**Declaration of Vested Groundwater Rights**

(Under Chapter 287, Montana Session Laws, 1961)

---

**1. Richard Popalka**
- **(Name of Appropriator)**
- **832 Lake Elmo Drive**
- **Billings**
- **(Address)**
- **(Town)**

**County of Yellowstone**
- **State of Montana**

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

---

2. The beneficial use on which the claim is based
   - **Domestic and commercial**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   - **May 1958**
   - **Used Continuously**

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   - **6 gal per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   - **None at present**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   - **Pump**

---

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   - **May 1958**

8. The depth of water table
   - **20 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   - **Drilled, 24 inch, 30 feet**

---

10. The estimated amount of groundwater withdrawn each year
    - **Approx. 50,000**

11. The log of formations encountered in the drilling of each well if available
    - **Not available**

---

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    - **Not available**

---

**Signature of Owner**

(Not available)

**Date**

---

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Logan J. Edna B. Kingston, of 1310 Avenue E, Billings County of Yellowstone, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

June 12, 1957

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

10 gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

8 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

June 10, 1957

8. The depth of water table

Drilled down 22 feet, filled to within 2 feet of top of well

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

Drilled with sand point

10. The estimated amount of groundwater withdrawn each year

5,000 gallons

11. The log of formations encountered in the drilling of each well if available

 Clay and gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Logan J. Kingston

Date

June 18, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

# Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. **Joseph L. Beland**
   - (Name of Appropriator)
   - 1016 Ave C
   - Billings (City)
   - *County of Montana* (State)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   **2. The beneficial use on which the claim is based**: Irrigation

   **3. Date or approximate date of earliest beneficial use; and how continuous the use has been**: 1/20/55, Continuous Use

   **4. The amount of groundwater claimed (in miner's inches or gallons per minute)**: 0.50

   **5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof**: 20 acres, 100 acres, John Smith

   **6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal**: Pump

   **7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater**: 7/3/55

   **8. The depth of water table**: 24 feet

   **9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater**: 5 in., operated, 24 feet deep

   **10. The estimated amount of groundwater withdrawn each year**: 6,500,000 gal

   **11. The log of formations encountered in the drilling of each well if available**: 1st 10 feet limestone, 2nd 10 feet sand

   **12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record**: Book 3, Vol. 8, Page 412

---

**Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.**

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL

Developed after January 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

   (Address)

County of Yellowstone
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Well since 1953

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   50.0

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   [Additional information]

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   [Additional information]

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1953

8. The depth of water table:
   10 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   [Additional information]

10. The estimated amount of groundwater withdrawn each year:
   200,000 gallons

11. The log of formations encountered in the drilling of each well if available:
   [Additional information]

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   [Additional information]

(Under Chapter 237, Montana Session Laws, 1961)

1. Charles Edward Martin
   (Name of Appropriator)
   of 1408 12th St. W., Billings
   (Address)
   County of Yellowstone
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based

   Irrigation

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1950
   Used every season

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   10 gpm

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   about 1 acre, Lots 9 thru 27, and 28, Curtis Subdivision, Charles E. Martin

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Electric pumps on underground electric feed line from residence, underground pipes. Well at west end of Lot 13 and 14.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   about 1950

   8. The depth of water table
   9 ft

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Well dug to 8 ft. then two 4 inch pipes driven to 20 ft

   10. The estimated amount of groundwater withdrawn each year
   650,000 gallons per year

   11. The log of formations encountered in the drilling of each well if available
   Gravel choly
