Notice of Completion of Groundwater Appropriation by Means of Well

Developed after January 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: Richard Tamke
Address: 225 S. 8th W., Missoula, Montana 59801

Date well started: March 5, 1971
Date well completed: March 5, 1971

Type of well: Drilled
Equipment used: Churn Drill
Water Use: Domestic □, Municipal □, Stock □, Irrigation □, Industrial □, Drainage □, Other □, Garden/Lawn □

*Describe

USE: If used for irrigation, industrial, drainage or other, explain, state number of acres and location or other data (i.e. Lot, Block and Addition).

Estimated Annual Withdrawal

Static water level: 12 feet

Pumping water level: 22 feet at 75 gallons per minute, measured 9 minutes after pumping began.

*Measured from ground level. Well developed by compressor for 8 hours.

Power: 3/4 HP, apply HP

Remarks: (Gravel packing, cementing, packers, type of shutoff)

Indicate location of well and place of use, if possible. Each small square represents 40 acres.

Driller's Signature: Camp Well Drilling & Pump Supply
Driller's Address: 1522 N. 16th St., Missoula, Montana 59801

Veronica B. Noble, County Recorder
By: ________________ Deputy
Fee: __________.00 Paid 2D.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. George E. and John L. Nichols, 306, Box 565
   (Name of Appropriator)
   (Address)
   (Town)  
   County of M issoula State of Montana  
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Household
   water.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1922 continuous.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 3 inches.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. U nknown.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Unknown.

8. The depth of water table. 16 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Hand dug 25 ft. deep. 2 ft. square.

10. The estimated amount of groundwater withdrawn each year. 

11. The log of formations encountered in the drilling of each well if available. 

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner. George E. Nichols

Date. 1-12-1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Bernard Norton
(Name of Appropriator)
Mullan
(Address)

County of
Missoula
State of
Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based

2. Date or approximate date of earliest beneficial use; and how continuous the use has been
   since 1945

3. The amount of groundwater claimed (in miner's inches or gallons per minute)

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

7. The depth of water table

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

9. The estimated amount of groundwater withdrawn each year

10. The log of formations encountered in the drilling of each well if available

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

[Record]
Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: Bernard Norton  Address: Missoula, Montana
Driller: Don     Address: Missoula, Montana

Date of Notice of Appropriation of Groundwater: ___
Date well started: ___  Date Completed: ___

Type of well: Driven  Equipment Used: Hand Driven
(dug, driven, bored or (Churn, drill, rotary or drilled)
other)

Water Use: Domestic    Municipal    Other    Irrigation
Industrial    Drainage    Stock

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

<table>

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Aug. 18, 1968

Owner: Insert: Address: Clinton

Contractor (if any): 

Address of Contractor: 

Date Started: Not applicable

Date Completed: Not applicable

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable: 

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use: 

Indicate point of appropriation and place of use, if possible: 

Signature of Owner: 

Date: 11/24/68

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Approprior.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL

Developed after January 1, 1962

(Under Chapter 227 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Farviss Development Company, of 310 West Main, Missoula
   (Name of Appropriator) (Address) (Town)
   County of Missoula State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Household fire and irrigation water for 100 families

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 1960

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10,000 gpm

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 50 Acres

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Deep wells with electric pumps

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: One well completed June 1960

   8. The depth of water table: 60 feet to second water table

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6 inch steel casing and Janssi deep well pump of 1 horse power.

   10. The estimated amount of groundwater withdrawn each year: 1,825,000 gals.

   11. The log of formations encountered in the drilling of each well if available: This was sent to Helena by William E. Obermeyer of Liberty Drilling Company.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Farviss Development Company

   Date: Dec 18, 63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I received and filed this instrument for record on the 18th day of December, 1963, at 10:00 o'clock A.M., permanent time, of Missoula County, State of Montana.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. William Judd, of Helena, Montana, have appropriated groundwater according to the laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Headlight and Irrigation

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: Jan. 15, 1953, and has been continuous since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 72 gal per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 ac. Farm, 117.7 acres, weedy, cropland.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 3 100 ft. deep wells, Aug. 17, 1947.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 15, 1953.

8. The depth of water table: 12 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Standard well, 100 ft. deep, 3 100 ft. deep wells.

10. The estimated amount of groundwater withdrawn each year: 180,000 gal.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not available.

Signature of Owner: William Judd
Date: 12-36-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater:

Owner: William E. Gillard
Address: Clinton, Mead

Contractor (if any): None
Address of Contractor:

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable:

Natural flow, about 3 feet to water.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

About 1,200 gals. per day for 2
Tanks and irrigation for
Access year around.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: William E. Gillard
Date: Jan. 4, 1966

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I received and filed this instrument for record on the 31st day of June, 1866, at 11:00 o'clock A.M., in the presence of John B., a subscriber to the same, in the county of Maniw, State of Montana.

Wm. Smith

Notary Public

By: J. B. Smith, Deputy
DECLARATION OF VESTED GROUNDWATER RIGHTS

(Name of Appropriator) of (Address) (Town)
County of (Address) State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household and stock watering.

3. Date or approximate date of earliest beneficial use: 1938. Has been in constant use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Not known.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Does not apply.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Not known.

8. The depth of water table: 30 ft.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Not known.

10. The estimated amount of groundwater withdrawn each year: Not known.

11. The log of formations encountered in the drilling of each well if available: Not known.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not known.

Signature of Owner: [Signature]
Date: Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
