Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

T... 17  R... 14
County: Judith Basin

---

1. Lee and James Todd
   (Name of Appropriator) of
   (Address) (Town)

   County of Judith Basin                    State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based .............................................. Stock Water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been ..........................................................
      Formally a Spring
      and developed to a well in 1961 - Used all year
      except in the cold months and used then if needed.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) ...................................................... 95 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
      No Irrigation

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      Regular Pump and a Pump Jack

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      Started in 1961 and completed in 1961

   8. The depth of water table

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Well in 30 ft. in Depth and lined with Brick

   10. The estimated amount of groundwater withdrawn each year Not known

   11. The log of formations encountered in the drilling of each well if available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
      None

   Signature of Owner _______________________
   Date Nov. 12th, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1127 Fourth Ave. N.
Owner: Walter S. Thisted
Address: Great Falls, Montana

Contractor (if any) 
Address of Contractor 
Date Started: June 1960
Date Completed: June 1960

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes": Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

Signature of Owner: Walter S. Thisted
Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Charles R. Oja
   (Name of Appropriator)
   of
   (Address)
   (Town)

   County of Judith Basin
   State of Montana

   I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Stock water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      It has been used continuously since about 1925

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      50 gallons per minute

   5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      It is a spring which has been dug 30 feet to a depth of about five feet

   7. The date of commencement and completion of the construction of the well, wells or other works for withdrawal of groundwater
      Approximately 1925

   8. The depth of water table
      Four feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Thirty feet five feet deep with a 24 inch casing

   10. The estimated amount of groundwater withdrawn each year
       2,678,000 gallons

   11. The log of formations encountered in the drilling of each well if available
       Unavailable

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

   Signature of Owner
   Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
