Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1960

Owner: John B. Hardenbrook
Address: Stanford, Montana

Contractor (if any): done work myself

Address of Contractor:

Date Started: 1960
Date Completed: 1960

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Dug a Ft. in depth - Concreted with a steel liner, Piped to a tank.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

No measurements taken but flow of springs is 20 gallons per minute.

Signature of Owner: John B. Hardenbrook
Date: Dec. 9th, 1963.

**Springs #1 and #2 developed in 1959 and #5 in 1963.**

Date of Appropriation of Groundwater: 

Owner: John B. Hardenbrock, Address: Stanford, Montana

Contractor (if any): ... and #1 Spring part of work was done by Keith Hoytson

Address of Contractor: Moore, Montana

Date Started: Dates: Date Completed: Dates as Above as above.

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

- **#1** - Spring dug to a depth of 4 ft., concreted with a steel liner and flows into a tank. Gravity flow at 10 gals per minute.
- **#2** - Spring dug to a depth of 3 ft., gravity flow into a tank at 5 gals per minute.
- **#5** - Spring dug to about 4 ft., in depth, collection box installed, flowing about 25 gals per minute into tank.

---

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

- **No measurements taken.**

---

**Signature of Owner**: John B. Hardenbrock

Date: Dec. 9th, 1963

---

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. if not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriate.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Partly developed in 1959 and part in 1963.

Date of Appropriation of Groundwater: 1963

Abbie M. Butterfield
Owner: Stanford, Montana

Contractor (if any) part of work done by John E. Hardenbrook and part by Keith Royston of Moors, Montana

Date Started: 1959 Date Completed: 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Dug to a depth of 7 ft. Concrete box with 40 ft of fiber pipe installed, and flows into a tank.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

No measurements taken by flow. Approximately 2 gallons per minute. Gravity flow.

Indicate point of appropriation and place of use, if possible.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

1. HUGHES LIVESTOCK CO., INC., of Stanford, (Name of Appropriator)
   County of Judith Basin, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Household and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. March 17, 1946, with continuous use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 100 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Sec. 3, T. 15 N., R. 11 E., Judith Basin.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric pump on 8 inch casing in WELTSTEIN, Section 3, Township 15 North, Range 11 East.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. First well on same location dug in March of 1946, Well deepened to 58 feet commencing October 7, 1959, completed October 10, 1959.

8. The depth of water table. 58 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 8 inch casing placed within 58 foot hole. Water drawn by electric pump at top of well.

10. The estimated amount of groundwater withdrawn each year. 500,000 gallons

11. The log of formations encountered in the drilling of each well if available. black loam soil on top of sandy loam and gravel.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Original well on same location to depth of 18 feet dried up in 1958 and was then drilled to 58 feet to reach more flow of water.

# Declaration of Vested Groundwater Rights

**STATE OF MONTANA**  
**ADMINISTRATOR OF GROUNDWATER CODE**  
**OFFICE OF STATE ENGINEER**

**Declaration of Vested Groundwater Rights**  
(Governing Chapter 237, Montana Session Laws, 1961)

1. **Peter J. Maroff** 
   - Name of Appropriator
   - of: **Mt. 2**, Stanford
   - Address
   - Town
   - State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: **spring** used for livestock purposes.

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been: approximately 40 years, continuously since this date.

   4. The amount of groundwater claimed: (in miner's inches or gallons per minute) **not known**.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: **does not apply**.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **natural flow**.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **does not apply**.

   8. The depth of water table: **does not apply**.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **does not apply**.

   10. The estimated amount of groundwater withdrawn each year: **not known**.

   11. The log of formations encountered in the drilling of each well if available: **none**.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **not known**.

   Signature of Owner: **Peter J. Maroff**  
   Date: **December 31, 1963**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; TriPLICATE to the Montana Bureau of Mines and Geology, and Quaduplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 4, 1910
Owner: Hughes Livestock Co., Address: Stanford, Montana
Contractor (if any): Long Inv. Company
Address of Contractor: Stanford, Montana
Date Started: June 1910, Date Completed: July 1910

Describe means of obtaining groundwater without a well such as by subsurface and other natural processes. Include depth to water when applicable. A spring coming out of the earth on a side hill. Dug a hole 6' deep, and put in a wooden box; then dug a trench 310 feet long, 2 feet deep, and put in a galvanized pipe, 2' into the house and for livin', cook and irrigation.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. Used this year around 25 gallons a minute.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Clarence K. Kitchel, of Windham, Windham,
   (Name of Appropriator) (Address) (Town)

   County of Judith Basin, State of Montana,

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: home and stock.

   3. Date or approximate date of earliest beneficial use: 19h2 continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gals per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: none

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: self flowing

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 19h2

   8. The depth of water table: surface

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled well depth: 500 ft. casing: 2 inch casing

   10. The estimated amount of groundwater withdrawn each year: unknown

   11. The log of formations encountered in the drilling of each well if available: yes

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Clarence K. Kitchel
   Date: 2-20-1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Fee $2.00 Paid.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

1. John A. February, of... Choteau, Montana.
   (Name of Appropor)  (Address)  (Town)
   County of... Judith Basin  State of... Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based...

3. Date or approximate date of earliest beneficial use, and how continuous the use has been...

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...

8. The depth of water table...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...

10. The estimated amount of groundwater withdrawn each year...

11. The log of formations encountered in the drilling of each well if available...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...

Signature of Owner...

Date...

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Approporator.
