Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Ward Thompson, of Sand's (Name of Appropriator) (Address) (Town)
    County of Madison, State of Montana (County) (State) have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is for stock water.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been on all of them and continuously ever since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 3 gallons per minute on each of the four springs.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1912.

8. The depth of water table: Don't know.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: spring.

10. The estimated amount of groundwater withdrawn each year: 3 gallons per minute year around from each spring.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Ward Thompson

Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER  

Notice of Completion of Groundwater Appropriation Without Well  
(Under Chapter 237 Montana Session Laws, 1961)  

Date of Appropriation of Groundwater: 1915  

Owner: Northern Pacific Railway Co.  
Address: St. Paul, Minn.  

Contractor (if any): —  
Address of Contractor: —  

Date Started: —  Date Completed: —  

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Two springs, used since 1915.  

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Two springs in NW1/4, each flowing one gallon per minute.  

Northern Pacific Railway Company  
Signature of Owner: By Thomas J. Hallahan  
Ass't Supervisor, Grst. & Cult.  
Date: Dec. 26, 1963  

This form to be prepared by contractor (if any), otherwise by the owner.  

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.  

Please answer all questions. If not applicable, so state, otherwise the form will be returned.  

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 297 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: Mary J. Jaffers
Address: Jaffers

Contractor (if any): None

Address of Contractor: None

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate annual or other periods of use.

Signature of Owner: Mary J. Jaffers
Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

(Name of Appropriator) (Address) (Town)

County of Madison State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Household and stock in town of Jefferson

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   Started since 1910

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   Full

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   Land (100 acres)

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Deep well pump (2 pumps)

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1910

8. The depth of water table
   80 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Drilled well, 85 ft, deep 7 in casing

10. The estimated amount of groundwater withdrawn each year
    360,000 gal

11. The log of formations encountered in the drilling of each well if available
    Don't know

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Jeffers, Montana.

Zora Ellen Armstrong, of
Madison County, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator (Address) (Town)

2. The beneficial use on which the claim is based
   Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1940—Not used

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   Not used

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   Not used

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Not used at present

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1933

8. The depth of water table
   6 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   12 inch casing

10. The estimated amount of groundwater withdrawn each year
    None at present

11. The log of formations encountered in the drilling of each well if available
    Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    None

Signature of Owner
Zora Ellen Armstrong
Date
January 7, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Carpenter
Edward J. Carpenter and Edna W., of Eonie, Montana

(Name of Appropriator) (Address) (Town)

County of Madison State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Yard-Irrigation and Dwelling

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 9 years Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 160,000 inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 1 acre

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1954

8. The depth of water table: 30 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 4 inches

10. The estimated amount of groundwater withdrawn each year: 150,000

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Edward J. Carpenter

Date: Dec 20, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. The undersigned, Ruth B. Walker, of Jefferson, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Greenhouse, garden, lawn irrigation, household.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: Jan. 1957, intermittent.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 2.5 gal. per minute. Insufficient data for calculation.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 12 acres, unknown, owner unknown.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Drilled well, 91 ft. casing.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Jan. 1957.

8. The depth of water table: 111 ft.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well, 91 ft. casing.

10. The estimated amount of groundwater withdrawn each year: 50,000 gal.

11. The log of formations encountered in the drilling of each well if available: Clay and gravel.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: County record books 39, line 2.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Denny Wonder & Helen Wonder, of Jefferson, Montana

County of Madison
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Yard and Garden Irrigation

3. Date or approximate date of earliest beneficial use: and how continuous the use has been Five Years continuous in summer

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 200, 000

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. 5 Acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Do not know. Over 35 years

8. The depth of water table: Think 25 or 30 ft. Do not know for sure

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6-in steel casing

10. The estimated amount of groundwater withdrawn each year: Do not know

11. The log of formations encountered in the drilling of each well if available: Steel casing

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

(Under Chapter 237, Montana Session Laws, 1961)

1. Chas. A. Armitage, of Ennis, (Address) (Town)
County of Madison State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Domestic, Stock and Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1910, continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...40 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   10 acres and used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Electric Jet Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1910 redrilled in 1938

8. The depth of water table
   16 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   38 ft 4 incasing

10. The estimated amount of groundwater withdrawn each year
    150,000 gallons

11. The log of formations encountered in the drilling of each well if available
    not available

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Clarice D. Nelson of Ennis, Montana
   (Name of Appropriator) (Address)

   County of Madison State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Domestic and farm irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1897—continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 20—gal. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   more of land owned by appropriator
   Lots described below

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   electri-cal-pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1897

8. The depth of water table
   12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   c. Iron casing on top of rock well

10. The estimated amount of groundwater withdrawn each year
    100,000 gal per yr.

11. The log of formations encountered in the drilling of each well if available
    not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    Waters taken on Lot 21 Block 2 Ennis Original Townsite and used
    on Lot 18 of said block and Lots 10-11-12-13,14-15 Block 2 Ennis Addition to Town of Ennis, Madison County, Montana

   Signature of Owner: Clarice Nelson
   Date: Dec. 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I, School District No. 52, of Ennis, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. School District No. 52, of Ennis, Montana
   (Name of Appropriator) (Address) (Town)

2. The beneficial use on which the claim is based: for lawn and athletic field irrigation, and
   domestic use when necessary for production.

3. Date or approximate date of earliest beneficial use of groundwater:
   well completed and pump set on
   Tuesday, March 17, 1953, and has been used
   right along ever since during regular school
   term; and thru summer for lawn irrigation.

4. The amount of groundwater claimed (in inches or gallons
   pump rate) 60 gallons per minute. Well capable
   of producing 90 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands
   on which water has been applied:
   ApproX. 4 to 5 acres of baseball field, lawns,
   and ground around school buildings of School
   Dist. 52, of Ennis, Montana, as appears of record
   in the Clerk & Recorders Office at Virginia City
   on School Lot as shown on plat of
   High School Heights Addition to
   the Town of Ennis, Madison County
   of new Grade-School building built in 1952-53
   electric motor-operated pump, with 1½ inch pipe
   therefrom.

6. The depth of water table:
   40 to 50 feet.

7. The log of formations encountered in the drilling of each well:
   drilled of the well began in October 1952; drilled
   deeper in March 1953 and finally completed March 17, 1953 to a depth of
   262 feet. Six inch casing, with 1½ inch pipe to pump and electric motor.

8. The estimated amount of groundwater withdrawn each year: approx
   950,000

9. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
   reference to book and page of any county record: have none, to my knowledge.
