STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Electra P. A. Ranstrom
of 115 No. Curtis St., Missoula
County of Missoula
State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The name of Appropriator

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triple to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. M. J. Fidner
   (Name of Appropriator) 5104 Leota, M. M.
   (Address) (Town) Missoula, State of Montana
   County of Missoula, State of Montana,
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   N
   W
   E
   S

   NE 4 NW Sec. 20 T 13 B 17
   Indicate point of appropriation
   and place of use, if possible. Each
   small square represents 10 acres.

   2. The beneficial use on which the claim is based. House, clock, or irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Unknown, constant.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). 10 gal. per min. or 15 gal. per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied, and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   8. The depth of water table. Unknown.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   10. The estimated amount of groundwater withdrawn each year.

   11. The log of formations encountered in the drilling of each well if available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner. M. J. Fidner.
   Date. Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
I received and filed this instrument for recognition the 26th day of June, 1965, at the office of permanent files of Missoula County, State of Montana.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. John C. Stephenson and Harriett of 508 Leon Street, Delta
   (Name of Appropriator) Stephenson
   (Address) Delta
   County of
   State of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based: household purposes and household irrigation and watering of stock.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: December 11, 1956, and has been continuous until present date, December 31, 1963.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 30 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: land and unemployed.

6. The means of withdrawing such water from the ground the location of each well or other means of withdrawal: Electric pump - 1/2 horse power.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: December 11, 1956, date of commencement, completion.

8. The depth of water table, static water level: 1 feet from ground level.

9. So far as it may be available, the type, size and depth of each well or general specifications of any other works for the withdrawal of groundwater: Depth of well is 34 feet and 3 inches; well has 3 inch casing.

10. The estimated amount of groundwater withdrawn each year: unknown.

11. The log of formations encountered in the drilling of each well if available: unknown.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: no previous recording.

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. **Alberta Sticht**
   - County of **Missoula**
   - State of **Montana**
   - Intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is **Water for Irrigation**.
   - (Describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner's inches of groundwater claimed is **30 per minute**.

4. The annual period (inclusive dates) of intended use is **12 mo.**.

5. The probable or intended date of first beneficial use is **July 1, 1963**.

6. The probable or intended date of commencement and completion of the well or wells is **Aug 3, 1962**.

7. The location, type, size and depth of well or wells contemplated is **6" diameter, 42' deep**.

8. The probable or estimated depth of the water table or artesian aquifer is **20 ft**.

9. Name, address and license number of the driller engaged is **Alberta Sticht Co., P.O. Box 830, Missoula, Mont.**

10. Give such other similar information as may be useful in carrying out the policy of this act...

    - None

    - Locate well or other means of development as accurately as possible on the plat.

    - Signatures of Appropirator: **Alberta Sticht**

    - Date: **12-31-62**

* As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.*

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropirator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Harold Magdalena Webster, of 2014 River Road, Missoula

County of Missoula
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Water to wash
    your farm, homestead, and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since then:
   1950 - 1963

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100 gallons per minute

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:
   Harold Webster

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Des - 1950

8. The depth of water table:
   55 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   None

10. The estimated amount of groundwater withdrawn each year: 350,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not applicable

Signature of Owner

Date: Dec 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Leon L. Bulen and Ruth Bulen Benson,
(Name of Appropriator) (Address) (Town)
County of Missoula, State of Montana,
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: domestic, lawn, garden and domestic animals and cow.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1930

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 22 g.p.m. (2 in.)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: approx. 1 acre sandy soil, as above owners, and for house use. All on Lot 3 of Supplemental plat of Lot 8 of Cobban & Dimensions Orchard Homes #2, and adjacent area.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Myers hand pump at present date; formerly motor and jack. Bulen electric well pump.

7. The date of commencement, and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Spring 1979, by a drilled well 50 feet depth, with placing.

8. The depth of water table and pump is a cylinder pump.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: this well in drilled at foot of cellar stairway immediately adjacent to house, and is to be used by electric pump at later date.

10. The estimated amount of groundwater withdrawn each year: 14 inches miners measure during summer and enough for a family during all seasons

11. The log of formations encountered in the drilling of each well if available: gravel, sand, gravel, hardpan, sand gravel, hardpan, gravel, water, this well passes the surface water and is from the second strata below second hardpan.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Water is clear, palatable, carries slight trace of lime, and is very superior to that of the Montana Power Company, which is both heavy with lime and Chlorine and at times upsets the stomach.

Signature of Owner: Ruth Bulen Benson

Date: Jan. 2, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Household, Irrigation and Livestock

3. Date or approximate date of earliest beneficial use, and how continuous the use has been. About 1920, and in use ever since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 3 Miner's Inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   1/3 Acre Garden, 1/3 Acre Orchard,
   1/5 Acre Lawn
   Farris E. & Anna Marie Glose

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   Electric Pump at Eddy Addition, Block 12,
   Lots 20-20-18

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. About 1920

8. The depth of water table. 85 Feet

9. So far as it may be available, the type, size and depth of each well, or the general specifications of any other works for the withdrawal of groundwater.
   Electric Pump, 4½ inch casing, 85 ft. deep.

10. The estimated amount of groundwater withdrawn each year. 3 Million Gallons

11. The log of formations encountered in the drilling of each well if available. Gravel and Stone

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record, plat, or other reference.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
