Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Robert E. Coldwell
(Name of Appropriator)

County of Garfield
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based
   (1) Domestic and livestock use
   (2) Livestock use

2. Date or approximate date of earliest beneficial use; and how continuous the use has been
   (1) Aug. 1926-Continuous
   (2) April 1937-Continuous
   (3) September 1940-Intermittent

3. The amount of groundwater claimed (in miner's inches or gallons per minute)
   (1) 5-7 Gals
   (2) 32-13 Gals
   (3) 7-8 Gals

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   (1) Sec. 7, T. 21 N., R. 40 E.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   (1) Gas engine and pump jack
   (2) Electric submersible pump
   (3) None

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   (1) Aug. 1923
   (2) April 1937
   (3) September 1940

7. The depth of water table
   (1) 85 ft
   (2) 10 ft
   (3) 9 ft

8. The log of formations encountered in the drilling of each well if available
   Unknown

9. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
   Unknown

Signature of Owner

Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Robert E. Coldwell of Jordan
   (Name of Appropriator) (Address)
   County of Garfield State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Livestock use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: September 1932 - continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6-7 Gals.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Nil

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: September 1932

8. The depth of water table: 961

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 180' deep 165' of 3" W.G. casing wood platform and windmill

10. The estimated amount of groundwater withdrawn each year: 320,000 Gals

11. The log of formations encountered in the drilling of each well if available: Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Unknown

Signature of Owner: Robert E. Coldwell
Date: Dec-21-1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 50 years ago by Tripp Brothers, (now deceased)
Owner: T W Enterprises Address: Sand Springs, Mont.
Contractor (if any): ——— Address of Contractor: ———
Date Started: ——— Date Completed: ———

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. This is a spring which has been flowing for more than 50 years.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; TriPLICATE to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator: Enterprise, Inc.
   Address: Sand Springs, MT

County of Garfield, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is stockwater purposes and also household use.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been since that time:

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   drilled artesian well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1942, Tripp Bros., caused the well to be drilled and it was used by them until the 7W Enterprises purchased the real estate.

8. The depth of water table (artesian well):

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   artesian well, 84.0 feet deep, ½ inch pipe

10. The estimated amount of groundwater withdrawn each year:
   5,785 gallons

11. The log of formations encountered in the drilling of each well if available:
   (Not available: at the time this well was dug, it was not customary to furnish a log of formations encountered in drilling)

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   (Unable to furnish any other information because both of the Tripp Brothers are deceased.)

Signature of Owner:

By (Manager's Name)

December 19, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. George K. Shaver, of , State of Montana
County of  , Town of  

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock Water

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1935 and has never been discontinued since that time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 2 Gal Per Minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of owner thereof: Not used for irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Apr 1935

8. The depth of water table. 16 ft

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Dug by hand to 16 ft. Deeper

10. The estimated amount of groundwater withdrawn each year. Enough to water 200 cattle

11. The log of formations encountered in the drilling of each well if available. Limestone

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Not applicable

Signature of Owner: George K. Shaver
Date: Dec 28, 1965
