File No. 8-994

STATE OF MONTANA

OFFICE OF STATE ENGINEER

JAN

Notice of Completion of Groundwater Appropriation

Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: [Name]
Address: [Address]

Contractor (if any): [Name]
Address of Contractor: [Address]

Date Started: [Date]
Date Completed: [Date]

Describe means of obtaining groundwater without a well, as by sub-irrigation and other natural processes. Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: [Signature]
Date: [Date]

This form to be prepared by contractor (if any), otherwise by the owner.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

The original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

NAME OF APPLICANT

COUNTY OF

STATE OF

DECLARATION

1. Jurgen Harms, of Belmont, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriate (Schaff Bros.)
   of Belmont
   County of Golden Valley State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: 
      [Blank]

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 
      [December 1947]
      Approx. 1 year of every year

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gal. sec. minute

   5. If used for irrigation, give the description of the lands to which water has been supplied and name of the owner thereof:
      [Blank]

   6. Indicate point of withdrawal and place of use, if possible. Each small square represents 1 acre.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 
      [Blank]

   8. The depth of water table: 
      [Blank]

   9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 
      [Blank]

   10. The estimated amount of groundwater withdrawn each year: 
       768,000 gal.

   11. The log of formations encountered in the drilling of each well if available: 
       [Blank]

   12. Such information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 
       [Blank]

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS

(UNDER CHAPTER 237, MONTANA SESSION LAWS, 1961)

STATE ENGINEER

Abe Horpestad, of Levina

County of Golden Valley, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Stockwater and household use

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

   Well No. 1: 1920
   Well No. 2: 1920

4. The amount of groundwater claimed (in miner’s inches or gallons per minute)

   10 gallons per minute per well

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   Irrigate garden—SW1/4 3-6-22
   Abe Horpestad, owner

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   Jet pump—each well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   1920—For each well

8. The depth of water table

   10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   Both wells—20 feet deep water withdrawn by jet pump through pipe, pump operated by electricity. Both wells are sand point driven into ground.

10. The estimated amount of groundwater withdrawn each year

    200,000 gallons for each well

11. The log of formations encountered in the drilling of each well if available

    Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

    Signature of Owner

Date: December 10, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Van All M. Thom, of Lavina

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial-use on which the claim is based: Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1949, used every winter

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1949

8. The depth of water table: 1 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 75,000 gal

11. The log of formations encountered in the drilling of each well if available: Soil gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Van All M. Thom
Date: July 1, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropiator.
Declaration of Vested Groundwater Rights

(State of Montana Chapter 287, Montana Session Laws, 1961)

STATE WATER CONSERVATION BOARD

State of Montana
Office of State Engineer

County of Golden Valley

N. Vanelli, an individual, of Lava, Montana, State of Montana,

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: STOCK WATER and IRRIGATION

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1949-1958

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 4 gal / min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: COUNTRY well with ELECTRIC MOTOR.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1949

8. The depth of water table: 10 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 2-in. diameter, 100 ft. using CHECKER.

10. The estimated amount of groundwater withdrawn each year: 120,000

11. The log of formations encountered in the drilling of each well if available: SOIL GRAVEL

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No other information

5 gal/min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Electric jet pump

SUWHEKEY SEK. 6T. 6E. 22

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

1946

8. The depth of water table

65'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

65' of 6' Casing—Jet pump

10. The estimated amount of groundwater withdrawn each year

1,250,000 gal

11. The log of formations encountered in the drilling of each well if available

Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Louis S. Yunek
Date: Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

DECLARATION OF VESTED GROUNDWATER RIGHTS

UNDER CHAPTER 237, MONTANA SESSION LAWS, 1961

Date of Declaration: December 26, 1963

County of Musselshell, State of Montana

The following declaration is made by the undersigned, who have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stock water and household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1937

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: jet pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1937

8. The depth of water table: 50 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Well 20 feet deep, 6 inch hole cased with 6 inch casing. Water is withdrawn by jet pump through pipe.

10. The estimated amount of groundwater withdrawn each year: 500,000 gallons

11. The log of formations encountered in the drilling of each well if available: none available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: T. N. Solberg
Date: December 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
