77. 'S	STATE OF MONTANA FRATOR OF GROUNDWATER CODE FICE OF STATE ENGINEER	BECEIVED
o Deciaration C	of Vested Groundwater Rapter 237, Montana Session Laws, 1961)	ights SEP 9 1963 STATE ENGINEER
1	, of (Address) State of Lontar	Saco (Town)
have appropriated groundwater accord	ing to the Montana laws in effect prior 2. The beneficial use on which the claim	to January 1, 1962, as follows:
	3. Date or approximate date of earlies tinuous the use has been1942.	•
*	4. The amount of groundwater claime	d (in miner's inches or gallons

Sec. 5 T 33 R 33 Indicate point of appropriation and place of use, if possible. Each small square represents 10

u.	tinuous the use has been 1942, continuously
4.	The amount of groundwater claimed (in miner's inches or gallons per minute) 6 gal. per min.
5.	If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
6.	The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Sept. or October of 1942

8. The depth of water table.....From 2. ft. to 4. ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater hand dug, wood 2" in plank curbing, well is -6-ft.-square, 12-ft.-deep.

11. The log of formations encountered in the drilling of each well if available....clay...on...top....atout... .22 ft. then gravel 4 ft. balance clay

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record......

Signature of Owner.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau 5176. of Mines and Geology, and Quadruplicate for the Appropriator.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
