STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator: ____________________________
   (Address): ______________________________________
   (Town): __________________
   County: __________________
   State of: __________________

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: ________________________________________________

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

8. The depth of water table:
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________
   ____________________________________________________________

10. The estimated amount of groundwater withdrawn each year:
    ____________________________________________________________
    ____________________________________________________________
    ____________________________________________________________
    ____________________________________________________________

11. The log of formations encountered in the drilling of each well if available:
    ____________________________________________________________
    ____________________________________________________________
    ____________________________________________________________
    ____________________________________________________________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    ____________________________________________________________
    ____________________________________________________________
    ____________________________________________________________
    ____________________________________________________________

Signature of Owner: ____________________________
Date: ____________________________

This form is to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

3620
Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Dec 30, 1963
Owner: Frank E. Witte
Address: Anaqua, Mont.
Contractor (if any): ORIS BROWN
Address of Contractor: Anaqua, Montana
Date Started: Dec 1, 1963 Date Completed: Dec 30, 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes": Include depth to water when applicable. Water levels were five ft. down - water for stock tanks through gravity plant - A.S.C.S.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use: Water used for stock - spring and fall seasons

Signature of Owner: Frank E. Witte
Date: Dec 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner: Mike A. Kroegelk Address: Augusta, Montana
Contractor (if any): Former owner
Address of Contractor

Date Started Date Completed 1964

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Spring developed - NE8 ST80 W14 - Boxed in bottom of draw,
Spring developed - NE8 ST80 W14 - All cemented and developed and piped to house,

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Gravity flow,

begins in 1/4" pipe and ends in 3/4" pipe at the house;
Boxed in spring is constant flow for stock water,

Signature of Owner: Mike A. Kroegelk
Date: May 17, 1964

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriate.

File No. 

Notice of Appropriation of Groundwater

Date of Notice of Appropriation of Groundwater: Aug. 7, 1963
Date Well Started: Aug. 7, 1963
Date Completed: Aug. 21, 1963

Type of Well: Drilled
Equipment Used: Drill
(dig, driven, bored or other)

Water Use: Domestic [ ] Municipal [ ] Stock [ ] Irrigation [ ]
Industrial [ ] Drainage [ ] Other [ ]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

<table>
<thead>
<tr>
<th>Size of Drilled Hole</th>
<th>Size and Weight of Casing</th>
<th>From (Feet)</th>
<th>To (Feet)</th>
<th>Kind of Well</th>
<th>From (Feet)</th>
<th>To (Feet)</th>
</tr>
</thead>
<tbody>
<tr>
<td>7'</td>

<td>48'</td>
<td>50'</td>
</tr>
</tbody>
</table>

Water raises about 10 feet in well.

Water issues from porous sandstone.

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

5658
Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, _______________________, of _______________________, (Name of Appropriator) (Address) (Town)
   County of _______________________, State of _______________________, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is: _______________________.
   (describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner's inches of groundwater claimed: _______________________.

4. The annual period (inclusive dates) of intended use: _______________________.

5. The probable or intended date of first beneficial use: _______________________.

6. The probable or intended date of commencement and completion of the well* or wells*: _______________________.

7. The location, type, size and depth of well or wells contemplated: _______________________.

8. The probable or estimated depth of the water table or artesian aquifer: _______________________.

9. Name, address and license number of the driller engaged: _______________________.

10. Give such other similar information as may be useful in carrying out the policy of this act: _______________________.

* As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. CLYDE PRESTON, of Box 224 AUGUSTA
   (Name of Appropriator) (Address)
   County of LEWIS & CLARK, State of MONTANA
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:
      Stock Water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      1870 - Continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute):
      30 g.p.m.

   5. If used for irrigation, give the acreage and description of the land on which water has been applied and name of the owner thereof:
      Not Used for Irrigation, although at least used in earlier times.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      Flowing Spring Located 1/2 mile from Preston & Westfield Ranches

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   8. The depth of water table:
      AT SPRING SITE

   9. If a record of depth shall be made, give the date and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      None

   10. The estimated amount of groundwater withdrawn each year:
       15,767,000

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to both records of said county records and the records of the State Engineer:
       Attic storage in the basement of creek pocket
       Flooded with Clam River 1/2 mile downstream

Signature of Owner: CLYDE PRESTON
Date: 12/26/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

### The Montana Power Company

- **Name of Appropriator:**
- **Address:** Room 80 East Broadway Butte
- **Town:**
- **County:** Lewis & Clark
- **State:** Montana

### Declaration

1. **Declaration of Appropriation:**
   - County of Lewis & Clark
   - State of Montana
   - Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. **The beneficial use on which the claim is based:**
   - Domestic consumption

3. **Date or approximate date of earliest beneficial use; and how continuous the use has been:**
   - Nov. 1950 - continuous to date

4. **The amount of groundwater claimed (in miner’s inches or gallons per minute):**
   - 10 gallons per minute - 24 hours per day

5. **If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:**

6. **The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:**
   - **Well**

7. **The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**
   - Nov. 1950 - Dec. 1950

8. **The depth of water table:**
   - 63 feet

9. **So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:**
   - **Drilled well** - total depth 90 feet, 5” casing set for 67 feet - 25 feet - 4” liner set on bottom

10. **The estimated amount of groundwater withdrawn each year:**
    - 170,000 gallons

11. **The log of formations encountered in the drilling of each well if available:**
    - **Bould 0-7 feet**
    - **Blue Clay 34-65 feet**
    - **Gravel 7-34 feet**
    - **Sandstone 65-90 feet**

12. **Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Clyde Preston
   (Name of Appropriator)
   of Box 224
   (Address) Augusta
   (Town)
   County of Lewis & Clark
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   STOCKWATER & HOUSEHOLD USE
   EMERGENCY FIRE FIGHTING

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1980 CONTINUOUS
   1953 CONTINUOUS

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   1820 - 250 G.P.M.
   1852 - 5 G.P.M.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   NOT USED FOR IRRIGATION

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   1820 - HANG PUMP & ELECTRIC PUMP, TOFT, NORTH
   1852 - ELECTRIC PUMP, UNDER HOUSE

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1880
   1952

8. The depth of water table:
   5 FT.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   1852 - HAND PUMP, ROCKED WALLS, 4 FT. DIAM - 16 FT. DEEP
   1852 - HANG PUMP, DRIVEN WALLS, 18 FT. 2 IN. DIAM

10. The estimated amount of groundwater withdrawn each year:
    1880 - 250,000 G.P.A.
    1952 - 154,750

11. The log of formations encountered in the drilling of each well if available:
    Not Available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    None

Signature of Owner:

Date: 12/24/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Register
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Earl E. Banka
   (Name of Appropriator)
   (Address)
   (Town)
   (State)
   (County)
   (County)
   (State of Montana)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Livestock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1950 = completely continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...
   3 gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...
   none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Spring box in hillside
   with two pipes leading out into a stock water tank

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...
   1910

8. The depth of water table...
   Free flowing spring

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...
   Rocked up spring box with a 1 inch and a 3/4 inch pipe leading therefrom

10. The estimated amount of groundwater withdrawn each year...
    157,000

11. The log of formations encountered in the drilling of each well if available...
    none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...
    none

Signature of Owner: Earl E. Banka
Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

DECLARATION OF VESTED GROUNDWATER RIGHTS

Under Chapter 237, Montana Session Laws, 1961

CLYDE PRESTON

Box 224

Augusta

Lewis and Clark County

Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: STOCKWATER C

2. Date or approximate date of earliest beneficial use, and how continuous: 1876 - CONTINUOUS

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 GPM

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

6. The estimated amount of groundwater withdrawn each year: 2,628,000 gallons

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1943

8. The depth of water table: UNK.

9. The log of formations encountered in the drilling of each well if available:

10. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: CLYDE PRESTON

Date: 12/31/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Prior to 1/1/20

Bahr & Hamilton
Owner: Cattle Co. Address: Simms, Montana

Contractor (if any):
Address of Contractor: Choteau, Montana

Date Started: 11/6/61 Date Completed: 11/6/61

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

1. Dug and pipe laid to tank

2. Water seeps to surface naturally and flows to reservoir

3. Water seeps to surface naturally

4. Water seeps to surface naturally

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent,
estimate approximate length of periods of use.

1. 2.5 gals per min. (estimated by flow into gal. can)
   (Estimated to be approx. same flow as spring 2)

2. 2.5 g.p.m.

3. 2.5 g.p.m.

4. 2.5 g.p.m.

Signature of Owner: Date: December 27, 1961

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1921)

1. Soap Creek Cattle Co. of Box 455, Augusta
   (Name of Appropiataot) (Address) (Town)
   County of Lewis and Clark, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1923, as follows:

2. The beneficial use on which the claim is based: Domestic
   Irrigation

3. Date or approximate date of earliest beneficial use: From 1870 To Date

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 21 Water on hand
   ceased listed

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   Lands listed on reverse.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pumps and Natural Flow
   Location: on reverse.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   From 1870 to 1923

8. The depth of water table: See Fig.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Not Available at Present Time

10. The estimated amount of groundwater withdrawn each year: Unknown

11. The log of formations encountered in the drilling of each well if available: Not Available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Soap Creek Cattle Co.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. NAME OF APPROPRIATOR: 
   (Name of Appropriator)

2. ADDRESS: 
   (Address)

3. TOWN: 
   (Town)

4. COUNTY OF: 
   (County)

5. STATE OF: 
   (State)

6. Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. THE BENEFICIAL USE ON WHICH THE CLAIM IS BASED: 
      (Specify use, e.g., domestic, irrigation, industrial)

   3. DATE OR APPROXIMATE DATE OF EARLIEST BENEFICIAL USE: 
      (Date or approximate date)

   4. THE AMOUNT OF GROUNDWATER CLAIMED: 
      (In miner's inches or gallons per minute)

   5. IF USED FOR IRRIGATION, GIVE THE ACREAGE AND DESCRIPTION OF THE LANDS TO WHICH WATER HAS BEEN APPLIED AND NAME OF THE OWNER THEREOF: 
      (Provide details)

   6. THE MEANS OF WITHDRAWING SUCH WATER FROM THE GROUND AND THE LOCATION OF EACH WELL OR OTHER MEANS OF WITHDRAWAL: 
      (Provide details)

   7. THE DATE OF COMMENCEMENT AND COMPLETION OF THE CONSTRUCTION OF THE WELL, WELLS, OR OTHER WORKS FOR WITHDRAWAL OF GROUNDWATER: 
      (Dates)

   8. THE DEPTH OF WATER TABLE: 
      (Depth in feet)

   9. SO FAR AS IT MAY BE AVAILABLE, THE TYPE, SIZE, AND DEPTH OF EACH WELL OR THE GENERAL SPECIFICATIONS OF ANY OTHER WORKS FOR THE WITHDRAWAL OF GROUNDWATER: 
      (Provide details)

   10. THE ESTIMATED AMOUNT OF GROUNDWATER WITHDRAWN EACH YEAR: 
      (Amount)

   11. THE LOG OF FORMATIONS ENCOUNTERED IN THE DRILLING OF EACH WELL IF AVAILABLE: 
      (Provide details)

   12. SUCH OTHER INFORMATION OF A SIMILAR NATURE AS MAY BE USEFUL IN CARRYING OUT THE POLICY OF THIS ACT, INCLUDING REFERENCE TO BOOK AND PAGE OF ANY COUNTY RECORD: 
      (Provide details)

Signature of Owner: 

Date: 

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. R. Grace Cateley        of       Augustus
   (Name of Appropriator)       (Address)       (Town)

   County of Lewis and Clark    State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based........ Livestock Water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been... 1887, completely continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)... 10 gallons per min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof none.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... gravity flow spring

   7. The date of commencement and completion of the construction of the well, walls, or other works for withdrawal of groundwater... none.

   8. The depth of water table... flowing spring

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... none.

   10. The estimated amount of groundwater withdrawn each year... 523,600 gallons.

   11. The log of formations encountered in the drilling of each well if available... none.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record... none.

   Signature of Owner...

   Date: December 24, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Sarah Ann Miller, formerly Sarah Ann Chisholm, Augusta (Name of Appropriator)
   (Address) (Town)

   County of Lewis & Clark, State of Montana (County) (State)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:

      Livestock Water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1950, completely continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 3 gallons

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

     =None

   6. The means of withdrawing each water from the ground and the location of each well or other means of withdrawal:

      24 inch Caliulized culvert: 150 ft from plastic pipe to water tank

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

      Sept. 1963

   8. The depth of water table: 1 foot below ground

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

      None

10. The estimated amount of groundwater withdrawn each year: 253,000

11. The log of formations encountered in the drilling of each well if available:

      None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

      None

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 24 December 1963

Owner: HATTIE L. HELSINGER  Address: AUSTIN, MONTANA

Contractor (if any): NONE
Address of Contractor: none

Date Started: NONE  Date Completed: NONE

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
to water when applicable.

MATERIAL

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent,
estimate approximate lengths of periods of use.

These are undeveloped springs that flow about 1 gal.
per min. each the year around and are used for stock
water at different times through out the year.

Signature of Owner: HATTIE L. HELSINGER
Date: 24 December 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and R. W. number; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
