Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Mae Dryman and Mary E. Livingston, of Livingston
   (Name of Appropriator) (Address) (Town)

   County of Park State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:

   Irrigation & stock water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Prior to 1900

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Approx. 10" water from each of (6) springs

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   Unknown

   8. The depth of water table: Unknown

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

      General excavation done at the springs to increase the flow of water.

   10. The estimated amount of groundwater withdrawn each year: Approx. 10' from ea. of 6 springs

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county records:

   Unknown

   Signature of Owner: Mary E. Livingstone
   Date: 1-3-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate to the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Pursuant to Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: August 21, 1967
Owner: Double U Ranch
Address: Clyde Park, Mont.

Contractor (if any): Ren Hargis
Address of Contractor: Miles, Montana

Date Started: 8-19-67 Date Completed: 8-21-67

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. Spring development and
installation of collection box, metal
stock water tank and drain.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use. Baled two
...gallons per minute to be used for stock...
...water throughout the annual period.

Signature of Owner: Charles F. Urschel, Jr.
Date: March 31, 1969

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

   (Name of Appropriator) (Address) (Town)

   County of Park, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   (stock water)

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1900 continuous

4. The amount of groundwater claimed (in miner’s inches or gallons per minute) 100 inches

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   X-2 well box and pipe line X-1 and X-3 dug out and kept clean

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1900

8. The depth of water table
   1 to 4 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year
    300,000 gal

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Raymond L. Criswell
Date Dec. 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: September 3, 1967
Charles F. Urschel, Jr., d/b/a P.O. Box 223
Owner: Double H Ranch
Address: Clyde Park, Mont.

Contractor (if any): Ben Kargis

Address of Contractor: Wilsall, Montana

Date Started: 9-1-67
Date Completed: 9-3-67

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes": Include depth to
water when applicable. Spring development and
installation of collection box, metal
stock-water tank and drain.

NE1/4 Sec. 31 T.2N R.11E
Indicate point of appropriation
and place of use, if possible.
Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use. Basing three
gallons per minute to be used for stock
water throughout the annual period.

Signature of Owner: Charles F. Urschel, Jr.
Date: March 31, 1969

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology; and quadruplicate for the Appropriaor.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. CHARLES W. SCOTT, of Clyde Park
   (Name of Appropriator) (Address) (Town)

   County of Park
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: domestic and stockwater

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Fall, 1950—well was drilled but spring had beneficially been used since ap. 1890.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8 gal. per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: N/A

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: ½ H.P. pump—water piped into house and over to stock trough.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Started and completed in Fall of 1950.

   8. The depth of water table: ap. 42' to 43'

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for withdrawal of groundwater: ½ casd well ½ H.P. pump—water piped into house and over to stock trough.

   10. The estimated amount of groundwater withdrawn each year: ap. 8 gal. per min.

   11. The log of formations encountered in the drilling of each well if available: unknown

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: unknown

   Signature of Owner: CHARLES W. SCOTT

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Neil V. and Jean C. Bowers
   of Shields Route
   Livingston
   State of Montana

County of Park

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stockwater springs

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1925 - and continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute): A - 25 miner's inches, B - 25 miner's inches; C - 55 miner's inches; D - 35 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: No Irrigation use

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Gravity flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Surface water - gravity flow

8. The depth of water table: 100 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Surface water

10. The estimated amount of groundwater withdrawn each year: 3,000,000 miner's inches for A and B

11. The log of formations encountered in the drilling of each well if available: None applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner

Date: Dec. 30, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE ENGINEER

Robert Shipler
(City of Appropriator)

County of Park
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>
<th>E</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2. The beneficial use on which the claim is based: 

Stock water and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 

These springs have been used continuously since 1880

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 

Ten Miners Inches each

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 

These springs irrigate approximately 60 acres in the SW\% of Sec. 10 and in the NW\% of Sec. 10, T. 14 N., R. 92 E. owned by appropriator

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 

These springs come to the surface without any artificial devices.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 

Not applicable

8. The depth of water table: 

Not applicable

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 

Excavation has been undertaken to develop these springs at their source.

10. The estimated amount of groundwater withdrawn each year: 

Not applicable

11. The log of formations encountered in the drilling of each well if available: 

Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Not applicable

Signature of Owner: 

Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
