### Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: approximately 1880  
Owner: C. A. TOWNSEND Address: Chico, Montana  
Contractor (if any): Unknown  
Address of Contractor: Unknown  
Date Started: Unknown Date Completed: Unknown

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. a 4" steel pipe coming out of ground into a spring box and from there piped directly into his house, used for domestic purposes.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. approximately 25" of water, used continuously throughout the year.

NE 1/4 Sec 12 T 6S R 8E  
Indicate point of appropriation and place of use, if possible.

Signature of Owner: C. A. Townsend  
by Jack D. Sullivan  
Attorney in Fact  
Date: December 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.  
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.  
Please answer all questions. If not applicable, so state, otherwise the form will be returned.  
Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

### Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

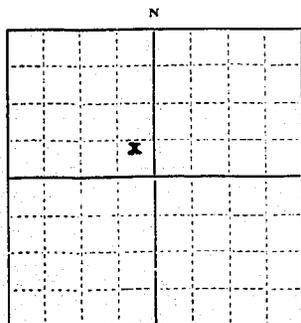

Date of Appropriation of Groundwater May, 1956.

Owner Dan & Laura Bigelow, Address Gardiner, Montana.  
59030

Contractor (if any) None.

Address of Contractor .....

Date Started May, 1956 Date Completed June 1, 1956

SE 1/4 Sec. 23 T. 6S R. 8E

Indicate point of appropriation and place of use, if possible.

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Built a catch basin, in order to hold water and carry the same to my house and barn, by means of a 3" pipe.

The water is used for house use and stock watering.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use.....  
Spring runs approximately 5 miner's inches.

Dwelling is 300' South of spring.

Signature of Owner Dan Bigelow

County PARK

STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
MONTANA WATER RESOURCES BOARD  
**NOTICE OF APPROPRIATION OF GROUNDWATER**  
(Under Chapter 237, Montana Session Laws, 1961, as amended)

After filing a notice of appropriation, in order to acquire a right based thereon, the person must, within ninety (90) days, commence actual excavation and diligently prosecute construction of a well and, upon its completion, file a notice of completion with the County Clerk of the county in which the appropriation is located.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

1. I, Mr. & Mrs. Archibald H. Allen, of P. O. Box 868 Livingston  
(Name of Appropriator) (Address) (Town)

County of Park, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is auxiliary irrigation, stock water and possible household use. Irrigate 5 acres grass pasture.  
(describe lands to be benefited, if for irrigation)

3. The rate of use in gallons per minute or miner's inches of groundwater claimed This water varies from 0 to 50 gals. per minute depending on runoff.

The estimated amount of groundwater to be used annually 4, 320,000 gals.

4. The annual period (inclusive dates) of intended use 15 June to 15 October

5. The probable or intended date of first beneficial use 15 June 1970

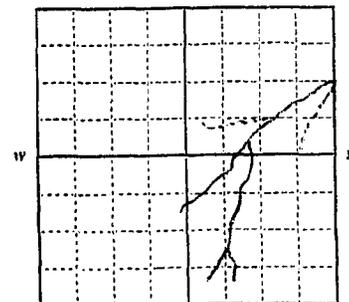

6. The probable or intended date of commencement and completion of the well\* or wells\* not applicable

7. The location, type, size and depth of well or wells contemplated not applicable

8. The probable or estimated depth of the water-table or artesian aquifer not applicable

9. The name, address, and license number of the driller engaged not applicable

10. Give such other similar information as may be useful in carrying out the policy of this act essential for household use should present source go dry.

### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. UNITED STATES OF AMERICA of WASHINGTON 25, D. C.  
(Name of Appropriator) (Address) (Town)  
County of Park State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

$\frac{1}{4}$  Sec. 8 T. 68 R. 10E

Indicate point of appropriation  
and place of use, if possible.  
Each small square represents 10  
acres.

2. The beneficial use on which the claim is based. Domestic Use
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Developed in 1936 - in continuous use since.
4. The amount of groundwater claimed (in miner's inches or gallons per minute). Unknown
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Not applicable
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Spring development
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Not applicable
8. The depth of water table. Unknown
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Not applicable
10. The estimated amount of groundwater withdrawn each year. Unknown
11. The log of formations encountered in the drilling of each well if available. Not applicable
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None

Water use: Domestic  Municipal  Stock  Irrigation   
Industrial  Drainage  Other

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Size of Drilled Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
6"	6"	0	35	None		

Static Water Level for non-flowing well ..... 27 ..... feet.

Shut-in Pressure for Flowing Well None

Pumping Water Level ..... 17 ..... feet at ..... 12 ..... gal. per minute.

Discharge in gal. per min. of flowing well ..... None

How Tested Bailing

Length of Test One hour

Remarks: (Gravel packing, cementing, packers, type of shutoff)

1/4 Sec 21 T6S R 12E  
Indicate location of well and place of use, if possible. Each small square represents 40 acres.

(Continue on reverse side)

USE--If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e.: Lot, Block and Addition).

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

**STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER**

**R** RECEIVED  
DEC 30 1963  
STATE ENGINEER

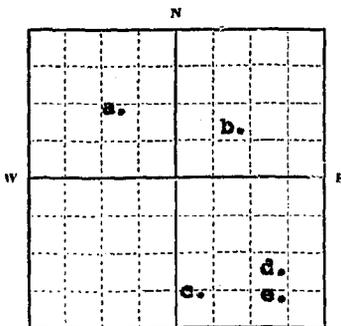

**Declaration of Vested Groundwater Rights**

(Under Chapter 237, Montana Session Laws, 1961)

1. John A. Ragsdale, of Emigrant  
(Name of Appropriator) (Address) (Town)

County of Park State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

**NW, NE**  
& **SE** 1/4 Sec. 1 T 7S R 6E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based.....  
Stock water
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been.....  
Approximately 1912 and the use has been continuous since that time
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute).....  
10 Miners Inches for Spring a; 5 Miners inches for each of springs b, c, d, and e.
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.....  
Not applicable
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....  
These springs come to the surface without any artificial device.

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....  
Not applicable
- 8. The depth of water table.....  
Not applicable
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....  
Not applicable
- 10. The estimated amount of groundwater withdrawn each year.....  
Unknown
- 11. The log of formations encountered in the drilling of each well if available.....  
Not applicable
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....  
Not applicable

Signature of Owner John A. Ragsdale

Date December 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
