STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Name of Appropriator: R. E. Moffitt
   Address: Chester, Montana
   Town: (Address)
   State: (Town)

   County of Liberty
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Farm Use

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1956

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Only pumps about 30 gallons per day.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump Jack with sucker rods

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1956

   8. The depth of water table: 100 Feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 5 Inch hole with 2 inch pipe

   10. The estimated amount of groundwater withdrawn each year: 12,000 Gallons per year

   11. The log of formations encountered in the drilling of each well if available: Not Available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Was Drilled by Sisemograph rig

   Signature of Owner: R. E. Moffitt
   Date: 2/4/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

STATE ENGINEER

1. R. E. Moffitt, of Chester, Montana
   (Name of Appropriator) (Address) (Town)
   County of Liberty State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Farm Use

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1916

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 Gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 6 ft. by 6 ft., 21 feet deep

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1916

   8. The depth of water table: 5 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6 ft. x 6 ft. x 21 feet

   10. The estimated amount of groundwater withdrawn each year: Not used past few years

   11. The log of formations encountered in the drilling of each well if available: Located in Sandstone

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: R. E. Moffitt

   Date: 2/4/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 2/4/63

Owner: R. E. Moffitt  Address: Chester, Montana

Contractor (if any): None

Address of Contractor: _____________________________

Date Started: _____________________________ Date Completed: _____________________________

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable: Native Spring

__________________________________________________________

__________________________________________________________

__________________________________________________________

__________________________________________________________

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use: Have watered 50 head of cattle from spring on various occasions.

__________________________________________________________

__________________________________________________________

__________________________________________________________

__________________________________________________________

Signature of Owner: R. E. Moffitt  Date: 2/4/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; TriPLICATE to the School of Mines and Quadruplicate for the Appropriator.

13. Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk & Recorder. duplicate to the State Engineer. triplicate to the Montana Bureau of Mines & Geology and quadruplicate for the Approp rator.
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: James Pettapiace  Address: Chester, Montana

Driller: Harden Brothers  Address: Chester, Montana

Date of Notice of Appropriation of Groundwater: Nov. 20, 1963
Date well started: Nov. 13, 1963  Date Completed: Nov. 20, 1963

Type of well: Dug  Equipment Used: Backhoe
(dug, driven, bored or drilled)

Water Use: Domestic  Municipal  Other  Irrigation
Industrial  Drainage  Stock

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing Well: 15 ft.
Shut-in Pressure for Flowing Well
Pumping Water Level: 19 ft.  feet at 200 gal. per
Discharge in gal. per min. of flowing well

How Tested: bailing  Length of Test: 2 hrs

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation). No Irrigation

Driller’s License Number
Driller’s Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
