OFFICE OF STATE ENGINEER

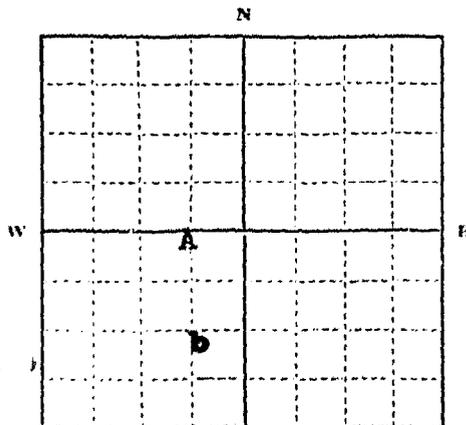

DEC 16 1964

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, Mrs. Lila Hicks, of Wolf Creek, Montana
(Name of Appropriator) (Address) (Town)

County of Lewis & Clark State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

"A" $ne\frac{1}{4}$ x $sw\frac{1}{4}$ Sec. 1
 $\frac{1}{4}$ Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

"B" $se\frac{1}{4}$ x $sw\frac{1}{4}$ Sec. 1

2. The beneficial use on which the claim is based water livestock
3. Date or approximate date of earliest beneficial use; and how continuous the use has been Continuously since 1880
4. The amount of groundwater claimed (in miner's inches or gallons per minute) "A" spring waters 200 cows.
Spring "B" waters 200 cows.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not applicable
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Free running springs. No development necessary to date.
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater not applicable
8. The depth of water table unknown
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater not applicable
10. The estimated amount of groundwater withdrawn each year impossible to estimate. See question No. 4.
11. The log of formations encountered in the drilling of each well if available not applicable
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record I have no other information available at this time.

Signature of Owner Mrs. Lila Hicks

Date Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

JAN 1964

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. CABRIN BROS. of RURAL ROUTE WOLF CREEK
(Name of Appropriator) (Address) (Town)

County of LOUIS & CLARK State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec. 6 T. 15 N R. 4 W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based. STOCK WATERING
- Date or approximate date of earliest beneficial use; and how continuous the use has been. USED CONTINUOUS SINCE 1898.
- The amount of groundwater claimed (in miner's inches or gallons per minute) AVERAGE YEAR - 5 TO 10 GAL PER MIN.
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. NOT USED.
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal UNDEVELOPED SPRINGS.
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. NOT APPLICABLE.
- The depth of water table. SURFACE SPRING.
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. NO DEVELOPMENT AT THIS TIME.
- The estimated amount of groundwater withdrawn each year. WATER FOR 75 COWS 6 MO. OF YEAR.
- The log of formations encountered in the drilling of each well if available. NOT APPLICABLE.
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. LISTED IN Co. RECORDS; EXACT BOOKS AND MAPS NOT KNOWN.

Signature of Owner

Shaw Cabrin
Date DEC. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. D. Michael Curran, of Wolf Creek
(Name of Appropriator) (Address) (Town)

County of L & C State of MONT
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 NE Sec. 24 T15N R. 4W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 6/1/57

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 50 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Casing + pipe to well flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 5/15/57 + 5/25/57

8. The depth of water table 68' to water 4' of aquifer

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater drilled, 6", 72'

10. The estimated amount of groundwater withdrawn each year Varies with use

11. The log of formations encountered in the drilling of each well if available 20' sand & gravel 20-25' clay + gravel 30-40' clay 65-72' fine gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner D. Michael Curran by T. C. Livingston
Date 12/29/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Arthur H. Mills, of Box 215, Augusta
(Name of Appropriator) (Address) (Town)
County of Lewis & Clark State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec 34 T. 15 N. R. 4 W.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based Household use and stock water
- Date or approximate date of earliest beneficial use; and how continuous the use has been Farm was homesteaded April 1, 1899. To my knowledge the water has been in continuous use since that time.
- The amount of groundwater claimed (in miner's inches or gallons per minute) A-20 gals, B-40 gals, C-40 gals, D-30 gals, E-50 gals per minute.
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof None
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal A, B, C, D are free flowing springs. E is a well with an electrical pump.
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Unknown
- The depth of water table Unknown
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater A, B, C, D are free flowing springs. E is an 1 1/2" sand point about 20 feet deep.
- The estimated amount of groundwater withdrawn each year 5,000,000 gals.
- The log of formations encountered in the drilling of each well if available Unknown
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner Arthur H. Mills
Date December 20, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
