1. Cora E. Needing of Jordan
   (Name of Appropriator) (Address) (Town)

2. The beneficial use on which the claim is based: **stock water**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **October 1, 1963**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **15 gallons per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: **None**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **Electric motor and Pump Jack**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **Commencement - September 20, 1963 - Completion - October 1, 1963**

8. The depth of water table: **Approximately 300 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **4" casing 350 feet deep**

10. The estimated amount of groundwater withdrawn each year: **600,000 gallons**

11. The log of formations encountered in the drilling of each well if available: **Do not have a log**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **None**

Signature of Owner: **Cora E. Needing**

Date: **Dec. 27, 1963**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

1. Ervin Lehner of Jordan
   (Name of Appropriator) (Address) (Town)
   County of Garfield State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   stock well

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: spring of 1958

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   wine and cylinder

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: spring of 1958

8. The depth of water table: 120 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled, 12 in. casing, unknown

10. The estimated amount of groundwater withdrawn each year: approximately 2000 gal. per day thru the summer months

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: /s/ Ervin Lehner
Date: March 21, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1964)

Arthur R. Turner, of (Address) Jordan
County of (Town) Ravalli State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator

Declaration of Vested Groundwater Rights
Under Chapter 237, Montana Session Laws, 1964

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Continuously

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 5 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Nov. 5, 1961

8. The depth of water table: 35 to 50 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 100, 000

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Arthur R. Turner
Date: 12-30-1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

Developed After January 1, 1962
(Under Chapter 237, Montana Session Laws, 1961, as amended)

This form to be prepared by contractor (if any), otherwise by the owner.
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state; otherwise the form may be returned.

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)
   developed natural spring

2. Means of withdrawing water (gravity, pump, canal, etc.)
   gravity

3. Depth of water table
   not sure

4. Use of the water
   for livestock

5. Amount of groundwater claimed (in miner's inches or gallons per minute)
   gallon minute

6. If used for irrigation, give number of acres and description of land

7. Estimate amount of water used each year
   don't know

8. Months of year spring flows
   four months

INDICATE POINT OF APPROPRIATION AND PLACE OF USE, IF POSSIBLE.

Elevation of spring, if known or estimated

AFFIDAVIT

TO WHOM IT MAY CONCERN:

We, N. Ranch, Dec., Baptist, Mott, have used water
from a well located in NW. ¼ NW. ¼ Sec. 29, T 19 N
R 36 E. for the purpose of watering livestock.

For a period of time beginning October, 1961, and is
now in use.

The well was drilled by Dr. N. Ranch, Dec. in 1961,
but we don't know the beginning.

Subscribed and sworn to before me this 30th day of June 1973.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1916

Owner: Roy E. Sinebray, Jordan, Mont.

Contractor (If any): None

Address: None

Address of Contractor: None

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

FLOWING SPRING

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

350 A.U. CATTLE THE YEAR AROUND

Signature of Owner: Roy E. Sinebray

Date: 10/30/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. Roy E. Stinebaugh
   (Name of Appropriator)

   Address

   Town

   County of Billings

   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Stock

3. Date or approximate date of earliest beneficial use and how continued the use has been:
   No. 2 pump 1952

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   Both 6 gal per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   None

6. The means of withdrawing such water from the ground and the location of such well or other means of withdrawal:
   Stock Pump on 80-Acre

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   No. 1 1-1-1951
   No. 2 1-1-1952

8. The depth of water table:
   NO. 1 16 Feet
   NO. 2 18 Feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   No. 1 Hand dug 16 Feet Deep
   No. 2 Drilled 40 Feet Deep

10. The estimated amount of groundwater withdrawn each year:
    Both 735,000 gal.

11. The log of formations encountered in the drilling of each well if available:
    NOT AVAILABLE

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    None

Signature of Owner: Roy E. Stinebaugh
Date: 3-10-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

PHILIP P. MASON

(Name of Applicant)

County of

State of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963 as follows:

2. The beneficial use on which the claim is based:

WATER.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

1950.

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

8 GALLONS PER MINUTE.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof:

NOT USED FOR IRRIGATION.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

PUMPS.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

WAS ON LAND WHEN PURCHASED.

8. The depth of water table:

12 FT.

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

WELL NO. 1 NO. 3, SHALLOW
HAND DUG, WELLS, NO. 2, DRILLED, 1/INCH, CASING.

10. The estimated amount of groundwater withdrawn each year:

HAVE NOT USED.

11. The log of formations encountered in the drilling of each well if available:

N/A.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

NONE.

Signature of Owner:

Date:

Three copies to be filled by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.
