HIGGINS BROS., a Montai (Name of Appropriat	ns Corporation, Ringling tor) (Address) (Town)
County of Meagher	State of Montana
have appropriated groundwater acc	ording to the Montana laws in effect prior to January 1, 1962, as follows:
N	2. The beneficial use on which the claim is based. Stock water
	and irrigation.
	3. Date or approximate date of earliest beneficial use; and how continu-
× ×	ous the use has been 1916 and improved in 1962, continuous use since 1916.
2	E CONFIRMONS ASS SINCE 1910.
	4. The amount of groundwater claimed (in miner's inches or gallons
	per minute) 60 gallons per minute
	5. If used for irrigation, give the acreage and description of the lands
A	to which water has been applied and name of the owner thereof irrigation of pasture near well, about 20
4 Sec 28 TON R8E	acres, owned by appropriator.
ndicate point of appropriation nd place of use, if possible. Each	
mall square represents 10 acres.	6. The means of withdrawing such water from the ground and the loca-
•	tion of each well or other means of withdrawal. Pump operated by gaseline motor.
7. The date of commencement and	completion of the construction of the well, wells or other werks for with- originally commenced and completed in 1910,
well enlarged and new	casing installed in November of 1962.
	feet.
•	
So far as it may be available, the works for the withdrawal of group	ne type, size and depth of each well or the general specifications of any other nawater drilled well, 5% inch casing, 78 feet deep.
withdrawn by pump op	erated by datoline motor.

0. The estimated amount of ground	water withdrawn each year 1000 gallons per day for stock
	and to capacity of pump for irrigation when needed. I in the drilling of each well if available not available
