**Location:** Sec. 27, T. 15 R. 5 W., 1/4 sec. All West Half SE 1/4

**Type of well:** Sump - Dug

**Equipment used:** Shovel - Drag Line

**Water use:** Stock ✔

**Casing:**
- From ft. to ft. Type: 4
- From ft. to ft. Type: 3

**Perforated or Screened:** From ft. to ft. Type: 1

**Type of screen or perforations:**

**Static Water level, for non-flowing well:** feet.

**Shut-in pressure, for flowing well:** 15 lb./sq. in. on: (date)

**Pumping water level:** 1365 feet at 15 feet

**How tested:** Purma Water Lifter No. 6

**Used since:** 1944

**Remarks:** (Gravel packing, cementing, packers, type of shut-off, depth of shut-off)

- Sump size: 25' x 50'

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Sylvan & Emily Latey, of Waterloo, (Name of Appropriator) (Address) (Town)
County of Madison, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household, lawn and flowers.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1943.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gal per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1943.

8. The depth of water table: 9 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 34 feet deep, drilled well, 1 inch pipe for drain.

10. The estimated amount of groundwater withdrawn each year: 30,000 gal.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Sylvan, Emily Latey
Date: December 30, 1963

By: Breallen Latey

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

County Recorder

By Deputy
Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, FRANK WISE, of WATERLOO, MONT., County of MADISON, State of MONTANA, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is Domestic Use.

3. The rate of use in gallons per minute or miner's inches of groundwater claimed.

4. The annual period (inclusive dates) of intended use.

5. The probable or intended date of first beneficial use.

6. The probable or intended date of commencement and completion of the well or wells.

7. The location, type, size and depth of well or wells contemplated.

8. The probable or estimated depth of the water table or artesian aquifer.

9. Name, address and license number of the driller engaged.

10. Give such other similar information as may be useful.

As defined in the Code Sec. 1 (c) “Well” means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

1969
RECORDS OFFICE, 1
Madison County, Montana.

Filed: Dec. 31, 1863.

By: County Recorder

Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Earl O. and Virginia H. Watts of Waterloo
County of Madison, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based — for domestic, irrigation, and stock tank.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since March 1959, when purchased, and many years before that time of time not continuous.

4. The amount of groundwater claimed (in miner's patches or gallons per minute) — 50 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal is well.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table — from 17 ft. to 31 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater — 1-1/2 in. diameter, 30 ft. deep, 1-1/2 size casing, 1-1/2 in. diameter, Inside foil sheath pipe, pumps.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Earl O. Watts
Date: June 13, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Louis Kountz
   (Name of Appropriator)
   of Whitehall
   (Address)
   (Town)

County of Madison
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been Used continuously since 1880

4. The amount of groundwater claimed (in miner's inches or gallons per minute) All 3 springs flow approximately 3 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Natural flow - dug out & piped to troughs

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. All 3 springs dug and developed variously since 1925

8. The depth of water table Springs rise to surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. (1) Dug out, 15" pipe to 300 gallon trough; (2) Dug out 15" pipe to 300 gallon trough; (3) Dug out, 15" pipe to 300 gallon trough

10. The estimated amount of groundwater withdrawn each year 1,000,000 gallons

11. The log of formations encountered in the drilling of each well if available Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Louis Kountz
Date December 28, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1963)

1. Carl Henrich, of Waterloo, Madison County, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: watering stock and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1951

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 Gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: with windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1951

8. The depth of water table: 50

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 150,000 Gal

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Carl Henrich
Date: December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.
