Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Raymond & Rose Mary Mus, of Cooke City, Park County, Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator
2. The beneficial use on which the claim is based: Domestic Water Supply
3. Date or approximate date of earliest beneficial use: Purchased Water Right in 1949, used since
4. The amount of groundwater claimed (in miner's inches or gallons per minute): Use same output to water lawn
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Spring is based in course, water at a spring will flow out through a 2 in. pipe in our house
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
8. The depth of water table
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
10. The estimated amount of groundwater withdrawn each year
11. The log of formations encountered in the drilling of each well if available
12. Any other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

Signature of Owner
Date: Dec. 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Sept. 26th, 1953
Owner: W. H. Pemberton
Address: Billings, Montana
Contractor (if any): None
Address of Contractor:

Date Started: Sept. 15th, Date Completed: Sept. 26th, 1953

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. 2" Plastic Pipe, from spring to cabin for domestic and commercial use if wanted

Settling box at spring, water piped to cabin

on September Millsite, 5 acres, Mineral Survey 668B, New World Mining District; Section 26, NE 1/4 SE 1/4, Township 9 South, Range 14 East, MPM, Park County, State of Montana.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use

Summer home use presently, but filed for possible commercial use, for motel or other use, as highway to Yellowstone Park thru land.

Notice of Appropriation, Form #17, recorded Sept. 26th, 1953, Volume #30, Page 234, Miss. Records, Livingston, Mont.
Signature of Owner:

Date: June 27th,

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation: June 15, 1966

Owner: Frank G. Reed
Address: Box 11, Silver Gate, Montana

Contractor (if any)
Address of Contractor

Date Started: July 1, 1966
Date Completed: July 22, 1966

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Originally ditched from spring to holding reservoir, then in cedar pipe to 3/4" pipe completely reduced in July, 1966. Remade holding reservoir, installed 3" plastic pipe to new redwood tank, then 1" plastic pipe from tank to four 3/4" pipes for distribution to cabins described below.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Four months in each season for domestic water supply and for residential use of myself on my lot which is contiguous to east side of SE 1/4 of S.E. 33 and to Wyatt cabin adjacent to my lot, and to Coombs cabin adjacent to Wyatt lot and to LaVenture cabin adjacent to Coombs lot. The water source is from the spring known as the CARRULL spring.

Signature of Owner: Frank G. Reed
Date: Sept. 1, 1966

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

- *Point at this well was dug*

- **Park County**

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Not applicable.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

**Signature of Owner:** Constance S. Cooper

**Date:** September 14, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

**Owner:** J. L. L. 
Address: [Address]

**Driller:** Harold Bulbert 
Address: St. Peter, Mont.

**Notice of Appropriation of Groundwater**

Date well started: ____________ Date completed: ____________

- **Type of well:** Drilled
- **Equipment used:** Churn (Dug, driven, bored or drilled)
- **Water use:** Domestic

**Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.**

Notice of Completion of Groundwater Appropriation by Means of Well

DEVELOPED AFTER JANUARY 1, 1962

State of Montana
Administrator of Groundwater Code
State Water Conservation Board

Notice of Completion of Groundwater Appropriation by Means of Well

OWNER: Dale Alley & Dollie Bath Alley
ADDRESS: St. Joseph, No. 64506

Driller: Harold Hulbert
ADDRESS: St. I., R. C. 22, Box 103, Helena, Mont.

Appropriation was made after January 1, 1962, under Chapter 237 Montana Session Laws, 1961, as amended. The following information is provided:

- Well started: September 26, 1967
- Date completed: September 31, 1967

The well was completed by means of a churn drill and driven 118 feet deep. The static water level for the flowing well is 50 feet. The shut-in pressure for the flowing well is 50 pounds. The pumping water level is 50 feet, and the discharge is 30 gallons per minute. The well was tested as a flowing well for 6 hours, and the remarks include gravel packing, cementing, and the type of shut-off.

The well was developed for domestic use. The owner is required to file a copy of this notice with the County Clerk and Recorder in the county in which the well is located.

This form must be prepared by the driller, and three copies filed by the owner with the County Clerk and Recorder in the county in which the well is located. One copy is retained by the driller.

Please answer all questions. If not applicable, state so, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

MARGARET I. REEB and
GEORGIA REEB RITCHIE

of 118 South 6th Street, Livingston

(Name of Appropriator) (Address) (Town)

County of Park State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based, domestic, commercial, rental, and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been September 1, 1937

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 100 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 15 acres - (Patent Survey No. 10767) Margaret I. Reeb and Georgia Reeb Ritchie

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Four (4") inch pipe

Water tank - 27 x 41 x 30'

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater September 1, 1937

8. The depth of water table Unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Pipe

Water tank - 27 x 41 x 30'

10. The estimated amount of groundwater withdrawn each year Unknown

11. The log of formations encountered in the drilling of each well if available No well drilled

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Vol. 6 - Affidavit of Representation Book, page 314 - Water Lease recorded (Reeb to Cole and Bahlke) #505, Misc. Leases

Signature of Owner

Date 9/29/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Right

(Under Chapter 237, Montana Session Laws, 1961)

MARGARET X. REED and

GEORGE REED RITCHEY

(Name of Appropriator)

of 116 South 6th Street, Livingston

(Address)

County of PARK

State of MONTANA

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

commercial, rental, and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

September, 1930 - continuous.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

100 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

15 acres -(Patent Survey No. 1075) - lease from Cooke City - Margaret X. Reed and Georgia Reed Ritchey.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

Four inch (4") pipe from spring.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

September, 1930 - pipe system

8. The depth of water table:

Unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

Pipe

10. The estimated amount of groundwater withdrawn each year:

Unknown

11. The log of formations encountered in the drilling of each well if available:

No well drilled.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Water Right Filed - Missoula Book 19 - page 50 - George Reed

Water Right Filed - Vol. 21 - page 33 - Inez Reed

Signature of Owner:

Date: 8/20/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropnator.
