DECLARATION OF VESTED GROUNDWATER RIGHTS

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE
OFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Helene Jansen of Belmont, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   All irrigation springs stock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   All springs 1952 summer

4. The amount of groundwater obtained (in miner's inches or gallons per minute):
   sec 20-1 spring 22 gpm
   sec 19-2 springs 45 gpm
   sec 19-1 spring 50 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of such wells or other means of withdrawals:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Not applicable

8. The depth of water table:
   Not applicable

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:
    Not applicable

11. The log of formations encountered in the drilling of each well if available:
    Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: ____________________________
Date: ___________ 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE

OFFICE OF STATE ENGINEER

(Territorial State Law, 2011)

1. Helena Jansen
   (Name of Appropriator)
   (Address)
   (Town)

County of: Golden Valley, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

Stock watering for the 3 springs and 1 well

3. Date or approximate date of earliest beneficial use, and how continuous the use has been

30-sec. 29 spring—summer 1926; 29 spring—summer 1930; 32-sec. 29 well—summer 1930; SEA sec. 29 spring—spring 1930.

4. The amount of groundwater claimed (in million gallons per month)

SEA sec. 29 spring—25 gpm; SEA sec. 29 spring—30 gpm; SEA sec. 29 spring—45 gpm.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

32-sec. 29 spring—5 gpm—field 3 blocks N.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Windmill and propane pump for well.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

During summer 1925—added main improvements.

8. The depth of water table

Not available.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

50-foot deep well — standard casing.

10. The estimated amount of groundwater withdrawn each year

Not available.

11. The log of formations encountered in the drilling of each well if available

Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

1. J. C. Jensen, Inc., of Lovina
   (Name of Appropriator) (Address) (Town)
   County of Golden Valley State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stockwater and sub-irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: May, 1955, and continuously thereafter.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Irrigated 300 ft. of Section 4, Township 5 North, Range 22 East, M.P.M. Owned by appropriator.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Hall flooding, open pit. Located in SW corner of Sec. 4, Town 5 N., Range 22 E., M.P.M.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Completed and completed in May, 1955.

8. The depth of water table: 100 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Open pit, 100 ft. deep, 3 ft. steel casing, charging into pipe, thence into stock tank and across lands to be irrigated.

10. The estimated amount of groundwater withdrawn each year: 600,000 gallons.

11. The log of formations encountered in the drilling of each well if available: unknown.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not applicable.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:  

2. The beneficial use on which the claim is based  

3. Date or approximate date of earliest beneficial use; and how continuous the use has been  

   Spring 1920  

   thereafter continuous  

4. The amount of groundwater claimed (in miner's inches or gallons per minute)  

   30 gal per minute  

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal  

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater  

   1920s  

8. The depth of water table  

   26 ft  

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater  

   6 in. NAC  

   400 feet with 177 ft of water in the hole  

10. The estimated amount of groundwater withdrawn each year  

   180,000 gal  

11. The log of formations encountered in the drilling of each well if available  

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record  

Signature of Owner  

Date: Dec 5, 1963  

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.  

Please answer all questions. If not applicable, so state, otherwise the form will be returned.  

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June, 1954
Owner: Raymond Paulson
Address: Belmont, Montana
Contractor (if any): None
Address of Contractor
Date Started: __________________ Date Completed: __________________

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes." Include depth to water when applicable.

Natural spring flow on surface

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

25 gal. per min. estimated by actual use—continuous for stock watering

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Raymond Paulson
Date: December 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropiorator.
