W

Indicate point of appropriation

Signature of Owner

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Roy M. & Edward Newton, of Box 61, Tangy
   (Name of Appropriator) (Address) (Town)

   County of Lincoln, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based—irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been—1/1/45

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...10miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—1/1/45

8. The depth of water table—variable from 1 to 6 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year—Unknown, though all is needed during dry summer season

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Roy M. & Edward Newton
Date: 7/30/64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

Under Chapter 237, Montana Session Laws, 1961

J. R. and Leona M. Devise of Box 596, Tray

Lincoln

Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Household, garden, lawn, barn, guest house, and water for cattle, horses, etc.

2. Date or approximate date of earliest beneficial use: 1940 - continuous

3. The amount of groundwater claim: 50 gallons per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied: Three acres of wild hay land

5. The means of withdrawing such water from the ground and the location of each well or other works for withdrawal: Spring to 1000 gallon tank and then to various outlets

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1940

7. Indicate point of appropriation and place of use, if possible: SW, NW, NW, Sec. 22 T.32 R.34

8. The depth of water table: not determined

9. The log of formations encountered in the drilling of each well if available: not applicable

10. The estimated amount of groundwater withdrawn each year: about 1000,000 gallons

11. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1940

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not applicable

Signature of Owner: J. R. Devise
Date: April 12, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: July 1, 1940

Owner: William and Ruth Jones
Address: Troy, Montana

Contractor (if any): none

Address of Contractor:

Date Started: July 1, 1940
Date Completed: July 1, 1940

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use estimated and used. Based on capacity of system.

Signature of Owner:

Date:

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I, Roy D. Mellingworth

of P.O. Box 463

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: HOME, RANCH, IRRIGATION, GARDEN

3. Date of earliest beneficial use, and how continuous the use has been: APRIL 25, 1960

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 THOUSAND

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, or other works for withdrawal of groundwater.

8. The depth of water table: 38 FT. ABOVE TO WATER

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 5000 GAL. FOR FENCE

11. The log of formations encountered in the drilling of each well: [Log information]

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Roy D. Mellingworth

Date: APRIL 25, 1966

Three copies to be filed by the owner with the Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

S. P. M. Kudlay, of Lot 335, Town
County of Lincoln, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   3. Date or approximate date of earliest beneficial use, and how continuous the use has been:
   4. The amount of groundwater claimed (in miner's inches or gallons per minute): at least 10 gpm per minute
   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric

7. The date of commence ment and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   8. The depth of water table:
   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: about 1,306,000 gallons per year

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: S. P. M. Kudlay
Date: 12/4/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
