STATE ENGINEER

1. Robert Wigen, of Helena
(Name of Appropriator) (Address) (Town)
County of Judith Basin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW NW 1/4 NW Sec. 28 T. 14 R. 14.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Livestock water
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1915-used each year from Sept. to March
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gal. per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof None
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Hand pump at well
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater May 1914 June 1915
8. The depth of water table 20 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Hand pump, 2 inch pipe, 30 feet deep
10. The estimated amount of groundwater withdrawn each year 20,000 gal.
11. The log of formations encountered in the drilling of each well if available Not available
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Robert Wigen

Date March 13, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE ENGINEER

1. Robert E. McCullough, Sr. of Hobson
(Name of Appropriator) (Address) (Town)
County of Judith Basin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 12, Block 35, Hobson Orig.

1/4 Sec. 6 T. 14 R. 15

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
For irrigation
3. Date or approximate date of earliest beneficial use; and how continuous the use has been
Spring developed in 1958 and is in continuous during the summer months is shut off during the winter
4. The amount of groundwater claimed (in miner's inches or gallons per minute)
40 to 50 gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
Lot 9, Block 20- owned by Peter J. & Faye L. Hoven. Lot 10 in Block 20- Robert and Margaret McCullough. Both in Hobson Original
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
**Flowing Spring
Spring located on the East end of Block Lot 12, Block 35, Hobson Original**
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
Started in 1958 and completed in 1958.
8. The depth of water table
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
**5 ft. deep, 4 ft. in diameter.
Water is piped from the bottom of developed spring.**
10. The estimated amount of groundwater withdrawn each year
Not known
11. The log of formations encountered in the drilling of each well if available
No Log available. Dug spring
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

STATE ENGINEER

1. Cassandra O. Phelps, of Box 115 Hobson
(Name of Appropriator) (Address) (Town)
County of Judith Basin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 5, Block 23 Hobson Orig.

..... 1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
house use and yard and garden irrigation
3. Date or approximate date of earliest beneficial use; and how continuous the use has been Followed a dug well that fell in, Dug well 1908 This well about 19545. Year round
house use. Irrigation seasonal.
4. The amount of groundwater claimed (in miner's inches or gallons per minute)..... No. idea. Claim all there is.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.....
Four city lots where needed.
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
Electric pump. The only means used. One pump.
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1945 or thereabouts. Only one pump as was stated above.
8. The depth of water table. No idea. It varies with irrigation from Ackley Lake. My neighbor across the alley has a dug well at ten feet.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. I was absent when the well was completed. The operator finished a drilled well and I paid \$37.00 at one dollar per foot. I have plenty of water and running the pump as many as 18 hours has never pumped the well dry.
10. The estimated amount of groundwater withdrawn each year..... No estimate.
11. The log of formations encountered in the drilling of each well if available. No idea.
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
This is all I know.
