STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Richard J. and Grace Burbank, of Charlie
(Name of Appropriator) (Address)
County of Lake State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock water and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1980 daily for stock summer for irrigation

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8 miners inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 acres pasture—Richard J. and Grace Burbank

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Gravity

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1929, and 1980

8. The depth of water table: 0 to 10 ft flow, spring and early summer

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Doug. 2 ft. X 12 ft. round = 30 inch X 10 ft. round

10. The estimated amount of groundwater withdrawn each year: 1200 miners inches

11. The log of formations encountered in the drilling of each well if available: Clay and sand to clay and gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none

Signature of Owner:

Date: 12-17-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

pump, dikes, spring

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

7. The depth of water table:

8. The estimated amount of groundwater withdrawn each year:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: well 1, 171 feet, well 2, 201 feet, well 3, 251 feet, ground.

10. The log of formations encountered in the drilling of each well if available:

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

12. Signature of Owner: W. W. Estes

Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Donald J. Chatfield and
Eleanor Chatfield, his wife, of Charlo,
(Name of Appropriator) (Address) (Town)
County of Lake State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic use,livestock watering and irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1902, use continuous since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 80 miner's inches.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: About twenty acres on W-16320 Sec. Ten T. 19 N. R. 21 W.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: By pump and ditches from each well developed spring.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: #1 on Sept. 14, 1954, 40 ft deep; #2 on Sept. 14, 1954, 30 ft deep.

8. The depth of water table: Surface.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Springs, size as shown on plat above.

10. The estimated amount of groundwater withdrawn each year: About 1440 acre feet, flow out of springs each year, at least that much.

11. The log of formations encountered in the drilling of each well if available: None.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

Signature of Owner: Donald J. Chatfield
Date: Dec. 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

- **County of State of Montana**
- **have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:**

2. The beneficial use on which the claim is based:
   - Domestic use, stockwater, garden irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been approximately 1923, use has been continuous ever since. Claims are informed & believe well was drilled in early 1923

4. The amount of groundwater claimed (in miner's inches or gallons per minute) estimated five gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   - only garden by dwelling

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal by pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: estimated 1923, finished 1923, drilled well about 150 ft. deep, six inch casing

8. The depth of water table: about 50 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled six inch well about 150 ft. deep.

10. The estimated amount of groundwater withdrawn each year: estimated one & one quarter million gallons per yr.

11. The log of formations encountered in the drilling of each well if available: unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: unknown

Notice of Completion of Groundwater Appropriation Without Well

(under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 8-15-63
Owner: John L. Moore.
Address: 123 Main St., Helena.

Contractor (if any):
Address of Contractor:
Date Started: 1945
Date Completed: 1945

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:

About 10 gal. per minute, variable flow

Indicate point of appropriation and place of use, if possible.

Signature of Owner: John L. Moore.
Date: 8-15-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
