ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Witness my hand)

W. L. Stellhorn

Secretary

Office of the State Engineer

1. Wharfert F. Christine Johnson of Hall

2. The beneficial use on which the claim is based

Domestic

Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

1870

Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

20 Gm. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Pumps

3 well locations as shown

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

1st well 1936

2nd well 1936

3rd well 1948

8. The depth of water table

15 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

1st well 10 in. casing

2nd well 10 in. casing

3rd well 10 in. casing

Pumps

10. The estimated amount of groundwater withdrawn each year

750,000 gallons

11. The log of formations encountered in the drilling of each well if available

None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Wharfert F. Johnson

(Date) Dec. 24, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation

Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Approx. 1880

Owner: Jensen Ranch
Address: Hell, Montana

Contractor (if any) __________________________________________
Address of Contractor ________________________________________

Date Started: ___________ Date Completed: Approx. 1880

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. Gravity flow and by pumping.
Water is at ground surface.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use: Approx. 40 minutes, inches
continuous flow.

Signature of Owner: ____________________________
Jensen Ranch Co.____________________

Indicate point of appropriation and place of use, if possible.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

MO 1. MONTANA PHOSPHATE PRODUCTS COMPANY

(Name of Appropriator) (Address) (Town)

County of Powell State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based... domestic...

3. Date or approximate date of earliest beneficial use; and how continuous the use has been... original date unknown... but prior to 1920... Range prior to 1945... unknown... continuous use since 1945...

4. The amount of groundwater claimed (in miner's inches or gallons per minute)... 5 gallons per minute...

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof... not applicable...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... pump...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... not known... but prior to 1920...

8. The depth of water table...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... Dug... 3 ft. diameter... rock cased...

10. The estimated amount of groundwater withdrawn each year... 100,000 gallons...

11. The log of formations encountered in the drilling of each well if available... not available...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record... unknown...

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 1962
Owner: Jensen Ranch Address: Hall, Montana
Contractor (if any): J. N. Neely Address: Hall, Montana
Date Started: June 1962 Date Completed: June 1962

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Excavation, dam and pipe
- and tanks.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

10 gal. per min. approx. Continuous

Indicate point of appropriation and place of use, if possible.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
