STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Ben Wilson
   (Name of Appropriator)
   (Address)
   (Town)

   County of Garfield
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: stock water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: sometime after 1912

   4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 6 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

      Not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

      Natural springs

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

      Unknown

   8. The depth of water table:

      Unknown

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

      Natural springs, not more than 5 feet deep

   10. The estimated amount of groundwater withdrawn each year: 9 barrels daily

   11. The log of formations encountered in the drilling of each well if available:

      None

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

      None

   Signature of Owner:

   Date: September 10, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12-18-63

Owner: Martin O. Barna
Address: 

Contractor (if any): 
Address of Contractor: 
Date Started: Date Completed: 1-20

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes", include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Signature of Owner: Martin O. Barna
Date: 12-18-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropoiator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Martin O. Barnes, of Princeton, Montana
   County of Garfield, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Stock: 1.25 acres and 20 sections

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: Oct. 1846 Continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   150 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   100 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Electric pump, 120 feet on southwest 40, to 150 feet

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Oct. 1846

8. The depth of water table:
   100 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:
    20,000 gallons

11. The log of formations encountered in the drilling of each well if available:
    Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. John W. Stanton, of Brusett, Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Sept. 25, 1945

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Comp. Oct. 7, 1945

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Casing: 11 ft. perforation through sand

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

(Under Chapter 237, Montana Session Laws, 1961)

1. 

Wesley W. Stanford

of Brusett, Montana

(Name of Appropriator) (Address) (Town)

County of Garfield State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

- Well 1: Stock water only
- Well 2: Stock water only

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

- Well 1: April 1, 1961
- Well 2: April 1, 1961

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

- Well 1: 40 inches
- Well 2: 20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

- 50 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

- Well 1 and Well 2: 214 pump jack and motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

- Both wells March of 1961

8. The depth of water table:

- Well 1: 35 feet
- Well 2: 165 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

- 2 inch pipe

10. The estimated amount of groundwater withdrawn each year:

- The amount of water used depends on the season

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

  约3.5 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   Jan. 1923 and completed Jan. 1924

8. The depth of water table

   About 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

   20 feet deep

10. The estimated amount of groundwater withdrawn each year

   About 70,000 gallons

11. The log of formations encountered in the drilling of each well if available

   About 20 feet per story and about 20 feet in Grand Forks

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

This form to be prepared by contractor (if any), otherwise by the owner.
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works
are located.
Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: 6 H Ranch, Inc.
Address: Brusett, Montana 59318
Contractor (if any):
Address of Contractor:
Date Started: June 12, 1968
Date Completed: June 13, 1968

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)
   Developed spring
   
2. Means of withdrawing water (gravity, pump, canal, etc.)
   Gravity
   
3. Depth of water table
   Five feet
   
4. Use of the water
   For livestock
   
5. Amount of groundwater claimed (in miner's inches or gallons per minute)
   One gallon per minute
   
6. If used for irrigation, give number of acres and description of land
   
7. Estimate amount of water used each year
   63,000 gallons
   
8. Months of year spring flows
   Eight months
   
INDICATE POINT OF APPROPRIATION AND PLACE OF USE, IF POSSIBLE.
Elevation of spring, if known or estimated

SHERWOOD COUNTY MONTANA
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. C. Neil E. Wedding, of Jordan
   (Name of Appropriator)
   (Address)
   (Town)

   County of Garfield
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Stock Water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      Spring was probably used first about 1910, has been in continuous use since that time

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1 1/2 inches per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      Not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      A holding pit with a gravity flow pipe to a watering tank below

   7. The date of commencement and completion of the construction of the well, well pipe, or other work for withdrawal of groundwater:
      Spring has been rebuilt several times since first used

   8. The depth of water table:
      Surface

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      1 1/4 inch pipe

   10. The estimated amount of groundwater withdrawn each year:
       Approximately 750,000 gallons

   11. The log of formations encountered in the drilling of each well if available:
       Shale on surface, coal vein beneath

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: C. Neil E. Wedding
   Date: December 30, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1962)

1. Andrew S. Hobrow of Drummett (Name of Appropriator)
   County of Gardner (Address) State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:__________________________
      House and Stock

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: January 1, 1930
      regular

   4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 10 gallons

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      none

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      Hard-Drug-and-Electric-Motor

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 12

   8. The depth of water table: 73 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      Hand-dug, 3-foot hole, wailed with native rock, Dept. 32-foot

   10. The estimated amount of groundwater withdrawn each year: Have no idea

   11. The log of formations encountered in the drilling of each well if available:
      None

   12. Such other information of a similar nature as may be useful in carrying out the day of this act, including reference to book and page of any county record:
      None

Signature of Owner: Andrew S. Hobrow
Date 11-18-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriation.
