Declaration of Vested Groundwater Rights

(under Chapter 227, Montana Session Laws, 1961)

1. Norbert Majews,  
of Valier  
County of Pondera,  
State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Livestock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: About 1915.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 400 gallons per day.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: dug about 1915.

8. The depth of water table: 100 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 110 ft deep, 1 inch line.

10. The estimated amount of groundwater withdrawn each year: 120,000 gallons.

11. The log of formations encountered in the drilling of each well if available: Unknown.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

Signature of Owner: Norbert Majews  
Date: Dec. 30, 1962.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

ELIZABETH S. SEIFERT, of Route 3, VALIEN
County of PONDERA
State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based:
   - Domestic

2. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - July 1952
   - Continuous since then

3. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - 50 gallons

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Lawn and garden - adjacent
   - To well
   - Electric jet pump 3"
   - Submersible

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Indicate point of appropriation and place of use, if possible.

6. The estimated amount of groundwater withdrawn each year:
   - 2,000,000 gallons - maximum

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - July 1952

8. The depth of water table:
   - 103 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - 2 strings casing - 4" + k
   - Drilled well

10. The log of formations encountered in the drilling of each well if available:
    - Not available as driller is gone.

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    - Both casings come to the tip.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Maurice Tack
   (Name of Appropriator)
   of Rte. 3
   (Address)
   of and in
   (Town)
   County of
   (State of)
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   "A" on plat refers to a well; "B", "C", "D", and "E" refer to springs, and said designations will be used consistently throughout this instrument.

2. The beneficial use on which the claim is based: Irrigation, stock watering and domestic use, "A" for stock watering and domestic use, "C" and "D" for irrigation and stock. Date or approximate date of earliest beneficial use; and how continuously has the use been "A" continuously since 1916; "B" continuously since 1917; "C" and "D" continuously since 1922. Said date for approximating dates of earliest beneficial use.

3. The amount of groundwater claimed (in miner's inches or gallons per minute), "A" up to 100 gallons per minute, "B" at 10 gallons per minute, "C" and "D" each at 15 miner's inches, and "E" at 10 gallons per minute.

4. If used for irrigation, give acreage and description of the lands to which water has been applied and name of the owner thereof:

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: "A" is well located at farm buildings, equipped with electric pump, "B", "C", and "D" are winter springs having natural flow.

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Same as dates shown for earliest beneficial use set forth in paragraph 2, above.

7. The depth of water table: "A" depth of water table is 6 ft; "B", "C", "D", and "E" are springs with water at surface of ground.

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: "A" well is 12 ft in depth, 6 in diameter, dug by hand, lined with wood.

9. The estimated amount of groundwater withdrawn each year: XXXX 500,000 gallons from "A", 500,000 gallons from "B", 7 acres from "C", 7 acres from "D", and 60,000 gallons from "E".

10. The log of formations encountered in the drilling of each well if available: Not available.

11. Other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not available.

Signature of Owner  Maurice Tack
Date  Dec. 27, 1963

Declaration of Vested Groundwater Rights

(Name of Appropriate)

County of 
State of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.
I, hereby certify that the within instrument was filed for record in this office, on the 31st day of Dec., A.D. 1963 at 2:15 P.M.
