Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1941)

1. J.H. Ansel, of 4 miles west of Valier
   (Name of Appropriator) (Address) (Town)

   County of Pondera State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: House hold

   3. Date or approximate date of earliest beneficial use and how continuous the use has been. These wells have been used every day since 1947

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 300

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: We use water to irrigate several acres of garden every year

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Two electric pumps

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: May 1947

   8. The depth of water table: Twelve feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: These wells are 4 feet in diameter and 12 feet deep

   10. The estimated amount of groundwater withdrawn each year: 500,000 gallons

   11. The log of formations encountered in the drilling of each well if available: Creos gravel

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: J.H. Ansel

   Date: Feb. 12, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 1956

Owner: J.H. Armit
Address: Valier, Mont.

Contractor (if any)
Address of Contractor: No, done work ourselves

Date Started: June 1
Date Completed: June 30

Describe means of obtaining groundwater without a well "as by subirrigation and other natural processes”. Include depth to water when applicable. This spring was developed for: Stock water and has been used ever since.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. This spring will average about 10 gallons per minute, sometimes more, sometimes less.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: J.H. Armit
Date: Feb. 12, 1962

This form is to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household and Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1911-1911 Daily

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gallons per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: No

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Piston Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1916-1939

8. The depth of water table: 12 ft 56 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 18 ft Hand Dug 25 ft Drilled with Tin casing

10. The estimated amount of groundwater withdrawn each year: 110,000

11. The log of formations encountered in the drilling of each well if available: None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Harvey Myhre
Date: Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODES
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Henry Meyer
   Name of Appropriator
   (Address)
   (Town)
   County of Pondera, State of Montana

2. The beneficial use on which the claim is based. "A" and "B" are both used for irrigation and sub-irrigation and stock watering.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been. Spring "A" and "B" both have been used continuously since approximately 1910, the date of the earliest beneficial use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). Spring "A" - 6 miner's inches, Spring "B" - 24 miner's inches

5. If used for irrigation, give the source and description of the lands to which water has been applied and names of the owner thereof. "A" 6 acres in Pondera as shown on plat; "B" 23 acres as shown on plat; and 3 acres in Section 14, T9N R13E for all owned by Henry Meyer and Viola M. Meyer, husband and wife.

6. The means of withdrawing water from the ground and the location of each well or other means of withdrawal. "A" and "B" both are naturally flowing springs. "A" located in Section 14, T9N R13E, 13 and "B" located in NW 1/4 SW 1/4 as shown on plat.

7. The date of commencement and completion of the construction of the well, walls, or other works for withdrawal of groundwater. Naturally flowing springs; since before 1910.

8. The depth of water table. As surface.

9. So far as it may be available, the type, size, and depth of each well or other means of withdrawal of groundwater. Naturally flowing springs. "A" flows a stream about 1 foot wide, 3 inches deep at the source; "B" flows a stream about 3 inches wide and 3 inches deep at the source.

10. The estimated amount of groundwater withdrawn each year. 7 acre-feet used from "A" each year, 25 acre-feet used from "B" each year.

11. The log of formations encountered in the drilling of each well if available. Not applicable.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None.

Signature of Owner

Henry Meyer

Date December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Dupliicates to the State Engineer; Triplicates to the Montana Bureau of Mines and Geology, and Quadruplicates for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: Ernest Lauffer
Address: Valier

Contractor (if any): Ralph Bowman
Address of Contractor: Valier

Date Started: Nov 9, 1962
Date Completed: Nov 9, 1962

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Backhoe used to obtain water. Water depth was found at 41 ft and dug to 8 ft. 10-in. Culvert pipe was installed 180 ft below ground to water tank.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

200 gal. hour for year

Found use

Indicate point of appropriation and place of use, if possible.

Signature of Owner:

Date: Dec 31, 1962

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Date of Notice of appropriation of groundwater... 5/1/70
Date well started... 5/1/70. Date completed... 5/3/70
Type of well... Drilled. Equipment used... Rotary

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **Leonard Schell**
   - County of: Pondera
   - State of: Montana
   - have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: **household and livestock use. Two Wells.**

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1925. For one well (West well) used continuously ever since, East well - 1955 used continuously ever since.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): **10 gallons per minute for each well.**

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: **Not Applicable.**

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **By electric pump; wells located as shown above.**

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **West well - 1925; East well - 1955.**

   8. The depth of water table: **West well 10 feet below surface; East well 30 feet below surface.**

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **West well 14 feet deep; ceramic pipe 18 inches in diameter. East Well 32 feet deep; steel casing 30 inches in diameter.**

   10. The estimated amount of groundwater withdrawn each year: **One Hundred Thousand Gallons from each well.**

   11. The log of formations encountered in the drilling of each well if available: **Not available for either well.**

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **No other information available.**

   Signature of Owner: **Leonard Schell**  
   Date: **December 30, 1963**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE ENGINEER

1. John E. Allen
   (Name of Appropriator)
   (Address)
   (Town)

County of Pondera
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Water for agricultural use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1932 - continuous use.

4. The amount of groundwater claimed (in mine's inches or gallons per minute): 6 gals. per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Household use, for irrigation, and stock water.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric submersible pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Shallow well prior to 1952; drilled deeper in 1962.

8. The depth of water table: 160 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well, cased steel, 6 inch pipe; 207 ft. depth.

10. The estimated amount of groundwater withdrawn each year: 3 million gals. per year.

11. The log of formations encountered in the drilling of each well if available: Sandstone Ledges

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Address of Contractor

Date Started: July 1, 1971 Date Completed: July 8, 1971

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)
   Developed spring

2. Means of withdrawing water (gravity, pump, canal, etc.) Artesian - natural flow

3. Depth of water table 4 feet

4. Use of the water Storm, water and irrigation

5. Amount of groundwater claimed (in miner’s inches or gallons per minute) 20 gallons per minute

6. If used for irrigation, give number of acres and description of land
   40 acres: NE ½ of SE ¼, T. 29N, R. 66W.
   and NE ½ of SE ¼, T. 29N, R. 66W.

7. Estimate amount of water used each year
   10,012,000 gallons

8. Months of year spring flows 12

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. The Montana Power Company, of 40 East Broadway, Butte, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Domestic consumption

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   April 1955 - continuous to date

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   5 gallons per minute - 24 hrs. per day

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   April 1955

8. The depth of water table
   Approximately 90 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Drilled, 5' casing - pump

10. The estimated amount of groundwater withdrawn each year
    190,000 gallons

11. The log of formations encountered in the drilling of each well if available
    Soil - Gray Shale

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

(CORPORATE SEAL)

ATTEN: ____________________________

Signature of Owner:

THE MONTANA POWER COMPANY

Vice President

Date: February 1, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
1. **Town of Valier**, (Name of Appropriator) of Valier, (Address) (Town) have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:
