Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Ralph R. and Mary J. Kelly of Phillipsburg, Montana

County of Granite

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: **stock and irrigation**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1966 - Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Located on mineral survey No. 3238

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: water drained from swampy area by means of open excavation

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year: 1000 miner's inches

11. The log of formations encountered in the drilling of each well if available: none available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Mary J. Kelly
Date: January 8, 1964
