DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

Office of State Engineer

[State of Montana]

[Administrator of groundwater Code]

[County of], [State of Montana, 1964]

I, [Name of Appropriator], of [Address], (Address), (Town), have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. [County of], [State of Montana]

2. The beneficial use on which the claim is based...

3. Date or approximate date of earliest beneficial use; and how continuous the use has been...

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...

8. The depth of water table...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...

10. The estimated amount of groundwater withdrawn each year...

11. The log of formations encountered in the drilling of each well if available...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any court record...

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1935

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 3.6 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 72.0 acres, land description.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Submersible pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: May 1935

8. The depth of water table: 150 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Well is 152 ft. deep.

10. The estimated amount of groundwater withdrawn each year: 365.00

11. The log of formations encountered in the drilling of each well if available: Sandstone and clay

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 1935

Signature of Owner: Carl H. Carlson
Date: Dec. 31, 1935

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: L. Majerus
Date: June 24, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

B. H. MATZKKE
COUNTY RECORDER

DEPUTY
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner: John A. A insists
Address: Bozeman, Mont.
Driller: Harry McCandless
Address: Bozeman, Mont.

Date of Notice of appropriation of groundwater: Oct 29, 1965
Date well started: Oct 29, 1965
Date well completed: Oct 29, 1965

Type of well: Drilled
Equipment used: Churn drill
Water use: Irrigation

Water table: 22' sand gravel
Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.
