STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Oscar L. or Alice B. Doane

(Name of Appropriator)

of

Brownie

(Address)

(Town)

County of Glacier

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: domestic, stock, and irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been. 1936

4. The amount of groundwater claimed (inminer's inches or gallons per minute). 50 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 50 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table. 100 feet to 200 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 100 feet, 6 inches, 60 feet

10. The estimated amount of groundwater withdrawn each year. 2,000,000 gallons

11. The log of formations encountered in the drilling of each well if available. not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
# Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: Browning  
Address: 

Contractor (if any):  
Address: 

Date Started:  
Date Completed:  

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Signature of Owner:  
Date:  

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Marie McDonald, of Browning, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic and irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: August 1957

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1/3rd Cubic feet per second of time

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Lot 15, Block 16, Town of Browning, Montana

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric shallow water engine

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: August 1957

8. The depth of water table: Water encountered at 27 feet, drilled in 3 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Well 30 feet deep, drilled through clay cap at 27 feet and 3 feet into water area; well is cased with 30 feet perforated galvanized steel pipe; shallow water pump operated with electric motor; water rises within 3 feet of surface

10. The estimated amount of groundwater withdrawn each year: 15,000 cubic feet per month

11. The log of formations encountered in the drilling of each well if available: Formation is mixed clay and gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Water rises to within 30 inches of surface and remains fairly constant under use

Signature of Owner: Marie McDonald

Date: April 12, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

   2. The beneficial use on which the claim is based. Trailer Park
      and Business Buildings and Residence.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1955.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). 20 gallons.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Lawn and Shrubbery. About 1 acre.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric Jet Pumps.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1953.

   8. The depth of water table. 10 to 20 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 50' to 70' depth. Steel 5' I.D. Casing.

   10. The estimated amount of groundwater withdrawn each year. 750,000 to 1,500,000 gallons per year.

   11. The log of formations encountered in the drilling of each well if available. Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner. 

   Date Dec. 8, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 2-37, Montana Session Laws, 1961)

1. R. L. Faught
   (Name of Appropriator)
   of Box 307
   (Address)
   Browning
   (Town)
   County of Glacier
   State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Trailer Park and Business Building and Residence.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
   1953

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   20 gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   Lawn and shrubbery, about 1 acre.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   Electric jet pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   1953

8. The depth of water table.
   10 to 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   55 feet to 70 feet depth, Steel 6" I. D. Casing.

10. The estimated amount of groundwater withdrawn each year.
    From 750,000 to 1,500,000 gallons
    Per year.

11. The log of formations encountered in the drilling of each well if available.
    Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner.

Date: Dec. 6, 1983

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Fall 1955
Owner: William Judah
Address: Corral, Mont
Contractor (if any) 
Address of Contractor 
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes", include depth to
water when applicable: Spring; Reservoir

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use: Spring
will run 2" pipe Fall
Spring Reservoir overflow will flow 0.5" pipe Fall

Signature of Owner: William Judah
Date: Dec 81-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator
   (Address) (Town)
   County of Montana
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Groundwater for domestic use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1960.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 300 gpm per hour.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 100 acres.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1960.

8. The depth of water table: 12.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Cased with 4” Culvert.

10. The estimated amount of groundwater withdrawn each year: 40,000.

11. The log of formations encountered in the drilling of each well if available: Surface gravel.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well
Developed After January 1, 1962
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater...November 15, 1969...
Owner...Lee L. Kimmet...Address...Cut Bank, Montana...
Contractor (if any)...J. H. Construction...Was killed by myself to help
Address of Contractor...Cut Bank, Montana...
Date Started...Nov. 15, 1969...Date Completed...Nov. 15, 1969...

1) Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)...Spring Development...

------by underground tile...

--------...

2) Means of withdrawing water (gravity, pump, canal, etc.)...Gravity

3) Depth of water table...2-4 feet...

4) Use of the water...stock water...

5) Amount of groundwater claimed (in miner's inches, or gallons per minute)...25 gal per minute...

6) If used for irrigation, give number of acres and description of land...

7) Estimate amount of water used each year...50,000...

Signature of Owner...[Signature]...Date...Jan. 15, 1970...

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation
Without Well
Developed After January 1, 1962
(Under Chapter 237 Montana Session Laws, 1962)

Date of Appropriation of Groundwater: Aug. 1967
Owner: Leo L. Kinnel
Address: Cut Bank, Montana
Contractor (if any)
Address of Contractor
Date Started: Date Completed:

1) Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drain, etc.)
   "Bought land in Aug. 1967, it has pit type spring developed on it then,"

2) Means of withdrawing water (gravity, pump, canal, etc.)
   "Gravity into a reservoir"

3) Depth of water table:
   "2 feet"

4) Use of the water: "stock water"

5) Amount of groundwater claimed (in miner's inches, or gallons per minute):
   "30-40 gallons per minute"

6) If used for irrigation, give number of acres and description of land:
   "100,000 acres" (estimate)

7) Estimate amount of water used each year: 100,000

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1951)

Date of Appropriation of Groundwater: 1952
Owner: Glacier Farms, Inc. Address: Cut Bank, Montana
Contractor (if any): None
Address of Contractor
Date Started: 1952 Date Completed: 1955

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Earthen dam, rock faced.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Back up 400 feet, width 250 feet - depth 20 feet.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Date: December 19, 1953

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriate.

Static Water Level for non-flowing well 

Shut-in Pressure for Flowing Well 

Pumping Water Level at gal. per minute.

Discharge in gal. per min. of flowing well 

How Tested: 

Length of Test: 

Remarks: (Gravel packing, cementing, packers, type of shutoff) 

USE—If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, plus a copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. (Name of Appropriator) (Address) (Town) County of State of intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is _______________________________

3. The rate of use in gallons per minute or miner's in-ches of groundwater claimed _______________________________

4. The annual period (inclusive dates) of intended use _______________________________

5. The probable or intended date of first beneficial use _______________________________

6. The probable or intended date of commencement and completion of the well* or wells* _______________________________

7. The location, type, size and depth of well or wells contemplated _______________________________

8. The probable or estimated depth of the water table or artesian well officer _______________________________

9. Name, address and license number of the driller engaged _______________________________

10. Give such other similar information as may be useful in carrying out the policy of this act. _______________________________

* As defined in the Code Sec. 1 (e) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
