   (Name of Appropiatur)
   (Address)
   (Town)

2. County of Musselshell  
   State of Montana  
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   3. The beneficial use on which the claim is based: City Water Supply.

   4. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1919 and continuously thereafter.

   5. The amount of groundwater claimed (in miner’s inches or gallons per minute): 5,000 gal. per minute

   6. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not applicable.

   7. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Deep well and centrifugal pumps.

   8. The depth of water table: 40 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: This well is approximate 40’ and has drainage pipe to it from north, south, west and east.

   10. The estimated amount of groundwater withdrawn each year: 200 million gallons.

   11. The log of formations encountered in the drilling of each well if available: unknown.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not applicable.

STATE ENGINEER
City of Roundup, Montana (Name of Appropriate) (Address) (Town)
County of Musselshell State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based
   City: water supply

2. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1934 and continuously thereafter

3. The amount of groundwater claimed (in miner's inches or gallons per minute)
   4,000 gal. per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   Not applicable

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Deep well and centrifugal pump

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Commenced and completed in 1934, New pump added in 1954

7. The depth of water table
   Approximately 75 ft

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Prescott No. 1 mine that has filled with water

9. The estimated amount of groundwater withdrawn each year
   200 million gallons

10. The log of formations encountered in the drilling of each well if available
    unknown

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    not applicable

City of Roundup, Montana

Signature of Owner: John J. White

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Greg and Coralie McCullock, of Kisin Star Route, Roundup, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household use and landscape irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: August 5, 1963; constant.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 40 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not used for commercial irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Submersed pump at bottom of well shaft, located on Lot 2, Sec. 28, T28N, R.25E M.P.M.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 20, 27, 1963—drilling; August 5, installation of pump system.

8. The depth of water table: 72 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled 6 inch wall, 101 feet from ground surface, or 93 feet from bottom of well pit.

10. The estimated amount of groundwater withdrawn each year: 10,000 gallons.

11. The log of formations encountered in the drilling of each well if available: 9-10 Soil, 10-20 Shale, 30-101 Sand.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12/31/63

Owner: Alice E. Lowery
Address: Roundup, MT

Contractor (if any): None

Address of Contractor: None

Date Started: None
Date Completed: None

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes" Include path to
water when applicable.

Natural flow, flooding
Spring at ground level

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Amount unknown, but
always continued and
by livestock

Signature of Owner: Alice E. Lowery
Date: Dec. 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

R. H. MATZKE
COUNTY RECORDER

DEPUTY
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) (Address) (Town)
County of Montana, State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: STEAM WATER WELL

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1935 STEADY

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 GALLONS PER MINUTE

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 10 ACRES

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: ELECTRIC PUMP

6. Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of ground water: 12/31/55

8. The depth of water table: 20 FT.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 12 AQ. FT.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any count record:

Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. I, Bureau of Land Management, of Drawer 699, Lewistown, Fergus County, Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is: Stockwater

3. The rate of use in gallons per minute or miner's inches of groundwater claimed: 2000 gals./day @ 5 gals./min.

4. The annual period (inclusive dates) of intended use: Year long

5. The probable or intended date of first beneficial use: June 1, 1965

6. The probable or intended date of commencement and completion of the well or wells: 

7. The location, type, size and depth of well or wells contemplated: NE 1/4 Sec. 32, T 38 N, R 25 E, A drilled cased well, 150' deep, 6" casing. Pump well

8. The probable or estimated depth of the water table or artesian aquifer: 150'

9. Name, address and license number of the driller engaged: 

10. Give such other similar information as may be useful in carrying out the policy of this act. Inferred aquifer is the Ft. Union Sandstone.

Water will be used at location for watering range livestock.

Locate well or other means of development as accurately as possible on the plat.

Signature of Appropnator: /s/ Garth M. Colton

District Manager: 

Date: August 13, 1964

As defined in the Code Sec. 1 (e) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropnator.

**Declaration of Vested Groundwater Rights**

(Under Chapter 237, Montana Session Laws, 1961)

1. Glenn and Evelyn Beadle, of Box 461, Roundup, Montana
   - County of Musselshell, State of Montana
   - Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>
<th>W</th>
<th>E</th>
<th>S</th>
</tr>
</thead>
</table>

2. The beneficial use on which the claim is based: Household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Approximately 1940, and continuous since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Approximately 24 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not applicable.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump.
   - Well is located on Lot 4, Block 12, Townsite of Republic, Musselshell County, Montana (Approx. where Lot 4 and Lot 6 meet.)

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: This well was started and completed approximately May, 1940.

8. The depth of water table: Estimated 50 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 120 feet deep with six inch casing.

10. The estimated amount of groundwater withdrawn each year: Unable to estimate.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Unknown.
