I received and filed this instrument in the record on the 23 day of May in the year 1872 at 10:10 A.M., pursuant to law, at Missoula County, State of Montana.

Witness my hand.

[Signature]

County Recorder
As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

**Special Instructions:**

Please indicate on the enclosed form the correct section number. Is the section number 13, 23, or 337? Also, is the pumping water level 16 feet or 18 feet?

Thank you.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(under Chapter 237, Montana Session Laws, 1961)

Robert T. Concoran
of Box 44, Frenchtown
County of Missoula
State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriate: Robert T. Concoran
2. Address: Box 44, Frenchtown
3. Town: Frenchtown

4. County of Appropriate: Missoula
5. State of Montana

6. The beneficial use on which the claim is based
Dwelling

7. Date or approximate date of earliest beneficial use; and how continuous the use has been
1943 (approximate)

8. The amount of groundwater claimed (in miner's inches or gallons per minute)
20 gals

9. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
Not used for irrigation

10. The means of withdrawing each water from the ground and the location of each well or other means of withdrawal
Electric Pump

11. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
1943 (approx.)

12. The depth of water table
14 ft

13. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
17 ft deep - 36 inch diameter

14. The estimated amount of groundwater withdrawn each year
50,000 gals

15. The log of formations encountered in the drilling of each well if available
Not available

16. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Robert T. Concoran
Date: Nov. 13, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
ADDENDUM

STATE ENGINEER: 1961

1. Name of Appropriator (Camilo Loebach)
   Address (Box 189, Townsend)

County of: Missoula  State of: Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic use

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1941 (continued)

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 Gals.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1941

8. The depth of water table: 14 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 22 feet deep, 16 inches diameter

10. The estimated amount of groundwater withdrawn each year: 50,000 Gals.

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Camilo Loebach

Date: 2-20-1961

Three copies to be filled by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

### County of Missoula

### State of Montana

I, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

1. **Name of Owner:** James O. or Lester Link Cyr

2. **Beneficial Use:** Farm, orchard, pasture, or yard irrigation

3. **Date or Approximate Date of Earliest Beneficial Use:** Jan 1, 1960

4. **Amount of Groundwater Claimed:**
   - 1 gal per minute
   - 2 gal per minute
   - 10 gal per minute

5. **Type of Robbery:**
   - Mail
   - Pipeline
   - Natural Deposit

6. **Location of Each Well:**
   - North Dakota
   - North Carolina
   - Montana

7. **Date of Commencement and Completion of the Construction of the Well:**
   - June 1, 1960

8. **Depth of Water Table:**
   - 6 ft
   - 12 ft

9. **Type, Size, and Depth of Each Well:**
   - Clay, sand, gravel

10. **Estimated Amount of Groundwater Withdrawn Each Year:**
    - 150,000 gal

11. **Log of Formations Encountered in the Drilling of Each Well:**

12. **Other Information:**

---

**Signature of Owner:**

**Date:** Dec. 30, 1963

STATE ENGINEER

1. Flora Hamel and Blanche Hamel of Frenchtown, Montana
   (Name of Appropriator) (Address) (Town)
   County of Missoula State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

   - 1910 and 1890
   - Continuous since each appropriation

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 40 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pumps 7 h.p. each

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1890 and 1910 respectively

   8. The depth of water table: 15 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 35 feet each

   10. The estimated amount of groundwater withdrawn each year: 20,000 gallons altogether

   11. The log of formations encountered in the drilling of each well if available: gravel

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I. Harvey A. McDonald, of Box 56, Frenchtown, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: 200 gals. per minute

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: December, 1943, continuous use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 200 gals. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 

6. The means of withdrawing such water from the ground and the location of each well or other works of withdrawal: pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: December, 1943.

8. The depth of water table: 16' from surface of ground.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6" ID steel tubing 192'.

10. The estimated amount of groundwater withdrawn each year: 5,000 gals. per day.

11. The log of formations encountered in the drilling of each well if available: quick sand, sand, gravel.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: 
Date: 12/25/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropurator: Clinton M. & Donatette A.
Address: P.O. Box 15, Frenchtown, Montana
County of: Missoula
State of: Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: 
   - Garden lawn & domestic use

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: 
   - August 22, 1959
   - Used continuously since above date

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 
   - 40,000 gallons per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 
   - 190 acres

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 
   - One 1½ electric pump, located in lot 17 of Block 6, Frenchtown, township, section 34, T15N, R21E, Sec. 34, W. 1/2, M. 1/2, Missoula County, Montana

6. The depth of water table: 
   - 16 feet

7. The log of formations encountered in the drilling of each well if available: 
   - 0 to 21 feet gravel
   - 22 to 30 feet sand
   - 31 to 35 feet gravel & sand

8. The estimated amount of groundwater withdrawn each year: 
   - 250,000 gallons

9. The log of formations encountered in the drilling of each well if available: 
   - 0 to 21 feet gravel
   - 22 to 30 feet sand
   - 31 to 35 feet gravel & sand

10. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 
    - Well drillers report sent to Montana State Board of Health by Glenn Gamp-Well Driller on Aug. 29, 1959

Signature of Owner: [Signature]

Date: [Date]

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I received and filed this instrument for record on the 1st day of [Month], 1976, at 5:12 p.m., clock time, in the office of Martin B. Benner, County Recorder of Missoula County, State of Montana.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. Herbert C. & Helen F. Seibert of P.O. Box 276 Frontonw Montana (Name of Appropriator) (Address) (Town)
County of Missoula State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

- yard & garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

- May 1963 - house in
- winter plus yard & garden in summer

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 10 g.m.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

- Electric pump 1/2 way on east line of

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

- Drilled well 6 in. casing 165 ft. water comes within 12 ft. from top of ground. Use shallow well pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

- First of May & it took three days

8. The depth of water table:

- Sæntæth second false bedrock 165 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

- Drilled well 6 in. casing 165 ft. water comes within 12 ft. from top of ground. Use shallow well pump

10. The estimated amount of groundwater withdrawn each year:

- Not Known

11. The log of formations encountered in the drilling of each well:

- 1st 20 ft. quick sand & gravel 8 ft. clay or bed rock, 140 ft. sand, 2 ft. clay, water gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

- 

Signature of Owner

Date 8-13-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I received and filed this instrument for record on the 17th Day of July, 1968, at 10:30 o'clock A.M., pursuant to Title 20 of Missoula County, State of Montana. Witness my hand.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater.
Joseph R. Job & Alberta F. Job, his wife
Owner
Address
Contractor (if any)
Address of Contractor
Date Started
April 28, 1971
Date Completed
April 28, 1971

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes’. Include depth to
water when applicable. Spring water collected in
natural depression, piped and ditched to point
of use, depth in depression has not been
measured.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

270 min. inches, use will commence April of
each year through October

NOTICE OF APPROPRIATION

STATE OF MONTANA
County of Missoula

TO ALL WHOM THESE PRESENTS MAY CONCERN:

WE, IT KNOWN, that Joseph R. Job and Alberta F. Job, his wife, of Missoula in said County and State do hereby publish and declare, as a legal notice to all the world, as follows, to-wit:

I. That they have a legal right to the use, possession and control of and claim two hundred thirty miners inches of the waters of three springs upon the herein described real property in said County and State for irrigating and other purposes.

II. That the purpose for which said water is claimed, and the place of intended use is: (64 acres) Irrigation, domestic use, to be used upon lot 7 and the SW1/4 of Section 2, Twp 15 N., Rge 21 W., P.M. and the NW1/4, Section 35, Twp 15 N., Rge 21 W., M.P., all as more specifically set forth in the Deed of April 5, 1971, Antoinette Corcoran and Margaret Linehan, now in escrow at the Western Montana National Bank of Missoula, Montana.

III. That the means of diversion with size of flume, ditch, pipe or aqueduct, by which they intend to divert the water is as follows:
   A ditch, 40 inches by 30 inches in size, which carries and conducts 130 inches of water from said springs; which said ditch diverts the water from said springs at a point upon its south bank, and runs thence south, south west and southeast, and a pump off the north bank conducting 100 miners inches thence over and upon said land.

IV. That Claimant appropriated and took said water on the 20th day of April, 1971 by means of said ditches and pump.

V. That the names of the appropriators of said water are Joseph R. Job and Alberta F. Job, his wife.

VI. That they also hereby claim said ditch and the right of way thereof, and for said water by it conveyed, or to be conveyed, from said point of appropriation to said land or point of final discharge, and also the right of location upon any lands, of any dam, flumes, reservoirs, constructed or to be constructed by them in appropriating and in using said water.
VII. That they also claim the right to keep in repair and to enlarge
said means of water appropriation at any time, and the right to dispose
of the said right, water, ditch or said appurtenances in part or whole
at any time.
CLAIMING THE SAME ALL AND SINGULAR, Under any and all laws, National
and State, and rulings and decisions thereunder, in the matter of water
rights.
TOGETHER WITH ALL AND SINGULAR, The hereditaments and appurtenances
thereunto belonging and appertaining, or accruing to the same.
WITNESS our hands at Missoula, Montana, this 21 day of
May, 1971.

Joseph R. Job

STATE OF MONTANA } ss.
County of Missoula
JOSEPH R. JOB having been first duly
sworn deposes and says, that he is of lawful age and one of the
appropriators and claimants of the water and water right mentioned in
the foregoing notice of appropriation and claim, and the persons whose
names are subscribed thereto as the appropriators and claimants, that he knows
the contents of said foregoing notice and that the matters and things
therein stated are true.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 257, Montana Session Laws, 1961)

1. Melvin L. Nelson of Great Falls, Montana
   (Name of Appropriator) (Address)
   County of
   State of
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   June 9, 1959

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   Irrigated lands in Blaine County

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   May 24, 1959

8. The depth of water table
   150 - 156 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year
    75,000 gal

11. The log of formations encountered in the drilling of each well if available
    0 - 18 feet gravel and sand
    18 - 40 feet sand and water
    40 - 80 feet gravel

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

   Drilled by John Janelle, Deer Lodge

Signature of Owner:

Date: Aug 25, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
I removed and filed this instrument for record on the 25th day of July 1968
at 1:15 o'clock, P.M., permanent files of the Muskego County, State of Wisconsin

Static water level: 63 ft.
Pumping water level: 63 ft.
at 20 gallons per minute, measured 15 minutes after pumping began.

*Measured from ground level.
Well developed by Gravel screening for 8 hours.
Power: Electric Pump 5 HP
Remarks: (Gravel packing, cementing, packers, type of shutoff) Show exact depth of water.

INDICATE LOCATION OF WELL AND PLACE OF USE, IF POSSIBLE. EACH SMALL SQUARE REPRESENTS 40 ACRES.

Driller’s Signature: Jim L. Richardson
Driller’s Address: Frenandoom, Montana

License No.: 53,059
I received and filed this instrument for record on the 1st day of July, 1973, at 11:35 o'clock, A.M., in the permanent files of Meade County, State of Montana.
