STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Howard E. March
   (Name of Appropriator) of Box 21, Harrison
   (Address) (Town)

County of Madison
(State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Livestock
   and garden.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1960 — daily.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): About 75 gallons daily.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Used only for livestock and garden.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Sandpump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 1960.

8. The depth of water table: 3 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Sandpump.

10. The estimated amount of groundwater withdrawn each year: 28,375 gallons.

11. The log of formations encountered in the drilling of each well if available: None.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner:

Date: 12-12-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Albert & Hulda Schlichtig, of Harrison
(Name of Appropriator) (Address) (Town)
County of Madison State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based:
   garden irrigation

2. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1943

3. The amount of groundwater claimed (in miner's inches or gallons per minute):
   20 gal per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   small garden spot about 1 acre

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   electric pump

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1943

7. The depth of water table:
   6 feet

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   about 5 feet deep, dug well, 1 inch draw pipe

9. The estimated amount of groundwater withdrawn each year:
   50,000 gal

10. The log of formations encountered in the drilling of each well if available:

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   well located on lot 43 or 44 Block 9 Bridges Add to Townsite of
   Harrison Madison County, Montana

Signature of Owner: Albert Schlichtig
Date: December 30, 1963

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

1. Arthur W. Visser, of Butte, Montana
   (Name of Appropriator)
   (Address)
   (Town)
   County of Madison, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household, Livestock, Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. No continuous years
   Have known before that

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 25 inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   0 ACRES: LAWN AND GARDEN
   OWNER: ARTHUR W. VISser

6. Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   30 years ago. That I know of and before. That I didn't know how many years.

8. The depth of water table. 60 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   Drilled Well - 5' Inca Casing
   30 ft deep.

10. The estimated amount of groundwater withdrawn each year. 1572,000 gallons.

11. The log of formations encountered in the drilling of each well if available. Unavailable.
   We don't know who drilled the well.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Unavailable.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. J.R. Martin or Jessie Martin, of Harrison, Madison County, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household use and lawn irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Aprox 1912 and has been in continuous use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Aprox 15 gal. per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Let's, 20, 21, 22, 23, 24; Block 7; Bridges Addition, Townsite of Harrison.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Aprox 1912 date unknown

8. The depth of water table: 65 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Electric pump 6" casing 65 feet deep.

10. The estimated amount of groundwater withdrawn each year: Aprox 100,000 gal. per year.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No information available. Located in Block 20 & 21 Bridges Addition, townsite of Harrison, Montana.

Signature of Owner: John R. Martin

Office of State Engineer

Of Vested Groundwater Rights
Chapter 237, Montana Session Laws, 1961)

1. Donald A. Smith, County of H and State of Montana, have appropriated groundwater according to the Montana law in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Irrigation & Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1986 Used continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
100 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and maps of the owner's grant on file in the county recorder's office:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
Gravity flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1966

8. The depth of water table: 20 feet

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 5,560,000 gallons

11. The log of formations encountered in the drilling of each well if available: None available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Donald A. Smith
Date: Dec. 27, 1963

STATE OF MONTANA
COUNTY OF SILVER BOW

Donald A. Smith, having first been duly sworn, deposes and says: that he is of lawful age and is the appropriator and claimant of the order and water right mentioned in the foregoing declaration of vested groundwater rights and the person whose name is subscribed thereto, as the appropriator and claimant, that he knows the contents of said foregoing notice and that the matters and things therein stated are true.

Subscribed and sworn to before me, this 31st day of December, 1963.

Note: public for the State of Montana, residing at Missoula, Montana.

Seidensticker Ranch Inc. of Twin Bridges

County of Madison State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name, of Appraiser (Address) (Town)

2. The beneficial use on which the claim is based: Livestock

3. Date or approximate date of earliest beneficial use: 1870

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 4 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not Applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring, capped off; 40 ft. basin constructed, water piped to trough.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Spring developed in 1959.

8. The depth of water table: Gravity flow - continuous, surface water

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Water source, water than stock watering through trough - water source, pipe, and catch basin covered.

10. The estimated amount of groundwater withdrawn each year: Continuous, year around flow, 4 gal/min.

11. The log of formations encountered in the drilling of each well if available: Not Applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Spring known as Section 5 Spring.

[57 Steele's Pass Spring]
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Original October 12, 1937

Owner: Thomas D. Holt
Address: Twin Bridges, Montana

Contractor (if any): Name
Address of Contractor

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. This filing is complimentary to the appropriation of 30-inch diameter of water from the Steele Pass Spring Creek by Horst H. Piestor on October 12, 1937, which is recorded in Madison County Records Book 20, page 92.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Thirty inches of water was taken from the north bank of Steele Pass Spring Creek at a point about 4 mile from the mouth of Steele Pass and taken by means of a ditch 12 inch by 12 inches to the south east quarter of Section 17, Twp. 2 South, Range 7 West.

Signature of Owner: Thomas D. Holt
Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Approprirator.

1. Said water was appropriated for use on the south east quarter of section 17, Twp. 2 South Range 7 West which is now owned by Thomas D. and Georgene O. Holt.

2. Section 17, Twp. 2 South, Range 7 West. Said water is now used for stock watering in open range condition with Taylor Grazing permit and private land.

3. Town: Madison
4. County: Madison
5. State: Montana

1. Description of Water Right:
2. The beneficial use on which the claim is based: Livestock Use
3. Date or approximate date of earliest beneficial use: not applicable
4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: not applicable
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring developed 1859
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: not applicable
8. The depth of water table: gravity flow - continuous surface water
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: water source exposed, water than concentrated into catch basin - water pipe into stock watering trough - water source basin pipe - pipe count
10. The estimated amount of groundwater withdrawn each year: 6 gallons per minute
11. The log of formations encountered in the drilling of each well if available: not applicable
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: known as John Bush Spring

Signed by an authorized person: Seidensticker Ranch Inc
Date: Oct 28, 1963

These copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: December 20, 1963

Owner: Thomas D. Holt
Address: Twin Bridges, Montana

Contractor (if any) — None

Address of Contractor

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Natural Process

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Springs

have been used for stock watering for the past 16
years by Thomas D. Holt and by V. B. Custin for a
number of years before. Cattle run on this ground
along with Taylor Grazing from June 16 to October 31
of every year. Thomas D. Holt

Signature of Owner:

Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for USE.
