C. K. DALTON, being duly sworn, deposes and says:

My Father, Charles Edward Dalton, was in the business of gold mining during the years of 1886 to approximately 1902. He conducted this business on the patented mining claim known as the Illini Lode, Mineral Survey No. 6145A, in Section 27, Twp. 13 N., Rge. 9 W., M.P.M. During those years he and my Mother Flora Dalton lived in a cabin adjacent to both this mining claim and a spring which was their water supply. It was at this time that the spring was developed for use. It is for the use of the waters from this spring which I am now making application on the attached "Notice of Completion of Groundwater Appropriation without Well."

I have dated photographs of my Father and Mother taken at their cabin home adjacent to the said spring as supporting evidence of the early development of this spring.

That I am the survivor in interest of my father Charles E. Dalton who died in 1925 and of my mother Flora Dalton, who died in 1940 and have owned said lands since the death of my parents. My ownership was confirmed by a decree quieting title thereto entered June 2, 1953 in the District Court of Lewis & Clark County, No. 23627, C. K. Dalton, Plaintiff vs. Bright Gold Mining Company, et al. Defendants.

Subscribed and sworn to before me this 6th day of June, 1973.
