STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Fred C. Schmidt
of Box Elder, Montana

County of Hill State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic & Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: continuous since July 1952.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 1 gallon per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 3 horse Fairbanks & Morse submersible

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 3 horse Fairbanks & Morse submersible

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 1952.

8. The depth of water table: 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drillers report 7-199 Lloyd Humble of Box Elder Montana Filed with Montana State Board of Health

10. The estimated amount of groundwater withdrawn each year: 518,400 gals.

11. The log of formations encountered in the drilling of each well if available: Drillers report 7-199 Lloyd Humble of Box Elder Montana Filed with Montana State Board of Health Drillers report 7-199

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: see above none other

Signature of Owner: Fred C. Schmidt
Date: 8/6/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Vincent P. Bauer, of Box Elder, Montana

1. Have appropriated groundwater according to the Montana laws in effect prior to Jan. 1, 1962 as follows:

2. The beneficial use on which the claim is based — domestic, drinking, washing, watering lawn

3. Date or approximate date of earliest beneficial use; and how continuous the use has been — June 1957

4. The amount of groundwater claimed (in miner's inches or gallons per minute) — 10 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof — 1. 30 x 150 ft. town lot

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal — electric suction pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater — April 26, 1957

8. The depth of water table — 13 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater — 45 feet

10. The estimated amount of groundwater withdrawn each year — 100,000 gal

11. The log of formations encountered in the drilling of each well if available — Sandy clay - yellow gravelly clay - yellow sandy clay - some gravel, sandy clay - yellow gravel - water well completed

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record — none

Signature of Owner — Vincent P. Bauer
Date — May 15, 1962

Three copies to be filed by the owner with the County Clerk & Recorder of the County in which the well is located.

PLEASE ANSWER ALL QUESTIONS. IF NOT APPLICABLE, SO STATE, OTHERWISE THE FORM WILL BE RETURNED.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Lloyd L. Harkness
of Box Elder

County of Hill State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based
   domestic

2. Date or approximate date of earliest beneficial use; and how continuous the use has been. constant domestic use since 1948

3. The type of withdrawal of groundwater.
   jet water pump

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   30 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner
   none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   jet water pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table
   10 ft. from surface

9. The type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   5 hi diameter, drilled 55 ft. deep

10. The estimated amount of groundwater withdrawn each year
    5,000,000 gallons

11. The log of formations encountered in the drilling of each well if available
    not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    none

WATER WELL LOG

9-17-58

MABERRY MONTANA
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. School District #13, of Box Elder
   (Name of Appropriator) (Address) (Town)
   County of Hill, State of Montana

Have appropriated groundwater according to the Montana laws in effect prior to Jan.
1, 1962 as follows:

2. The beneficial use on which the claim is based
   Water for school and four teachers.

3. Date or approximate date of earliest beneficial
   use; and how continuous the use has been
   Well #1 1929 33 years
   Well #2 1952 10 years

4. The amount of groundwater claimed (in miner's
   inches or gallons per minute)
   = 100 gallons per minute per well

5. If used for irrigation, give the acreage and
   description of the lands to which water has
   been applied and name of the owner thereof
   Irrigation of 1.5 acres Sec 35 T 30 R 13 E

6. The means of withdrawing such water from the
   ground and the location of each well or other
   means of withdrawal. Wells are pumped
   Well #1 Block 4 Old townsite
   Well #2 Block 3 Old townsite

7. The date of commencement and completion of the construction of the well, wells, or
   other works for withdrawal of groundwater
   Well #1 1929
   Well #2 1950

8. The depth of water table
   18 feet

9. So far as it may be available, the type, size and depth of each well or the general
   specifications of any other works for the withdrawal of groundwater
   Wells are fifteen feet deep and have 60 feet of water; six inch steel casing

10. The estimated amount of groundwater withdrawn each year
    120,000,000 gallons per year

11. The log of formations encountered in the drilling of each well if available
    Clay, sand, and gravel

12. Such other information of a similar nature as may be useful in carrying out the pol-
    icy of this act, including reference to book and page of any county record
    Original well in school basement; covered outside building in 1952.
    Auxiliary well dug 1950.
