have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: *residence and stock*

3. Date or approximate date of earliest beneficial use; and how continuously the use has been *1852 - used continuously*

4. The amount of groundwater claimed (in miner's inches or gallons per minute) *all claimed, approximately 10 gallons per minute*

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: *Not used for irrigation*

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: *Electric pump*

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: *not used - 1852 - 1857*

8. The depth of water table: *100 feet*

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: *drilled well, 6 inch casing, 150 feet deep, 110,000 gallons*

10. The estimated amount of groundwater withdrawn each year: *unknown*

11. The log of formations encountered in the drilling of each well if available: *none*

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: *none*

Signature of Owner: **Albert Dobler**

Date: **January 28, 1962**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
