STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Frank J. Mackie, 412 Roundup (Name of Appropriator)
   (Address)
   County of Musselshell, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been, June 1, 1938

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Windmill - pump - jack - motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   June 1, 1938

8. The depth of water table
   40

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   60' of 6" casing

10. The estimated amount of groundwater withdrawn each year
    250,000 gallons

11. The log of formations encountered in the drilling of each well if available
    Unnamed

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    Name

Signature of Owner

Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Clarence N. Lindstrandre  of  Box 897  Roundup
(Name of Appropriator)  (Address)  (Town)
County of Musselshell  State of Montana

1. I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:  Household and Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:  Well drilled in 1907 and in continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute):  Five Gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  1907

8. The depth of water table:  Twenty feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  Four inch pipe and depth of well Three hundred and eighty two feet

10. The estimated amount of groundwater withdrawn each year:  600,000 gallons

11. The log of formations encountered in the drilling of each well if available:  None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this reference to book and page of any county record:

Signature of Owner:  
Date:  

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

I. Name of Appropriator: Harold O. Eliassen

County of: Madison
State of: Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1942

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 15 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of ground water: 1945

8. The depth of water table: 40 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: None

10. The estimated amount of groundwater withdrawn each year: 750,000

11. The log of formations encountered in the drilling of each well if available: None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any court record:

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Watering livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been approximately 1956, and it has been used continuously since that time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 2000 gal. per hour

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Gasoline motor driven pump jack with cylinder near bottom of well.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Approximately 1956

8. The depth of water table
   About 60 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled well is about 75 feet deep, and water comes within 15 or 20 feet of the surface. Well hole has 5 inch casing.

10. The estimated amount of groundwater withdrawn each year
    Sufficient to water from 50 to 100 head of cattle continuously.

11. The log of formations encountered in the drilling of each well if available
    None known.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: __________

Owner: Bernard Adolph
Address: 1204 Main Pond

Contractor (if any): Mervin Hunt
Address of Contractor: Ralston, Montana

Date Started: 10-20-68 Date Completed: 10-20-68

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Bernard Adolph
Date: 10-10-68

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

(Under Chapter 237, Montana Session Laws, 1961)

1. **Fred W. Bucker**, of Goulding Creek Route, Roundup
   (Name of Appropriator)
   (Address)
   (Town)
   County of Musselshell, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

   - **2. The beneficial use on which the claim is based:**
     For watering livestock.

   - **3. Date or approximate date of earliest beneficial use; and how continuous the use has been:** 1948, and has been used continuously.

   - **4. The amount of groundwater claimed (in miner's inches or gallons per minute):** 400 gal. per hour.

   - **5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:** None.

   - **6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:** Windmill and gasoline motor driven pump jack, with cylinder near bottom of well.

   - **7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:** 1948.

   - **8. The depth of water table:** About 90 feet.

   - **9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:** Drilled well is about 226 feet deep, and water comes within 136 feet of the surface. Well hole has 5 inch casing.

   - **10. The estimated amount of groundwater withdrawn each year:** Sufficient to water between 50 to 100 head of cattle, horses, and other stock continuously.

   - **11. The log of formations encountered in the drilling of each well if available:** None known.

   - **12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:** None.

   **Signature of Owner:**

   **Date:** December 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

DEPUTY
# Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Rath Ranch  
   (Name of Appropriator)  
   (Address)  
   (Town)  
   County of Musselshell  
   State of Montana  
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   - Stock Water

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

   - Sept 26, 1950

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

   - 8.91

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   - Windmill, sump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   - Sept 15-26

8. The depth of water table.

   - 260

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   - 15 in steel casing, 300 ft

10. The estimated amount of groundwater withdrawn each year.

    - 100,000 gal

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner:  
   Date: May 15, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights  
(Under Chapter 237, Montana Session Laws, 1961)

1. Selma R. Kleasner, of Roundup, of State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2 Springs
SE 1/4 Sec. 32 T 7 R 25
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. Stockwater.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1940.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 6 gallons per minute for each spring.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Both springs flow naturally.

8. The depth of water table, ground level.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Both springs flow naturally. They have to be cleaned from time to keep them flowing. Both springs located in Coupling Creek. Springs are 400 yds. apart.

10. The estimated amount of groundwater withdrawn each year. 250,000 gal. for each spring, total of 500,000 gals.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Selma R. Kleasner
Date: December 19, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geol. 17, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Percy M. Kleasner and Selma Kleasner, of Roundup, of
   (Name of Appropriator) (Address) (Town)
   County of Musselshell State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Water from three wells is used for livestock, irrigation and household use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Well #1, 1927; Well #2, 1944; Well #3, 1953.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 gallons per minute for each well.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Lawn and garden in the SE1/4SE1/4, Section 32-7-25.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: All 3 wells located within 100 feet of each other and water withdrawn by sucker rod and pump operated by electric motors and one gas motor.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Well #1, 1927; Well #2, 1944; Well #3, 1953.

8. The depth of water table: 60 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Well #1, dug through rock and is not cased, water withdrawn through 2-inch pipe, Well #2, 60 feet deep and cased, water withdrawn through 2-inch pipe, Well #3, 60 feet deep, cased to bottom

10. The estimated amount of groundwater withdrawn each year: 150,000 gallons for each well, Total of 450,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not available

Signature of Owner: 
Date: November 8, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

B. H. MATZKE
COUNTY RECORDER

FRANCES L. DAWSON
DEPUTY
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Frank J. Machler, Jr.
   (Name of Appropriator)
   of Roundup
   (Address)
   (Town)
   County of Musselshell
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>
<th></th>
<th>X</th>
</tr>
</thead>
<tbody>
<tr>
<td>W</td>
<td></td>
<td></td>
</tr>
<tr>
<td>E</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2. The beneficial use on which the claim is based: stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1915 Continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
Pump - windmill and Jack and Motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1915

8. The depth of water table: 110 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

110 feet = 6" casing in well

10. The estimated amount of groundwater withdrawn each year: 259,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not Available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. This Declaration was filed with the Clerk and Recorder of Musselshell County on December 31, 1964, and that the Township given on the original Declaration was Township 7 rather than Township 8 and that this was made to err on the side of caution. It amending the original Declaration to give the correct Township, as being Township 7 rather than Township 6, which was filed as the original Declaration. Claimant desires to amend the original Declaration, but filed this document showing the true Township number to be Township 7 rather than Township Number 6.

Signature of Owner: Frank Machler

Date: December 31, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. George Stiffans
   (Name of Appropriator)

   of 41 South Main St.,
   (Address)

   Butte
   (Town)

   County of Marshall Township
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Stock and House.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      All year.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute):
      60 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      "Central Irrigation Company".

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      "Pumps".

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      May 1948.

   8. The depth of water table:
      5' feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      "Pipe well 3 ft. depth 15 feet".

   10. The estimated amount of groundwater withdrawn each year:
        No record.

   11. The log of formations encountered in the drilling of each well if available:
        Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
        None.

   Signature of Owner: George Stiffans
   Date: Dec. 27, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

DANIEL W. HEMISON
DEPUTY
As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

Special Instructions:

Please provide, as indicated in red on the attached forms, the lacking information.

Is Consolidation Coal Company licensed to drill water wells?

Thank you.
