Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Theodore Cope, of Box 145, Cascade
County of Cascade, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1932 domestic, before all the time

4. The amount of groundwater claimed (in miner's inches or gallons per minute): All

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Irrigation of garden etc.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring, natural

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: Information not available

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Theodore R. Cope
Date: 6/29/73

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA
County of Blaine,

I hereby certify that the within instrument was filed for record in this office on the 12th day of October, 1982.

### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. **Carl Anderson**
   - (Name of Appropriator)
   - *Millegan Route, Great Falls*
   - (Address)
   - (Town)

   **County of Cascade**
   - **State of Montana**

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: **stock water**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **October 1, 1972**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **15**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **Gravity flow, 3/4'' line, about 250 feet from well to stock water tank**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **Start September 15, 1972 — complete September 30, 1972**

8. The depth of water table: **26 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **The well was dug with a backhoe and a perforated culvert placed in the bottom of the hole. From this perforated culvert a line is run to a lower elevation about a distance away so that the well flows on a gravity basis.**

10. The estimated amount of groundwater withdrawn each year: **Est. 1/4 to 3 million gallons per year**

11. The log of formations encountered in the drilling of each well if available: **n/a**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **n/a**

---

**Signature of Owner:**

**Date:** 10-3-72

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Declaration of Vested Groundwater Rights
(Under Chapter 137, Montana Session Laws, 1961)

Charles J. Cope
(Name of Appropriator)

County of Meagher

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Stock Water.
   Household and Domestic purposes, Irrigation of
   garden & pasture, & storage for stockwater.

2. The date or approximate date of earliest beneficial use; and how
   continuous the use has been: Undoubtedly used since 1900's
   and continuous use by appropriator since 1945.

3. The amount of groundwater claimed (in cubic feet or gallons
   per minute) Ten miner's inches.

4. If used for irrigation, give the acreage and description of the
   lands to which water has been applied and name of the owner
   thereof: Approximately 10 acres in irrigated
   pasture and garden.

5. The means of withdrawing such water from the ground and the
   location of each well or other means of withdrawal:
   natural flow from improved spring.

6. The date of commencement and completion of the construction of the well, or other works for
   withdrawal of groundwater: Spring improved through years; last improved 1962
   by digging out and installing spring box.

7. The depth of water table: at surface, natural flow at spring.

8. The log of formations encountered in the drilling of each well if available:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any
   other works for withdrawal of groundwater: Spring box about 10 ft. x 10 ft. and 10 ft
   deep, with 1 in. pipe for withdrawal of water to place of use.

10. The estimated amount of groundwater withdrawn each year: continuous use, year-round through 1 in pipe.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
    reference to book and page of any county record:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is
located.

JAN 13 1964

File No. 137 P 38
County: Meagher

1. Helen E. Coleman, of Box 324, White Sulphur Springs
(Name of Appropriator) (Address) (Town)

County of Meagher State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1959, used two to three months each summer

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 4 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: piston pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: construction started June 19, 1959, completed July 1, 1959

8. The depth of water table: 32 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: well drilled to 51 feet, cased with 5" casing

10. The estimated amount of groundwater withdrawn each year: a minimum of 517,500 gallons

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not applicable

Signature of Owner Helen E. Coleman
Date: Dec. 29, 1963

Three copies to be filled by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Date of Appropriation of Groundwater: Feb. 1956
Owner: Helen E. Coleman
Address: 1331, W. 3RD ST.
Contractor (if any): not applicable
Address of Contractor: 331, 3RD ST.
Date Started: Aug. 1956
Date Completed: Aug. 1956

Describe means of obtaining groundwater without a well “as by
sub-irrigation and other natural processes”. Include depth to
to 500 gallons; tank, fenced entire area of
source to protect pipes.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

NE 1/4 Sec. 33 T. 23 R. 3:
Indicate point of appropriation
and place of use, if possible.

NE-1/4 Sec. 33 T. 23 R. 3:
-5-months-of-the-year-Waters: 200-head-of-
-stock-cows-4-th-cows, 30-gallons-per-
-50,000-gallons-used.

Signature of Owner: Helen E. Coleman
Date: Dec. 29, 1961

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MONTANA
County of Missoula

I hereby certify that the within instrument was filed here and in the office on the 3rd day of May, 1903.

Signature of Owner: ___________________________ Date: ____________ Feb 1973
1. Walter E. Buckingham
   (Name of Appropriator)
   2403 White Sulphur Springs
   (Address)
   Manhattan, Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is stockwater and irrigation of haylands and pasture.

3. Date or approximate date of earliest beneficial use and how continuous the use has been: All 28 springs have been used since before 1900 and use has been continuous since that time.

4. The amount of groundwater claimed (in millions of gallons per minute or gallons per minute): Each of the 28 springs run year-round and each flow not less than 15 gallons per minute, which is claimed.

5. If used for irrigation, give the area and description of the lands to which water has been applied and name of the owner thereof: Each spring irrigates adjacent pasture or crop lands as indicated on attached diagram exhibiting all lands owned by appropriator.

6. The means of withdrawing such water, from the ground and the location of each well or other means of withdrawal: natural flow and withdrawal of groundwater, not applicable.

7. The depth of water table: surface.

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: natural flow, not applicable.

9. The estimated amount of groundwater withdrawn each year: approximately one million gallons per year for each spring or more— all are year-round flow.

10. The log of formations encountered in the drilling of each well if available: not applicable.

11. The log of formations encountered in the drilling of each well if available: not applicable.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: It is the intention of appropriator to establish and claim his rights in the above designated springs for stock watering purposes on a year-round basis, and such irrigation as the springs presently provide.

Signature of Owner: Walter E. Buckingham
Date: December 31, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Walter E. Duckingham
   (Name of Appropriator)
   of
   White Sulphur Springs
   (Address)
   Town
   County of Meagher
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: STOCKWATER AND IRRIGATION of haylands and pasture.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: ALL 28 SPRINGS HAVE BEEN USED SINCE BEFORE 1900 AND USE HAS BEEN CONTINUOUS SINCE THAT TIME.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): EACH OF THE 28 SPRINGS RUN YEAR-ROUND AND EACH FLOW NOT LESS THAN 1 GALLON PER MINUTE, WHICH IS CLAIMED.

5. If used for irrigation, give the acreage and description of the lands to which the water has been applied and name of the owner thereof: Each spring irrigates adjacent pasture or range lands as indicated on attached diagram Exhibit A.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: NATURAL FLOW AND NATURAL PROCESSES FROM 28 SPRINGS LOCATED AS INDICATED IN EXHIBIT 2A AT THE LOCATION OF EACH OF THE 28 SPRINGS CLAIMED BY THIS DECLARATION.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: NOT APPLICABLE.

8. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: NOT APPLICABLE.

9. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: NOT APPLICABLE.

10. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: NOT APPLICABLE.

11. The depth of water table: SURFACE.

12. The estimated amount of groundwater withdrawn each year: APPROXIMATELY ONE MILLION GALLONS PER YEAR FOR EACH SPRING OR MORE—ALL ARE YEAR-ROUND FLOW.

13. The log of formations encountered in the drilling of each well if available: NOT APPLICABLE.

14. Such other information of a similar nature as may be useful in carrying out the policy of this act, include reference to book and page of any county record: IT IS THE INTENTION OF APPROPRIATOR TO ENSURE THE FABRICATION OF A WALL OF MASONRY, TO ESTABLISH AND CLAIM HIS RIGHTS IN THE ABOVE DESIGNATED SPRINGS FOR STOCK WATERING PURPOSES ON A YEAR-ROUND BASIS, AND SUCH IRRIGATION AS THE SPRINGS PRESENTLY PROVIDE.

Signature of Owner: Walter E. Duckingham
Date: December 31, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

(Under Chapter 237, Montana Session Laws, 1963)

Walter E. Buckingham, of White Sulphur Springs, Meagher County, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1960, as follows:

1. The beneficial use on which the claim is based...
2. The approximate date of earliest beneficial use...
3. The amount of groundwater claimed...
4. The means of withdrawing such water from the ground...
5. The date of commencement and completion of the construction of the well...
6. The depth of water table...
7. The type, size and depth of each well...
8. The estimated amount of groundwater withdrawn each year...
9. The log of formations encountered in the drilling of each well...
10. Such other information as may be useful in carrying out the policy of this act...

Signature of Walter E. Buckingham
Date: December 31st, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Walter L. Johnston
(Name of Appropriator)
of
White Sulphur Springs
(Address)
County of
Meagher
(State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1922, as follows:

2. The beneficial use or which the claim is based:
DOMESTIC USE, household and stock water.

3. Date or approximate date of earliest beneficial use; and how continuously such use has been
since that date.

4. The amount of groundwater claimed in inches or gallons per minute: 20 gallons per minute.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
Electric pump, fractional horsepower.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
Fall 1926.

8. The depth of water table:
8 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
6 inch diameter drilled wells 80 feet deep.

10. The estimated amount of groundwater withdrawn each year:
Unknown.

11. The log of formations encountered in the drilling of each well if available:
River gravel and sand.

12. Such other information of a similar nature as may be useful in carrying out the purpose of this act,
including reference to book and page of any county record.

Signature of Owner:

Date: 12/30/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
