STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) of (Address) (Town)
County of Judith Basin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1880 - 1960

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100 gal per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table: Surface 6 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 100 gal per min

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner
Date: Dec 31, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: Roy Kesting
Address: Utica, Montana

Driller: Ed. Thatcher
Address: Stanford, Montana

Date of Notice of Appropriation of Groundwater

Date well started: Oct. 2, 1962
Date Completed: Oct. 8, 1962

Type of well: Drilled
Equipment Used: rotary drill
(dug, driven, bored or (Churn, drill, rotary or drilled)

Water Use: Domestic [ ] Municipal [ ] Stock [ ] Irrigation [ ] Industrial [ ] Drainage [ ] Other [ ]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

| Size of | Size and | From | To  | PERFORATIONS |
| Drilled | Weight of | (Ft.) | (Ft.) | (Ft.) | (Ft.) |
| Pipe | Casing | | | Slots |
| 4" | 2" Gal. | 0 | 100 | 89 | 100 |

Static Water Level for non-flowing Well:

Shut-in Pressure for Flowing Well: Not Recorded

Pumping Water Level:

Discharge in gal. per min. of flowing well: 75 GPM

How Tested: Measure and Length of Test, intermittent sleep watch for 48 hrs.

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Cement packer set at 40 ft.

Cemented 40 ft. back to 10 ft.

Show exact depth of bottom.

Driller's License Number: Ed. Thatcher
Driller's Signature:

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

1. Gilkey Livestock Co., of Hobson, County of Judith Basin, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Spring #1 for stockwater; Spring #2 used for stockwater, house water and irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Spring #1 and Spring #2 have been used continuously since 1890.

   4. The amount of groundwater claimed: Spring #1 - 100 miner's inches; Spring #2 - 100 miner's inches.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Gilkey Livestock Company.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Both installations are natural springs, at which withdrawal is by means of gravity.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Completed and completed in 1880.

   8. The depth of water table: Natural springs - Water table rises to the surface.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Not applicable for Spring #1; Concrete.

   10. The estimated amount of groundwater withdrawn each year: All that is available.

   11. The log of formations encountered in the drilling of each well if available: Not applicable.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: N.A.

   Signature of Owner: Robert Gilkey, Hobson, Date 12-31-1963

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: July 1, 1963
Owner: Arthur Kincheloe
Address: Malstone, Montana

Contractor (if any): James Raw
Address of Contractor: Moore, Montana

Date Started: 7-1-63
Date Completed: 7-25-63

Describe means of obtaining groundwater without a well “as by sub-irrigation and other natural processes”. Include depth to water when applicable. Accumulated through 120 feet of laterals and collected in tank for stockwater.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. 25 gal. per minute through 2" pipes.

Signature of Owner: Arthur Kincheloe
Date: 12-31-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

County of Judith Basin
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: livestock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 19th, not used recently

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: some

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: hand pump at well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 19th

8. The depth of water table: 30 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: hand operated cylinder pump - 2 inch pipe - 75 feet deep

10. The estimated amount of groundwater withdrawn each year: unknown

11. The log of formations encountered in the drilling of each well if available: some

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Robert Higgen
Date: March 13, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: Robert Wagen
Address: Hobson

Contractor (if any): Charles Henry
Address of Contractor: Hobson, Montana

Date Started: July 12, 1960
Date Completed: July 12, 1960

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Signature of Owner:

Date: March 13, 1962

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater 1950
Owner: Robert Wigan Address: Hobson, Montana
Contractor (if any) None
Address of Contractor
Date Started 1949 Date Completed 1950
Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. Water flows from hillside-springs
have been dug out to prevent plugging

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermit-
tent estimate approximate lengths of periods of use

Estimate 200 gals. per minute flow from springs
Use 1000 gals. per day when watering livestock

Signature of Owner Robert Wigan
Date March 15, 1962

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in
which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the
School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights  
(Under Chapter 237, Montana Session Laws, 1961)

1. Robert Wigen  
   (Name of Appropriator)  
   (Address)  
   (Town)  
   County of Judith Basin  
   State of Montana  

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:  
   Livestock, Household, Irrigation, supply for crop spraying

3. Date or approximate date of earliest beneficial use, and how continuous the use has been:  
   From Sept. 1960-continuous use for watering livestock, irrigating lawn and garden, supplying water for spraying crops, household use.

4. The amount of groundwater claimed (in inches or gallons per minute):  
   11 gals, per min

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:  
   Irrigating lawn and garden, 1 acre, self owned

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
   Jet pump at well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  
   Sept. 1960

8. The depth of water table:  
   20 feet

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
   Jet pump 1 inch pipe, 70 feet deep

10. The estimated amount of groundwater withdrawn each year:  
    2,000,000 gals.

11. The log of formations encountered in the drilling of each well if available:  
    Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  

   Signature of Owner:  
   Robert Wigen
   Date: March 13, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
