Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 23, Montana Session Laws, 1961)

Owner: Clyde Myron Randle
Address: Box 781

Date of Notice of Appropriation of Groundwater: Dec. 1962
Date well started: Dec. 1962
Date completed: Dec. 1962

Type of well: (dug, driven, bored or drilled)
Equipment Used: (Churn, drill, rotary or other)

Water Use: Domestic  □  Municipal □  Other □  Irrigation □
Industrial □  Drainage □  Stock □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing Well: 175 feet.
Shut-in Pressure for Flowing Well: 14 psi.
Pumping Water Level: 175 feet.
Discharge in gal. per minute: 10 gal.
How Tested: Length of Test: 10 feet.
Remarks: (Gravel packing, cementing, packers, type of shut-off, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Driller’s License Number: 12345
Driller’s Signature: A. J. Welch

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Bearpaw Ranch Co., of Box 935, Helena
   (Name of Appropriate) (Address) (Town)

   County of Lewis & Clark State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: ________________________________
   - stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1906

4. The amount of groundwater claimed (in miner's inches or gallons per minute): ________________

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: ________________________________

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: ________________________________
   - not improved

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: ________________________________

8. The depth of water table: ________________________________

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: ________________________________

10. The estimated amount of groundwater withdrawn each year: ________________________________

11. The log of formations encountered in the drilling of each well if available: ________________________________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: ________________________________

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Beatrice Vincent, of Canyon Creek, Montana
   County of Lewis and Clark, State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   1. Irrigation
   2. Irrigation, stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1. 1898
   2. 1890

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   1. 5-6 inches
   2. 20-30 inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   1. 20 acres SW1/4 NW1/4 Sec. 23
   2. 80 acres NW1/4 Sec. 23

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   1. Small dam and ditch
   2. Small ditch

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Many years ago — exact date unknown

8. The depth of water table:
   1. 20 feet
   2. 5 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Same as No. 6 above

10. The estimated amount of groundwater withdrawn each year:
    1. 5-6 inches year round
    2. 20-30 inches year round

11. The log of formations encountered in the drilling of each well if available:
    Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Beatrice Vincent

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1961
Owner: Mary L. Mac Donald
Address: Sinay Co., Sec. 25, T. 13, R. 16
Contractor: None
Address of Contractor: None
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. A natural spring, that is, put in a tank, by means of a gravity pipe line.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. The spring makes 9 gal. per hr. measured in a bucket and lined. It is used from April until October.

Signature of Owner: Mary L. Mac Donald
Date: Dec. 11, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Roy J. Murphy, of Canyon Creek, County of Lewis and Clark, State of Montana,
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

- WELL 13°7'43"N 104°6'40"W: 1.6" X 16" X 30" irrigation, 2 acres of p.m. - Clinton

2. The beneficial use on which the claim is based:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 60" X 16" X 30" irrigation, 4.4 acres of p.m. - Clinton

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

8. The depth of water table:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other means for the withdrawal of groundwater:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

10. The estimated amount of groundwater withdrawn each year:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

11. The log of formations encountered in the drilling of each well if available:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

- WELL 13°7'43"N 104°6'40"W: 60' X 16' X 30" irrigation, 4.4 acres of p.m. - Clinton

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate to the Appropriator.
I hereby certify that the within instrument was filed in my office on the day of , year .

County of Lewis and Clark
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: (1) stock watering and (2) irrigation.

3. Date or approximate date of earliest beneficial use; and how continu- ous the use has been: (1) -- April, 1956 (2) April, 1954

4. The amount of groundwater claimed: (in miner's inches or gallons per minute) (1) 60 g.p.m. (2) 123 g.p.m.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of owner thereof: (1) 5 acres of lot 2, Sec. 7, T.12N, R.6W, (2) 2 acres of NW1/4 Sec. 7 - appropriators, natural pasture, wild hay.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: (1) enlarged, developed spring piped to 500 gal. tank. (2) Developed spring, piped to 500 gal. tank.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: (1) April, 1956 (2) April, 1954

8. The depth of water table: (1) 6 feet deep (2) about 6 feet deep

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 12" by 12", each

10. The estimated amount of groundwater withdrawn each year: (1) 17,280,000 gal. (2) 25,925,000 gal.

11. The log of formations encountered in the drilling of each well if available: not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: developed with dynamite in two-day period for each spring.

Date December 30, 1963

Signature of Owner

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Edward Grady
Address: Canyon Creek, Mont.

Driller: Walter Riddle
Address: Helena, Mont.

Date of Notice of appropriation of groundwater: April 1969
Date well started: August 1, 1969
Date completed: Aug. 5, 1969
Loc. No. 200728

Type of well: Churn Drill
Equipment used: Churn Drill
(Churn drill, rotary or other)
Water use: Domestic □ Municipal □ Stock □ Irrigation □ Industrial □ Drainage □ Other □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

WILLIAM M. & FRANCES FLEMING, as joint tenants, of Canyon Creek.

County of Lewis and Clark State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based—(1) 1/2 acre lawn and vegetable garden, watering of 100 head of cattle, (2) irrigation of grass, hay and alfalfa—20 acres.

2. Date or approximate date of earliest beneficial use; and how continuous the use has been. Well #1, 1902. Well #2, Sept. 1951. Continuous use.

3. The amount of groundwater claimed (in miner’s inches or gallons per minute). Well #1, 70 gals. per min. Well #2, 70 gals. per min.

4. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Artificially developed, ditching by 24 foot by 24 foot channel for 500 yards. (2) 2 in. centrifugal pump.

5. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Well #1, 1902. Well #2, construction begun July, 1961, completed Sept., 1961.

6. The type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well #1, well excavated 10 feet, boxed with 2 inch plank, 6 feet square. Diversion by 2 inch pipe 200 feet long.

7. The depth of water table. Surface. Well #2, nearly at surface.

8. The estimated amount of groundwater withdrawn each year. Well #1, 110 acre feet. Well #2, 100 acre feet.

9. The log of formations encountered in the drilling of each well if available. Well #1, not available. Well #2, 9 ft. of silt, 1 foot gravel.

10. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

STATE OF MONTANA  

County of Lewis and Clark

On this ___ day of ________, 1962, before me, the undersigned, a Notary Public for the State of Montana, personally appeared WILLIAM M. FLEMING and FRANCES FLEMING, husband and wife, known to me to be the persons whose names are subscribed to the within Declaration, and acknowledged to me that they, and each of them, executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my Notarial Seal the day and year in this certificate first above written.

(S E A L)

Notary Public for the State of Montana, 
Residing at Helena, Montana. My Commission expires August 1, 1964
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Arnold, L. Percy & Evelyn P., of 208 N. Montana, Helena
   (Name of Appropriator) (Address) (Town)
   County of Lewis & Clark, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:
      Irrigation & household

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      Two well, continuous since 1910

   4. The amount of groundwater claimed (in miner’s inches or gallons per minute):

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      Two acres

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      Pumps

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      Not recordable

   8. The depth of water table:
      20 ft

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      30 ft - dug and grouted

   10. The estimated amount of groundwater withdrawn each year:
      10 gallons per hour

   11. The log of formations encountered in the drilling of each well if available:
      Not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

2. The beneficial use on which the claim is based: Domestic consumption

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1955

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 60 gallons per minute - 24 hour use

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

- Driven well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Well drilled summer of 1955

8. The depth of water table: Approximately 75 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 3 inch casing

10. The estimated amount of groundwater withdrawn each year: 73,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

(Corporate Seal)  

Signature of Owner:  

By Vice President  

Its Secretary  

Date: February 1, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Gowel Beston
   (Name of Appropriator)
   of Marysville, Montana
   (Address)
   (Town)

2. The beneficial use on which the claim is based—domestic and irrigation of crops.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been—The original well was dug before 1800, use has been continuous ever since and well has been improved.

4. The amount of groundwater claimed (in miner's inches or gallons per minute)—20 miners inches, 12 hours a day—irrigation season, and 5 miners inches per day—during balance of year.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal—by both pump and gravity flow—well located on above-described property.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—original well dug before 1800, present well dug in 1937.

8. The depth of water table—6 to 12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater—present well is about 4 feet square, is cribbed up and is about 12 feet deep.

10. The estimated amount of groundwater withdrawn each year—55,020 miners inches

11. The log of formations encountered in the drilling of each well if available—None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record—None

Signature of Owner: Gowel Beston
Date: August 5, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. George Jackson, (Name of Appropriator) of, (Address) (Town)
   County of Lewis & Clark, (Address) (Town)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Household needs.

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been: Estimate earliest date 1905, continuous until 1927. Resumed 1945 and continuous thru 1963.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 150 Gallons per day.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and names of the owner thereof: Does not apply.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Hand pumping. Plan to install small electric household pump and pressure tank.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: As above - Estimate earliest date 1905.

   8. The depth of water table: About 20 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 48 x 48 x 35 feet.

   10. The estimated amount of groundwater withdrawn each year: 54,750.

   11. The log of formations encountered in the drilling of each well if available: Does not apply.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not on record.

   Signature of Owner: George Jackson

   Date: December 19, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. [Name of Appropriate] of [Address] in the County of [County] of the State of [State] have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.
I hereby certify that the within instrument was filed in my office on the 16th day of July, A.D. 19___, at ____, min. past ____ o'clock A.M. in the county of Lewis & Clark County, State of Montana.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator: Sherry D. Wade
   Address: Marysville
   Town: (Town)
   County: Tiber-Clark
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. Type of beneficial use on which the claim is based: Domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1886 to date

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 800 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Water Works

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Borehole

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1886

   8. The depth of water table: from Mountain side, Edwards Mountain (Sink)

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Edwards Mt. water, 30 ft. well, 200 gal. per min., 100 ft.

   10. The estimated amount of groundwater withdrawn each year: 650,000 gallons

   11. The leg of formations encountered in the drilling of each well if available: Edwards Mt., 30 ft. well, 200 gal. per min., 100 ft.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Date of survey, 5th line, 16

   Signature of Owner: Sherry D. Wade
   Date: 27 Nov. 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Henry L. Wade
   of Marysville
   (Address)
   County of Lewis & Clark
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1890, lot 1, blk 10
   1893, lot 1, blk 10

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 35 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   electric pump, lot 1, blk 10
   bucket and hand pump, sec 36, t.12,n.r.6e

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1890 and 1893

8. The depth of water table:
   about 20 feet on both wells

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 20,500 gallons

11. The log of formations encountered in the drilling of each well if available:
   both wells, no quantity drilled

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   not available

Signature of Owner: Henry L. Wade
Date: Dec 23, 1963

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appriopriator: [Name of Appriopriator]
   Address: [Address]
   Town: [Town]

   County of [County] State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - Domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - Some 1880 to 1900 to present date, that is 50 to 80 years in use for domestic household use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - From 4 wells and two parts of total: 120 gallons per minute, to 160 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Electric pumps and pipe lines

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - Varied, some wells dug in 1880 and some about 1900 and water drawn from springs in 1876. Latest pipe line built in 1943

8. The depth of water table:
   - About 20 feet at walls and surface at springs

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - 3 dug wells are 4 ft. x 4 ft. About 25 feet deep. Drilled well is used with 6" pipe about 50 feet deep.

10. The estimated amount of groundwater withdrawn each year:
    - 20 million gallons per year

11. The log of formations encountered in the drilling of each well if available:
    - Wells and springs are all in quartz diorite (commonly called granite) and are all located in the Marysville Batholith granite.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    - wells located Lot 1 Block 12, Lot 8, Block 9, all in Marysville. Springs, one on patented mill site 50 feet and one 150 feet west of Block 1 on old Kolar place in Marysville

   Signature of Owner: [Signature]
   Date: Mar 31, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

THOMAS E. WILLIAMS of MARYSVILLE

County of LEWIS AND CLARK State of MONTANA

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1946 - continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) All 25 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. Indicate point of appropriation and place of use, if possible

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1946

8. The depth of water table 45 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled well - 6" casing - forty five feet deep

10. The estimated amount of groundwater withdrawn each year Five Thousand Gallons

11. The log of formations encountered in the drilling of each well if available Granite

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date 6-27-62

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
