STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Seidensticker Ranch, Inc., of Twin Bridges
   (Name of Appropriator) (Address) (Town)

   County of Madison State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Livestock water

   3. Date or approximate date of earliest beneficial use; and how continuous, the use has been, 1870 - Continuous to date by livestock owned by the Seidensticker Ranch

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring, occluded and compacted catch basin, constructed water pipe to trough

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Spring improved in 1953

   8. The depth of water table: Natural spring, surface water

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Water source exposed, water than concentrated into cemented rock catch basin, water piped into stock watering trough. Water source, pipe, basin all covered

   10. The estimated amount of groundwater withdrawn each year: Continuous year-long flow

   11. The log of formations encountered in the drilling of each well if available: Not applicable

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Known as West Slit Spring, Continuous use by livestock since 1870

   [Signature of Applicant]

   Date: Oct 15, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: March, 1947.

Owner: Eugene Holt
Address: Silver Star.

Contractor (if any): None
Address of Contractor: None

Date Started: None
Date Completed: None

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable: Running Spring.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

A - 150 Gal. per hour - estimated.
Used May to December.

B - 100 Gal. per hour - estimated.
Used May to December.

Signature of Owner: Eugene Holt
Date: Dec. 25, 1963.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.
# Notice of Completion of Groundwater Appropriation Without Well

**Developed After January 1, 1962**

(Under Chapter 237 Montana Session Laws, 1961)

**Date of Appropriation of Groundwater:** 1936

**Owner:** [Owner's Name]

**Address:** [Address]

**Contractor (if any):** [Contractor's Name]

**Address of Contractor:** [Address]

**Date Started:** 1936 **Date Completed:** 1936

1) Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.).

2) Means of withdrawing water (gravity, pump, canal, etc.)

3) Depth of water table

4) Use of the water

5) Amount of groundwater claimed (in minor's inches, or gallons per minute). 1 gallon per minute

6) If used for irrigation, give number of acres and description of land...not applicable

7) Estimate amount of water used each year: 60,000 gallons

**Signature of Owner:** [Signature]

**Acting District Ranger:** [Signature] **Date:** 11/15/61

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater Form No. - filed to establish date.

Owner: E. W. Schmidt Address: Silver Star, Montana

Contractor (if any): Not applicable

Address of Contractor: Not applicable

Date Started: Not applicable Date Completed: Not applicable

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. This water source is a natural spring with opening at ground surface.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. I claim the entire output of this spring. It is in use the year-round as a source of water for livestock.

Signature of Owner: E. W. Schmidt

Date: December 28, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, E. W. Schmidt, of Silver Star, Madison County, Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is: Water supply for livestock.

3. The rate of use in gallons per minute or miner's inches of groundwater claimed: 1.

4. The annual period (inclusive dates) of intended use: Year around usage.

5. The probable or intended date of first beneficial use: This land was filed on by Arno Hjelmstad about 1916 under the Homestead Act. My mother purchased this property.

6. The probable or intended date of commencement and completion of the well or wells: I shall improve this spring this coming summer (1964).

7. The location, type, size and depth of well or wells contemplated: Natural spring.

8. The probable or estimated depth of the water table or artesian aquifer: Natural spring.

9. Name, address and license number of the driller engaged: Not applicable.

10. Give such other similar information as may be useful in carrying out the policy of this act: All necessary information has already been included.

As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; TriPLICATE to the School of Mines and Quadruplicate for the Appropriate.

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

I, N. W. Schmidt, of Silver Star, Madison County, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

The beneficial use to which water is to be applied is watering of livestock, household, and irrigation of hay fields, orchard and gardens.

The rate of use in gallons per minute or miner's inches of groundwater is

The annual period (inclusive dates) of intended use is spring, summer, fall.

The probable or intended date of first beneficial use was May 1, 1890, and it has been used continuously since.

I plan to further improve these springs this coming summer (1964).

The location, type, size and depth of well or wells contemplated are

The probable or estimated depth of the water table or artesian aquifer is

Name, address and license number of the driller engaged is

Give such other similar information as may be useful in carrying out the policy of this act. This water and this property has been owned by my parents, then my brothers and myself since 1890. Through options and purchase I am now sole owner.

As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Signature of Appropriator:

Date:

Locate well or other means of development as accurately as possible on the plat.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Donald A. Foulke
of Whitfield
(Address)
County of Madison
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Field water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1900-1949

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   100 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and the name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pump under house

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   I don't know

8. The depth of water table:
   3 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

Cement and rock casing
and running spring water

10. The estimated amount of groundwater withdrawn each year:
    5,000 gal

11. The log of formations encountered in the drilling of each well if available:
    I don't know

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    I don't know

Signature of Owner:

Donald A. Foulke

Date: Dec. 31-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Clarence C. Anderson

County of Madison
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based

2. Date or approximate date of earliest beneficial use; and how continuous the use has been

3. The amount of groundwater claimed (in miner's inches or gallons per minute)

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

7. The depth of water table

8. The type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

9. The estimated amount of groundwater withdrawn each year

10. The log of formations encountered in the drilling of each well if available

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Clarence Anderson

Date: Dec 20, 1968

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Ronald H. Hurd
Address: Whitewall, Mont.

Driller: Wesley Lindsey
Address: Chino, Mont.

Date of Notice of Appropriation of Groundwater: Nov. 14, 1966
Date well started: Nov. 14, 1966
Date completed: Nov. 15, 1966

Type of well: Drilled
Equipment Used: Chime
(Chim, drill, rotary or other)

Water Use: Domestic □ Municipal □ Other □ Irrigation □
Industrial □ Drainage □ Stock □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

BY MEANS OF WELL

43068
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Herman K. Baechler
   (Name of Appropriator)
   of
   (Address)
   (Town)

County of Madison
State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic, garden, crop irrigation and such

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Previous to 1935 when I purchased land and use has been continuous ever since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 7.50 gms. per day

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Not known

8. The depth of water table: 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   (I.25) Thirty five feet deep well, 6 inch casing

10. The estimated amount of groundwater withdrawn each year: 370,000 gals.

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not applicable

Signature of Owner: Herman K. Baechler
Date: Dec. 3, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

HERMAN K. BOEDEKER of WATERLOO
(Name of Appropriator) (Address) (Town)
County of MADISON State of MONTANA

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: stock water

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: previous to 1935 when I purchased ranch; use has been continuous ever since, and for many years previously

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 1,500 gallons per day

4. If used for irrigation, the acreage and description of the lands to which water has been applied: electric pump

5. Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres:
