Winter & Spring

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   #1 = 6 gal/min.
   #2 = 3 gal/min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Well #1 & 2 - Windmill.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Well #1 = 1948
   Well #2 = 1930.

8. The depth of water table. Well #1 = 60 ft.; Well #2 = 35 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well #1: 4" Steel Casings; 160 ft. deep.
   Wall #2: 6" Galv. Casings; 120 ft. deep.

10. The estimated amount of groundwater withdrawn each year. Wells #1 & #2 = 200,000 gal.

11. The log of formations encountered in the drilling of each well if available:
   None.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner

Leonard C. Plumer

Date: May 23, 1959

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Leonard Fosler
Address: Cobuson, Montana

Driller: Carl Jerrel
Address: Miles City, Montana

Date of Notice of Appropriation of groundwater: [Date]
Date well started: [Date] Date completed: [Date]

Type of well: Dug, Drilled, Bored, or Drilled Equipment used: Rotary

Water use: Domestic □ Municipal □ Stock □ Irrigation □ Industrial □ Drainage □

Indicate on the diagram the character and location of the different strata met in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Static Water Level for non-flowing well
Shut-in Pressure for Flowing Well
Pumping Water Level: [Footage] feet
Discharge in gal. per min. of flowing well
How Tested:
Length of Test:
Remarks: (Gravel packing, cementing, packers, type of shutoff)

Indicate location of well and place of use, if possible. Each small square represents 40 acres.

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
