Declaration of Vested Groundwater Rights
(under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Royal L. or Sarah S. Fish, of Raynesford, Montana,
(Name of Appropriator) (Address) (Town)
County of Judith Basin, State of Montana,
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   water supply for the house & stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   Dec. 24, 1959

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   40 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   irrigating the lawn around house

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   electric pump located in basement

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Dec. 4-5, 1959

8. The depth of water table
   12 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year
    190,000

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner.

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. JOSEPH J. LEJUNE, JR., of Basin, Montana
   (Name of Approporator) (Address) (Town)

County of Judith Basin State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   See attached statement.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   A number of years prior to 1900.

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   No accurate measurement has been made.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   See attached statement.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   By natural means.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   
8. The depth of water table
   Very near surface.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Natural springs.

10. The estimated amount of groundwater withdrawn each year
    The entire flow.

11. The log of formations encountered in the drilling of each well if available
    No wells.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    None.

Signature of Owner

There are 440 acres of land in Sections 10 and 15, Township 17 North, Range 8 East, and the land contains 17 natural springs of varying size. The water is used for household and other domestic uses, livestock and irrigation on the lands which are particularly described as:

The North Half of Southwest Quarter (NW1/4), Southeast Quarter of Southwest Quarter (SE1/4), and West Half of Southeast Quarter (SW1/4) of Section Ten (10); Northeast Quarter (NE1/4), Southeast Quarter of Northwest Quarter (SE1/4), and Northeast Quarter of Southeast Quarter (NE1/4) of Section Fifteen (15), all in Township Seventeen (17) North of Range Eight (8) East of the Montana Meridian, containing 440 acres, more or less, according to the United States Government Survey thereof.

Subject to the exceptions and reservations contained in the original patents to the land from the government; subject to roads laid out and now existing over, upon or across said property; and excepting and reserving 3½% of the oil, gas and other minerals as to NW1/4 of said Sec. 10, heretofore reserved to E. J. Lander & Co.

Notice of Completion of Groundwater Appropriation Without Well (Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1943
Owner: John M. Dodner
Address: Haynesford

Contractor (if any): Robertson and Caves
Address of Contractor: Great Falls, Montana

Date Started: Spring
Date Completed: Spring

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Jutg out and collection box installed
and used continuously for house and garden
and overflow used for livestock

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

about 5 gallon per minute

Indicate point of appropriation and place of use, if possible.

Signature of Owner: John Dodner
Date: Dec. 13, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Harland Ray
Hansen
Hunt
(Name of Appropriator) (Address) (Town)

County of Judith Basin
State of Montana

Declaration of Vested Groundwater Rights have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: livestock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3. Gals. Per Min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means by which such water from the ground and the location or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Wendell N. Hansen
Date: Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Wendell M. Hansen, of Raynelford

County of Judith Basin State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Water for Live Stock

Date or approximate date of earliest beneficial use, and how continuous the use has been: 1975 and has been used continuously since

4. The amount of groundwater claimed (in millions of gallons per minute): 1/2 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each: well or other means of withdrawal

7. The date of commencement and completion of the construction of each well, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Wendell M. Hansen

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. John Sodner, of Haynesford, County of Judith Basin, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1924 discontinued use now

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 5 gallon per minute for 1/2 hour then wait few minutes and pump again

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: gasoline motor on pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: casing with a 2" pipe inside the casing to a depth of 50 ft.

8. The depth of water table: 80 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled well

10. The estimated amount of groundwater withdrawn each year: what was available

11. The log of formations encountered in the drilling of each well if available: none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: John Sodner
Date: Dec. 15, 1965
